Ruth, the Moabitess, a poem

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Ruth, the Moabitess

There are only four chapters in the Biblical Book of Ruth, but very little information is given as to why she decided to leave her own country of Moab and her Moabite gods to travel with her widowed Israelite mother-in-law, Naomi, to Bethlehem-Judah. She and her best friend Orpah married two Israelite men and their lives together are given attention in this book. Once well-to-do, Ruth was now considered poor and upon arriving in Bethlehem had to glean during the harvest to survive. Why did she decide to follow an Israelite woman who did not worship her own pagan gods, and later choose to embrace the one-God religion of a deity which had no form? In this story, Ruth is able to glean on land owned by Boaz, a handsome landowner and a romance ensues. Since God works in mysterious ways, the hand of Yahweh is shown in this fictional story of perseverance and gives insight into human and spiritual love. Key characters are Ruth and Orpah, Naomi, and Boaz.

Ruth, a Poem

In thinking of a title for this, my first book of poems, I've come up with the following:"Ruth by Many Names + Other Loose-leaf Poems". An admittedly awkward title, but I think the complementarity to be found between the twenty-three verses of,"Ruth\

Ruth: a Sacred Idyll of Harvest-tide; and Other Poems

A leading poet and a theologian reflect on the Old Testament story of Ruth, a tale that resonates deeply in today's world with its themes of migration, the stranger, mixed cultures and religions, law and leadership, women in public life, kindness, generosity and fear. Ruth's story speaks directly to many of the issues and deep differences that Brexit has exposed and to the polarisation taking place in many

societies. Pádraig Ó Tuama and Glenn Jordan bring the redemptive power of Ruth to bear on today's seemingly intractable social and political divisions, reflecting on its challenges and how it can help us be effective in the public square, amplify voices which are silenced, and be communities of faith in our present day. Over the last year, the material that inspired this book has been used with over 6000 people as a public theology initiative from Corrymeela, Ireland's longest-established peace and reconciliation centre. It has been met with an overwhelming response because of its immediacy and relevance, enabling people with opposing views to come together and be heard.

Ruth

These two volumes list late-and mid-Victorian poets, with brief biographical information and bibliographical details of published works. The major strength of the works is the 'discovery' of very many minor poets and their work, unrecorded elsewhere.

Moabites

A high-ranking Nazi's wife and a Jewish doctor in prewar Berlin. A Jewish immigrant soldier and the German POWs he is assigned to supervise. A refugee returning to Europe for the first time and the massacre of Israeli athletes at the 1972 Munich Olympics. A son of survivors and technology's potential to reveal long-held family secrets. These are some of the characters and conflicts that emerge in *QUIET AMERICANS*, in stories that reframe familiar questions about what is right and wrong, remembered and repressed, resolved and unending.

A Poetical Paraphrase of the Book of Ruth; with Other Poems. Second Edition

Poems of the Heart seeks to encourage and inspire in you. From recollections of a simpler time in life to a deep faith and trust in God whose love never fails, Poems of the Heart can, for a moment, take you away from the cares of life and lift you into God's grace.

The History of Ruth

This book is a collection of poems short stories and things remembered from the author's years of growing up. The poems were started when, while watching tv, I started writing down stuff about angels. The next thing I knew I had three poems written about angels. Things just kept going from there. The book of Ruth has always been a favorite of mine. Before I got through writing the story about Ruth, I felt led to write the story on Ester. A dear friend who is a retired school teacher, read these poems and stories and encouraged me to continue and put all my writings into a book. Many of the stories are from family experiences, so, one could say they really are true stories. I hope something in this book will touch and change someones life.

Ruth of Many Names + Other Loose-leaf Poems

Joshua 24 has long been recognized as a crucial chapter for source-critical studies and for the reconstruction of Israel's early history. The present volume summarizes and evaluates previous (often contradictory) efforts to explain Joshua 24 on the basis of literary criticism, the role of covenant concepts in Israel's history writing, form-critical comparisons with treaty texts, archaeological approaches to the Shechem traditions, structural analysis and textual criticism. '...[a] comprehensive and formidably documented volume ...' Christopher T. Begg, *Old Testament Abstracts*.

