Wanderlust is a portmanteau of erotic stories about travel, exploration and discovery. It is said that travel broadens the mind, quickens the pulse, and heightens the libido. So let the stories within these pages take you away!

## Tie Me Up

An exciting collection of twenty erotic short stories from Xcite Books, winners of ETO's Best Erotic Book Brand and Jade's Best Erotic Fiction Publisher 2010, 2011 and 2012. What could be more satisfying than submitting to delicious ecstasy? How about being the one in control? Read on for a selection of sexy schoolgirl roleplaying, passionate threesomes with ropes and handcuffs, eager toyboys, and mischievous lesbians with a penchant for teasing. Whether you like your domination light and playful or rough and ready this book can not fail to please. *Skin Deep* by Cathryn Cooper Carew is strictly a ladies' man, so why does he feel the need to spend so much time in the company of pretty boy Francis? He aims to show the boy the delights of sex with a woman and reinforce his own heterosexual credentials. When Francis doesn't respond to his erotic display, Carew determines to thrash some sense into him, only for events to take a startling turn. *Jane's Bonds* by Shanna Germain Jane has always wanted to experiment with sex toys, but her husband's tastes are strictly vanilla. When she sees the purple fur-lined wrist cuffs in a mail order catalogue, she imagines how it would feel to be bound and blindfolded, waiting for Derek to do whatever he wants to her. How can she get him to make her fantasy an erotic reality? *Tiger, Tiger* by Paige Roberts David is searching for the Indian tiger goddess, but to find her he must spend a night tied to the stone table in the jungle clearing – an ordeal he may not survive. As the noise of a tiger's roar comes closer, he struggles against his bonds. But when the animal's form appears to change into that of a stunning, naked woman, David realises the goddess' caress is to be welcomed, not feared, even if it costs him his life... *Black And White Photos* by Sommer Marsden She's finding it hard to take the art exhibition seriously, until she comes to the black and white photos. The erotic images reveal to her the true beauty and excitement of BDSM games, and suddenly she wants to try them for herself. Back at home, she lets Charles, her husband, take charge, blindfolding and binding her for an experience she will never forget. *My First Time* by Eva Hore Rita's not supposed to enter the room with the black-painted door when her boyfriend's not around, but she can't resist showing Doris what's inside. Doris can't understand why anyone would want racks and ropes in their home, until Rita persuades her to try them out. Just as she's getting in the swing of things, Rita's boyfriend comes home. Together, they will show Doris exactly what it means to be tied and teased. *Party Games* by Jim Baker Though Judy and Katie may differ in their taste in music, the one thing they can agree on is their party is going to be memorable. Judy's beginning to think she'll end the evening alone, then Katie invites her to take part in a threesome. It's the start of a wild adventure that quickly sees Katie tied to the bed, learning why Ravel's Bolero is the perfect accompaniment to a bout of erotic tickling *Dangerous Games* by Eva Hore Her boyfriend has promised her a night she'll never forget, and it begins when she follows his instructions to put on lingerie, blindfold herself and wait for his return. When David joins her, his unfamiliar aftershave lets her know he's playing some kind of game, but as she succumbs to his deliciously rough play, she has no way of knowing the truth of the situation. *Fantasy* by DMW Carol She loves roleplaying for him, and she knows exactly how their next session will go. She wants to play the part of an innocent, virginal schoolgirl, ripe and ready to learn about sex, and as her imagination runs wild, she lets her lover initiate her into the thrill of bondage, too... *Picket Fence* by Sommer Marsden De-cluttering the attic, Nick finds a Polaroid camera he can't bear to throw away. Noel can't fathom his fascination with the thing, until the night he uses it to take some very raunchy photos of her, naked and bound. Photos that have a very powerful aphrodisiac effect on anyone who sees them. *Change Of Life* by Cathryn Cooper Men have treated Mariana so badly she now only uses them for her own ends, finding real pleasure with her friend and lover, Sharaz. While she's sharing a sensuous sauna with Sharaz, discovering all the things two women can do to each other, her husband is restrained at home, patiently waiting for her return... *La Cage Aux Folles* by Kaycie Wolfe Sex therapist Merrill helps other people mend their lives, but her own needs more than a little work. Escaping from the cage of her failing marriage seems like the ideal solution to all her problems, but not before she's dealt with her self-absorbed, cheating husband in a highly appropriate fashion. *Travel Broadens The Mind* by Kirsten Schubinski The bus journey took her through rebel country, where kidnappings are rife. She never believed it could happen to her; now here she is, chained in a cell and being looked after by a jailer she has never seen. How will she react when he starts to treat her as a lover, rather than a captive *After Hours* by Kristina Wright Natalie's had a rough week at work, and Ryan is sure the way to relieve her stress is with sex on his office desk. Initially afraid they'll get caught in the act, Natalie soon relaxes into the moment – then Ryan produces a length of rope so he can tie her in place... In