Borders and Belonging

Excerpt from *Ruth, and Other Poems* Tho' a lord may think that a country maid, In the simplest clothes of her class arrayed, Was built but to worship his form divine, And make of his mansion a priceless shrine. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Mid-Victorian Poetry, 1860-1879

Quiet Americans

Do you want to adapt your poem to a storybook that tells a story in words, and pictures-or only amplify the images that you create with words? Would you rather turn your poem into a picture book that tells a story with pictures? Will words take second place to illustrations? Decide first whether you will write a story book or a picture book. Then use the images in your poem to clarify your writing. You won't be able to read a picture book into a tape recorder or turn it into an audio book or radio play. You will be able to narrate a word book for audio playing. Start with an inspirational poem, proverb, or song lyrics. Ask children what makes them laugh. You can make something out of nothing. You can make a story out of anything intangible, such as an idea with a plan still in your mind. Capture your children's dreams, proverbs, song lyrics, and the surprise elements that make them laugh. Record imagination, "what-if" talk, and personal history. A folktale or story is something that could come from any place in the past, from science, or from nothing that you can put your hands on. What children want in a book, poem, or folklore is a cave where they can go to be themselves. When suspending belief, children still want to be themselves as they navigate fantasy. The story book becomes a den or tree house where children can go inside, shut the door, and play. Introduce children to poetry by showing how you transform your poem into a children's book by expanding and emphasizing significant events in the life story of one child. Poems, memorable experiences, significant life events or turning points are all ways to make something out of nothing tangible. You begin re-working a concept, framework, or vision. Here's how to write, publish, and promote salable material from concept to framework to poem to children's book-step-by-step.

The Book of Ruth

Through a cycle of poems featuring the key figures and themes of this noteworthy Bible book, John Piper reveals great truths about God's care and the history-altering love affair between Ruth and Boaz.

Notes and Queries

William Blake (1757 - 1827) is one of the great figures in literature, by turns poet, artist and visionary. Profoundly libertarian in outlook, Blake's engagement with the issues of his day is well known and this - along with his own idiosyncratic concerns - flows through his poetry and art. Like Milton before him, the prodigality of his allusions and references is little short of astonishing. Consequently, his longer visionary poems can challenge the modern reader, who will find in this avowedly open edition all they might need to interpret the poetry. W. H. Stevenson's Blake is a masterpiece of scrupulous scholarship. It is, as the editor makes clear in his introduction, 'designed to be widely, and fluently, read' and this Third Edition incorporates many changes to further that aim. Many of the headnotes have been rewritten and the footnotes updated. The full texts of the early prose tracts, *All Religions are One* and *There is no Natural Religion*, are included for the first time. In many instances, Blake's capitalisation has been restored, better to convey the expressive individuality of his writing. In addition, a full colour plate section contains a representation of Blake's most significant paintings and designs. As the 250th anniversary of his birth approaches, Blake has perhaps more readers than ever before; Blake: The Complete Poems will stand those readers, new and old, in good stead for many years to come.

Poems of the Heart

The story of Ruth has captivated Christian believers for centuries, not least of all because she is one of only two women with books of the Bible named after them. Now, Diana Wallis Taylor animates this cherished part of the Old Testament, with its unforgettable cast of characters. Experience Ruth's elation as a young bride—and her grief at finding herself a widow far before her time. Witness the unspeakable relief of Naomi upon hearing her daughter-in-law promise never to leave her. And celebrate with Boaz when, after years as a widower, he discovers love again, with a woman he first found gleaning in his field. The story of this remarkable woman to whom Jesus Christ traced His lineage comes to life in the pages of this dramatic retelling.

Poems Short Stories and Things Remembered

In this unusual and provocative book, Victor Erlich uncovers the origins of the national idea in the Hebrew Bible. Through a series of sensitive and original readings of well-known biblical episodes, Erlich

argues that ancient Zionism was not an ideological construct but rather a unique marriage of literary imagination and ethnic pride.

Original Poems

A comprehensive account of Chaucer's Legend of Good Women.

The book of Ruth, a popular exposition

Scrolls of Love is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others traditions.

Simon Ortiz

What question are you most often asked, and how do you respond?

Do you have a favorite quiet place?

Do you have a way you recharge your batteries?

Is there a work or author you could cite as a current influence?

Is there something you want to include in your work, that you haven't found a place for yet?

Is there a spiritual dimension to the work of writing?

Start

Guest intro

Welcome to The Fallen State

Fatimah Gilliam

Is Fatimah black?

Has Fatimah ever passed for white?

Why did Fatimah write her book?

Does Fatimah have "white privilege"?

Affirmative action

White mediocrity

Lowering the standards for blacks

What's wrong with the blacks?

Programs for the blacks

What is a "racial ethicist"?

What do whites say when there are no blacks around?

Blacks calling each other the n word

Blacks and Jews turning against each other

Jews experience "white privilege"

"Whites are more under attack than other races" - JLP

Africans and Arabs started the slave trade

Blacks owned slaves in America as well

Kamal Harris and Obama's ancestors owned slaves

Kamala's failure as Vice President

Which race needs more "race training"?

Companies that hire "diversity training"

Microgressions

Data can be skewed

"Blacks were better during slavery" - JLP

JLP actually grew up black

The races are not responsible for each other

Legalization of interracial relationships

Does JLP love the blacks?

Three things JLP appreciates about the blacks

Does Fatimah feel bad that black men are so weak?

Were women created to lead or follow?

Is Fatimah a Christian?

Fatimah accuses whites for the downfall of the blacks

Does Fatimah love white people?

Can you have a black friend and still be racist?

"Blacks cannot be racist" - Fatimah

Intellectuals have no common sense

The Great White Hope!

Would Fatimah date someone she can control?

No such thing as racism

Which parent was Fatimah closer to?

Fatimah is a lot like her mother

What is love?

What is a man?

THE HOT SEAT

How to find Fatimah's book

A Poetical Description Of Lincolns Assassination

Assassination of Abraham

Lincoln}}, "inlineLinkIcon": {"iconType": "OPEN_IN_NEW", "source": {"runs": [Encyclopedia Britannica]}, "paragraphs": [{"runs": [The assassination of Abraham Lincoln, the 16th president of the United States, occurred at Ford's Theatre in Washington, D.C., on the evening of April 14, 1865. Shot in the head by Confederate sympathizer John Wilkes Booth, Lincoln died the next morning. The assassination occurred only days after the surrender at Appomattox Court House of Gen. Robert E. Lee and the Army of Northern Virginia to Union forces led by Gen. Ulysses S. Grant, which had signaled the effective end of the American Civil War. Lincoln's death plunged much of the country into despair, and the search for Booth and his accomplices was the largest manhunt in American history to that

Damaged

Some marriages were damaged before they even began. Some take time before they splinter. Others get their happily ever after... or so it seems. This is a collection of poetry that depicts the complicated story, but beautiful love between two very broken characters. This book of poetry was inspired by the romance novel *Damaged*, Book 3 in the *Sins and Secrets Series of Duets* by Wall Street Journal and USA Today Bestselling Author Willow Winters.

Damaged Things

A book of poetry, musings and observations on the human condition.

Damaged Goods

A damaged good isn't just an item. The term can also describe a person who is permanently affected by their experiences. As a person with mental health issues, I willingly identify as a damaged good. For example, I have trust issues. It's okay to be a damaged good. This poetry collection is to show that you're not alone.

The Rantings of a Damaged Mind - A Collection of Thoughts, Poetry and Verse

THE RANTINGS OF A DAMAGED MIND is Nick Armbrister's new poetry book jointly written with poetess Mel Grobler. Poetry includes light and dark work covering human emotions and relationships, the death of a northern town and mental health issues to name a few topics. Make up your own minds on this hard hitting and unique book of modern poetry for modern people. From Nick's work about England and his life to Mel Grobler's touching poetry from half a world away (South Africa), this is a book with a difference. It's about the human journey of life, told by two writers who are at opposite ends of the earth. The result is here, a collection of memorable poetry.

Storm Damage

A collection of poetry casting light upon the world we live in, and upon the darker corners of the self. The book tries to make sense of a world which is chaotic with unemployment, in-and-out affairs, street violence, hip vicars and terrorism among many other themes.