The Saddle by Primula Bond Invited to spend a weekend in the country by a man she barely knows, inveterate townie Angela knows it's going to be a complete disaster, until she finds the estate's tack room. Aroused by the scent of leather, she can't resist lewdly riding a saddle like it's a bucking bronco – only to be caught trespassing by a stable hand intent on punishing her for her naughty behaviour. Under The Oak by Penelope Friday Head girl Ella meets her horny, self-assured classmate Jamie under the oak tree. It's not long before she discovers he knows exactly how to knot a school tie, leaving her fastened to the tree with her bottom bared for a spanking, in an erotic game that twists and turns to a deliciously unexpected conclusion. Festival by Cyanne She's looking forward to engineering the sound at the music festival; even more so when she learns she'll be working alongside Irish hunk Sean. He's enigmatic, totally in control and maybe just a little bit dangerous. And his way with cable ties and gaffer tape leads her into a sexual encounter like none she's ever had. Mistress Of All She Surveys by Carmel Lockyer Valerie considers herself an expert in all things BDSM and the queen of mind games. She's served her apprenticeship in fetish clubs and dungeons, learning how to give submissives exactly what they need. When her latest client brings her an expensive statue as a tribute, she vows to earn it in a way he will find exquisitely painful Teaching Derek by Primula Bond Jane and Sally are enduring a rainy week in Devon when the team from a TV makeover show arrives and interrupts their latest sex game. With the glamorous female interviewer out of the way, they can get down to tying up cute young cameraman Derek and showing him just how much fun he can have with two horny, experienced women. Political Prey by Jim Baker When David knocks on her door and canvasses Susie for her vote, she soon realises he's her ideal man – a young virgin who's willing to be tutored in how to give a woman pleasure. But Susie's methods of domination go way beyond the norm, and as far as she's concerned, his most important asset is that he's unlikely to be missed... Maid To Misbehave by Stephen Albrow Madeleine doesn't normally visit sex shops, but she can't resist the French maid's outfit she sees in the window. The shop's dominant, rubber-clad salesgirl is only too happy to help Madeleine try it on, and to give her the punishment she deserves for selecting such a slutty costume.

#### Customer Service

A collection of five erotic spanking stories from Xcite Books, ETO's Best Erotic Book Brand 2010, 2011 and 2012. Customer Service by Jade Taylor Gemma is the successful manager of a top-class hotel, but business is business when the hotel owner sends her to apologise to a key, corporate client concerning a booking oversight. The head of Toshikoe Enterprises is not quite what Gemma expected, but he is determined that she make amends for her hotel's mistake and demands immediate compensation. Only for Gemma his requests for redress bring more than just a flush to her cheek. Grip by Sommer Marsden When Annalee comes home with a new haircut, her husband Jacob is far from happy. Is she concerned? No. It's her hair and her decision. She's in charge, or is she? Their evening out with her husband's boss leads Jacob to regard her hairstyle in a different light. Her new look begins to weave its magic on her husband. Deep, dark desires are stirred that begin to herald the animal within. Master, Come For Me Again by Kitti Bernetti Nineteenth century England is a place of two worlds. One is tight-lipped and respectful of status, the other full of hidden passion and desires. Wanderlust: A Book Club Sampler from Simon & Schuster is your boarding pass to the beautiful, the mysterious, and the unknown. This book club sampler was created to pay homage to a book's unique ability to transport your imagination around the world, taking you on journeys across distance and time. Whether you're in the mood for a historical love story set on a sheep station in rural Australia or an illuminating memoir of life in the war-torn Middle East, these are books you and your reading group won't want to miss: *Day of Honey: A Memoir of Food, Love, and War* by Annia Ciezadlo, *Wildflower Hill* by Kimberley Freeman, *The Dovekeepers* by Alice Hoffman, *Amaryllis in Blueberry* by Christina Meldrum, *The Hundred-Foot Journey* by Richard C. Morais, *The Distant Hours* by Kate Morton, *This Burns My Heart* by Samuel Park, *An Atlas of Impossible Longing* by Anuradha Roy. Each excerpt in *Wanderlust* is accompanied by a collection of bonus materials intended to enrich your reading experience, including discussion questions, suggestions for enhancing your book club meeting, and author interviews. In the spirit of looking to the horizon, we also asked each author featured in this sampler one question: "What is your favorite travel memory?" Their answers are fittingly diverse—from Christina Meldrum's summers spent at a family cottage in Lake Margrethe, Michigan, to Alice Hoffman's inspirational first trip to Masada, the setting of her epic new novel *The Dovekeepers*. Anuradha Roy, the author of *An Atlas of Impossible Longing*, describes the lure of armchair travel best: "All readers...carry within themselves sediments of the places they have traveled to in books, the people they've met on the way. Therefore the strange déjà vu is when you land in a foreign country and wonder if you've been there before." So, sit back, relax, and get ready for the trip of a lifetime. Bon Voyage!