Damage: a Life in Poetry

Damage: A Life in Poetry is a collection of free verse poems about life, love, and loss. Equal parts raw emotion and dry wit, this publication will evoke thought and laughter. Every poem is based on the author's real life experiences, creating a highly personal collection. Containing everything from relationships to humanity, Damage is sure to have something for everyone.

Damaged Goods

A damaged good isn't just an item. The term can also describe a person who is permanently affected by their experiences. As a person with mental health issues, I willingly identify as a damaged good.

For example, I have trust issues. It's okay to be a damaged good. This poetry collection is to show that you're not alone.

The Damage Done

A political intrigue of 1960s/70s FBI COINTELPRO clandestine operations written in narrative poetry. The "damage done" in Susana H. Case's remarkable poetry thriller set in late 1960s New York City is of two orders. On the surface, this is the story of Janey, a fashion model whose death under mysterious circumstances serves as an opportunity for a corrupt FBI agent in the Counter Intelligence Program (COINTELPRO) to frame Janey's Black Panther lover for her death, making them both collateral damage in J. Edgar Hoover's clandestine war on anyone he deemed un-American. But on another level, as Case instructs us, the greater damage done is to democracy itself, to trust and faith in government, an enduring legacy of suspicion and division that serves as a cautionary tale at a moment when those divisions and distrust are more enflamed than ever. That's a tall order for a volume of poetry, but Case more than succeeds in this audacious, breathtaking collection. Poetry.

Immiscible Damage

We are not defined by what impairs us, but by the results of the repair in us. Being damaged is when the body goes into destruction. This cycle of mutilation eventually interchanges, activating a defense mechanism, allowing the body to reboot to become operable again. Immiscible Damage is a collection of themed poetry that captures different levels of one being damaged or hurt, while experiencing a breakthrough of recovery. There are levels of being damaged and they are immiscible. The damages are incapable of being mixed because once they have been vibrated together, they can and will be divided into layers which become levels of reconstructing the body. First, we may experience a sense of fear when we are damaged by the outcome of a situation or change. Fear can cause us to become broken. But once we identify that we are indeed damaged because of how broken we may feel, we begin the repair cycle and become openminded of a chance to be better. We then become hopeful again, causing the body to experience love and its existence. Once love has been conquered and persevered, serotonin levels are increased. The brain then accesses a level so intense, full of life's most ultimate pleasures, a level of psychedelic euphoria. Once euphoria is reached, your cycle of being damaged becomes obsolete.

American Hurt

Poetry always did make me vulnerable. This is a journey unveiling America's faults through poetic words. It's as complex as my appreciation for my freedom of speech that allows me to honestly reflect on this country. This country has made so many strides towards progress but has so very far to go. I stand by every word in every poem down to the punctuation.

Damaged

Damaged is a compelling collection of poetry, the story of death, grief, and the will to survive. Birthing hope in the darkest of nights, these melancholy lines follow a lost girl learning to understand her power, using her wings to fly far away, and to find the home inside her own wounded heart. Crystal Well's Damaged is a riveting collection about finding yourself and paying all the costs, even when tending to the dead during a beginning that feels like the end.

Hard Damage

Hard Damage works to relentlessly interrogate the self and its shortcomings. In lyric and documentary poems and essayistic fragments, Aria Aber explores the historical and personal implications of Afghan American relations. Drawing on material dating back to the 1950s, she considers the consequences of these relations--in particular the funding of the Afghan mujahedeen, which led to the Taliban and modern-day Islamic terrorism--for her family and the world at large. Invested in and suspicious of the pain of family and the shame of selfhood, the speakers of these richly evocative and musical poems mourn the magnitude of citizenship as a state of place and a state of mind. While Hard Damage is framed by free-verse poetry, the middle sections comprise a lyric essay in fragments and a long documentary poem. Aber explores Rilke in the original German, the urban melancholia of city life, inherited trauma, and displacement on both linguistic and environmental levels, while employing surrealist and eerily domestic imagery.

The Art of a Damaged Soul

This book is for all the damaged souls out there. Those who have felt lost, alone, afraid, abandoned, scared. Those who felt they do not belong. Those who have felt such anger towards those who have left the many scars they have now collected. For those whose mind, heart and soul is filled with so much darkness they feel they can no longer go on. Yet we do... for the most damaged souls are the strongest and we all shall make our beautiful, magical mark on this sometimes ugly and scary world. So, to my fellow damaged souls, join me on a heartfelt journey of truth and discovery. I hope, through reading this, that you start to realise there is beauty and light amongst the darkness that surrounds you. You are art, my love, you are the art of a damaged soul.

An Unread Book of Damaged Poetry

Poetry about the lost and wandering, the broken and healing, and the loving and damaged

And for All of This I Am Sorry

Broken Ballads is a collection of poetry that reflects a healing process from messy moments of pain and loss to the transformative power of love and peace. It shares a release of emotions during challenging times and a deliverance from a falsified definition of a successful life.

Edge of Damage

THE RANTINGS OF A DAMAGED MIND is Nick Armbrister's new poetry book jointly written with poetess Mel Grobler. Poetry includes light and dark work covering human emotions and relationships, the death of a northern town and mental health issues to name a few topics. Make up your own minds on this hard hitting and unique book of modern poetry for modern people. From Nick's work about England and his life to Mel Grobler's touching poetry from half a world away (South Africa), this is a book with a difference. It's about the human journey of life, told by two writers who are at opposite ends of the earth. The result is here, a collection of memorable poetry.

Broken Ballads

A collection of new poems on the themes of hurt, melancholy, and healing by Jon Lupin, the Poetry Bandit. From the poet behind *You Only Love Me When I'm Suffering* comes a new collection of poetry that will shake you to the core. Organized in the format of an encyclopedia, each letter of the alphabet includes several poems on the theme of the word that begins with that letter. Emotional and inspiring, *Encyclopedia of a Broken Heart* will appeal to every modern poetry lover.

THE RANTINGS OF A DAMAGED MIND

This is a collection of poetry that is written from the heart, by a bloke whose heart was broken and to help it mend he tried to write down his feelings. This book of poems is the result. They are for everyone that has ever loved, lost and felt broken. They are for everyone who has ever felt alone and that no one else could possibly know what they are going through. They are for love... because despite the pain it causes... when everything else is said and done... what is else is there?

Encyclopedia of a Broken Heart

'Just a Bit Broken' is E. C. Senior's debut poetry collection which explores ideas to do with identity, the self, and the world as a whole, wherein everything is just a little bit broken. Containing seventeen poems, this collection includes works detailing Senior's life in Britain, struggling with loss and with their own self, which includes the works 'Orange Peels and Oyster shells', 'Cathedrals and Catacombs', and 'My Little Ship of Theseus'.

Poems for The Lost, The Lonely & The Broken (Bloodied But Unbowed)

Unusual, interesting and uplifting, this set of poems deals with disabling injuries from a horrendous road traffic accident. The poems have a clear narrative arc, starting with the regaining of consciousness after the accident, ending with the return of health and hope. 'Broken' depicts glimpses of the natural and social world of the Sultanate of Oman where these events occurred and the writer currently lives. Free from self-pity, laced with self-questioning and leavened with generous dashes of humour, this is an honest poetic record of a journey out of severe poly-trauma towards a new wholeness, all in the sensitively illustrated beauty of Oman. The winning charm of Margaret Jeeves' illustrations combine

with Helen Freeman's poignant poetry to make 'Broken' an outstanding and unforgettable book for all readers: those who are or feel broken, travellers to the Middle East, or simply those wanting an inspiring read.

Just a Bit Broken

Jacque Vaught Brogan's new collection of poems, *Damage*, examines a variety of cultural, natural, and personal damages in a lyrical voice ironically marked by intense beauty. This disjunction is precisely what makes the volume so disturbing and yet so tantalizing. The first section, *Windows*, examines the public sphere of failures and violence, including the simple cyclical decay of nature itself. The next section, *Blue Waters*, shifts the focus from the public to the personal, in poems fraught with betrayal and desire, disillusionment and erotic bondings. In the last section, *Notes from the Body*, Brogan braids these two spheres into a strikingly original and risky series of poems which fearlessly addresses the modern emotional terrain or what might be called the genuinely body politic.