### Wanderlust

*People We Meet on Vacation* meets *The Unhoneymooners* in this sparkling debut romantic comedy about two near strangers—and complete opposites—who win a radio contest for a trip around the world. Love's about to take flight. Feeling stuck at work and tired of London's dreary weather, magazine writer Dylan Coughlan impulsively rings a radio station one day only to win a once-in-a-lifetime trip around the world. The catch? Her travel partner must be a contact randomly selected on her phone. And of course this stressful game of contact roulette lands on a number listed only as Jack the Posh, an uptight, unbearably posh guy she met on a night out and accidentally ghosted. The two couldn't be more different, and as the trip kicks off, Jack seems like he'd sooner fling himself into the sun than have a conversation with Dylan. But more is hinging on this trip than the chance to see the world. For the past two years, Dylan's been relegated to writing quizzes (and only quizzes) at her lifestyle magazine after an article about her past abortion went viral—and not in the good way. If she's able to make a series about their trip successful, her overbearing boss will give her a chance at a permanent column. Dylan's willing to do anything to make the series a hit, even if it means embellishing her and Jack's relationship to satisfy readers. But as the column's popularity grows, so does the bond between Dylan and Jack, and Dylan is forced to consider if the one thing she thought she always wanted is worth the price she'll have to pay to get there.

## Quarantined

\*This book is part of a SERIES and NOT a standalone. A gripping, friends-to-lovers-to-enemies, dark romance. New York City—not for the faint-hearted or the sweetest of souls. The last thing I expected was to be back in this city, after all these years. And I definitely did not expect to be back in this house, where it all started. I have spent years avoiding this place, and the cold hard reality of what happened here. But I have no choice. We are all quarantined together in this house. It took the end of the world, for me to come back here and face him. Milo Sinclair. Once my legal guardian and savior in life. The person who saved me from drowning in loneliness. Who gave me everything I ever wanted. But then he took everything away from me. Plus interest. He broke me. He will not break me again. This is a dark forbidden romance. It contains discussions about the pandemic, mental health issues, mature new adults. It also contains dubious situations that some readers might find offensive. Dark romance is subjective. Some readers have found this book to be a light read while others were sensitive to the material. Milo isn't a normal romance hero, and some might not consider him a hero at ALL. So, please don't read this if any of the above bothers you. Quarantined is book one of The Quarantine Series.

While historian Sarah Sherman doesn't believe in curses either, she's compelled to use her knowledge of Point Pleasant to uncover the long-buried truth. The river town has had its own share of catastrophes, many tied to the legendary Mothman, the winged creature said to haunt the woods. But Quentin's arrival soon reveals that she may have more of a stake than she realized. It seems that she and Quentin possess eerily similar family heirlooms. And the deeper the two of them dig into the past, the more their search enrages the ancient mystical forces surrounding Point Pleasant. As chaos and destruction start to befall residents, can they beat the clock to break the curse before the Mothman takes his ultimate revenge? . . .