Broken

Broken Times is the debut poetry collection by Sean Buranahiran, who has garnered over 100 million views online reading his poetry and retelling philosophical stories with his own unique voice. This book features his famous poem "Dear Soulmate" which has been shared over 200,000 times across various platforms. After receiving false charges against him, Sean took a six-month hiatus from content creation and wrote these "Poems of Empowerment and Healing--with a philosophical Thought-Provoking Nature".

Damage

Broken Pieces - Tales of Heartbreak takes the reader on a deep, beautiful, and reflective journey to love's other side. With his collection of one hundred sublimely written poems, Shah Asad Rizvi captures the full spectrum of love lost with words that will both resonate with and haunt the reader's soul. A truthful and poignant telling, Shah does not shy away from the pain nor causes of broken hardnenses. *Broken Pieces* is akin to a master's thesis on all the ways that a heart can hurt after love has departed. From the ill actions that bring us to such a hurtful place to the heart's every willing desire to love again even though held back by our painful misgivings, the reader will find themselves again and again in the pages of *Broken Pieces*. Even with such complicated and painful subject matter, Shah has a startling and astonishing way of wrapping the reader up in the pages of his books. *Broken Pieces* is no exception. Perhaps even a cathartic and feeling journey for some, this exquisite poetry collection invites the reader to a tour of heartbreak. However, as only he can do, Shah subtly reminds us that even the heart's pain and suffering is a beautiful experience. To know such sorrow, we must first have known unimaginable love. By acknowledging the path of broken heartedness, Shah's compelling words will have even those with a jaded and rejected heart, wondering if new love is possible. Simply stated, *Broken Pieces* is a poetry collection that will show you the triumph of love in the shattered and *Broken Pieces* of a broken heart.

Broken Times

Indulge in a couple of hours in a hearts life experience. This is a poetry book about finding love, losing love, and experiencing heart break. Poems to make you feel all range of emotions through descriptive text and playful writing. Enjoy the good times, the painful times, and the times when all you can do is sit back and grow.

Broken Pieces

Healing Words is an uplifting poetry collection of raw emotions and thoughtful pieces about loss, loneliness, heartbreak, healing, hope, and love. Because everyone sometimes finds themselves within the abyss of feeling alone, heartbroken, or depressed, we all need healing words to pull us out, to give us hope and inspiration, and to bring back the courage to love again. Gather strength from these empowering poems and allow yourself to rise again. One day, you will remind yourself, "I am healed. I am whole. I am worthy of love."

Damaged Love

Life is a beautifully broken piece of art. Fractured pieces coming together to form our selves, our hearts, our souls, our world. A beautiful, fractured mosaic. One we build and shape day by day. In her poetry collection Amanda Leigh explores what she sees and has seen in humanity and in her life and self. Showing pieces of herself while at the same time taking on current and controversial issues. She bares pieces of her soul in every poem. Reveals pieces of herself and comments on current issues in her new collection, Beautiful Broken.

Healing Words

Powerful and vivid poetry that tackles the gritty issues of drug addiction, neglect and abuse.

Beautiful Broken

Bram Stoker Award(R) winners Linda D. Addison and Alessandro Manzetti use their unique voices to create a dark, surrealistic poetry collection exploring the many ways shattered bodies, minds, and souls endure. They created poems of visionary imagery encompassing death, gods, goddesses and shadowy, Kafkaesque futures by inspiring each other, along with inspiration from others (Allen Ginsberg, Pablo Neruda, Phillis Wheatley, etc.). Construction of The Place started with the first bitten apple dropped in the Garden. The foundation defined by the crushed, forgotten, and rejected. Filled with timeless space, its walls weep with the blood of brutality, the tears of the innocent, and predatory desire. Enter and let it whisper dark secrets to you. Proudly represented by Crystal Lake Publishing--Tales from the Darkest Depths. Interview with the poets: What makes this poetry collection so special? Alessandro: Collaborations are the salt of poetry, can create special, unique blends and flavours. This book is exquisite, in that way. Linda: Collaborations can create remarkable work, whether it's poetry or fiction. Alessandro and I each did a third on our own and then a third together. This book was written with us in completely different time zones (Arizona & Italy), without ego and is the best poetry I've created so far. Tell us more about the theme of this book. Linda: There was no hard rules, we agreed to riff off any of the words in the title: Place; Broken; Thing(s). The real magic is how the book flowed from us, as we allowed our imagination freedom to play, trusting the dark, surrealistic tales told would fit; and they did! Alessandro: Imagine a collage of different places, connected by invisible wires. We play the role of the explorers of that elusive, borderlands world. Why should readers give this book or your work a try? Linda: Our book has unique songs to offer, something we couldn't recreate separately. It stands alone with any work we do in the future because even the poems I wrote by myself were influenced by working in our shared arena in undefinable ways. Alessandro: If you're a curious traveler, ready to walk with us along a trail without markers, this is a good book for you.

Damaged

Beautifully Damaged Things is a collection of poetry written by FK Brown. Her words take readers through a journey of love, heartache and redemption through real experience and lessons learned. FK Brown invites you to experience both her heart and mind, as she poetically elaborates on her take on life, love, loss, and hope. Her end goal is to ensure those who choose to dive into 'Beautifully Damaged Things', that no one is ever alone in what we feel and experience in life.

Inside A Brain Damaged Heart

Also by the author: - THE CULT OF THE RIGHT HAND, (Doubleday, 1991, ISBN 0-385-41812-4)

The Place of Broken Things

When we're young, every bit of lust feels like love and every moment feels like it's going to last forever. It's when we grow up that we realize our memories aren't as clear as we thought they were. And soon, they damn us into being broken. So how do we heal?

Beautifully Damaged Things

A collection of poems about love, melancholy, passion, and hope. Love with all you are, dream with all your heart, believe with all of your soul. Let no one bury you beneath their rubble. You can get through tough times, you can heal, and you can love life again.

Damages

Powerful first collection by acclaimed Filipina Australian performance poet In Flood Damages Andrada explores themes associated with immigration and inheritance, through the figure of a young Australian Filipina woman, whose family has been irreparably damaged by deportation, violence and illness. The wounds inflicted by these events, political and personal, are felt most keenly in and through her body – ‘your blood sings of the scattered histories/ that left you here’ – and in a dramatic use of language, influenced by the rhythms of prayer, which expresses pain and anger with passionate intensity. A performance poet, Andrada combines the theatrical qualities of voice and image in this, her first published collection, affirming the female body as a site of vulnerability and power.

Memories of the Broken and Damned

Poetry Ambassadors presents the work of three exceptional new poets from the Solent region. It is the first publication from the Poetry Ambassadors mentoring scheme, a new programme supporting emerging literary talent co-founded by ArtfulScribe, Winchester Poetry Festival, and Will May from the University of Southampton. The work of these three poets takes in everything from Tolstoy to the Supremes, birth certificates to the underworld. Arresting, playful, and compelling, here are poems to challenge, provoke, and inspire.

Damaged Doesn't Mean Dead

"Between Broken Lines" is an outline of the author's 19 year long relationship with life. The book is a compilation of her best poems, and pieces, from different phases of her life, and as she claims, they're mostly sad. This memoir is your perfect dosage of love, heartbreak, sadness, recovery, and revival. The purpose behind writing this book was to unveil the author's most vulnerable emotions, draw a picture of her idea of this generation, link the two, and present it to the world in her very own words. In a world full of casuality and pretence, this is her attempt to bring the authenticity in people, back.

Flood Damages

This poetry collection is written by the author of "Tested Love," a dystopian romance novel. The collection discusses mental health and tragedy in many poetic ways from nursery rhyme-like passages to the 16th Century German format of the abecedarian. The author brings to light the struggle of keeping a "Christian" point of view through each of life's challenges. Note From The Author: "My poetry collection will center around mental health topics. I will be discussing feelings of depression, grief, post-traumatic stress disorder, and more. Some of the topics I discuss may be triggering to certain audiences that have fresh experience with loss or mental health. While I would love for you to relate to my work on any level, please take it at a comfortable pace if you feel that you may have certain triggers. Healing is a process that poetry can assist you in, when you are ready!"

Poetry Ambassadors

A collection of poetry created through intense Emotion. Everyone has there battles and to be able to direct your pain in such a way creates so much more meaning. Even in your darkest times there are little rays of light where producing art can help you get through.
