Almost a Scandal

Elizabeth Essex Almost a Scandal Bold, brazen, and beautiful, the Reckless Brides refuse to play by society's rules of courtship. But—come hell or high water—they always get their man... For generations, the Kents have served proudly with the British Royal Navy. So when her younger brother refuses to report for duty, Sally Kent slips into a uniform and takes his place—at least until he comes to his senses. Boldly climbing aboard the Audacious, Sally is as able-bodied as any sailor there. But one man is making her feel tantalizingly aware of the full-bodied woman beneath her navy blues... Dedicated to his ship, sworn to his duty—and distractingly gorgeous—Lieutenant David Colyear sees through Sally's charade, and he's furious. But he must admit she's the best midshipman on board—and a woman who tempts him like no other. With his own secrets to hide and his career at stake, Col agrees to keep her on. But can the passion they hide survive the perils of a battle at sea? Soon, their love and devotion will be put to the test...

Almost a Scandal

Bold, Brazen and Beautiful, the Reckless Brides refuse to play by Society's rules of courtship. But--come hell or high water--they always get their man. SHE'S ALWAYS READY FOR ADVENTURE. HE'S ALMOST READY FOR LOVE... A LADY IN DISGUISE For generations, the Kents have served proudly with the British Royal Navy. So when her younger brother refuses to report for duty, Sally Kent slips into uniform and takes his place--at least until he comes to his senses. Boldly climbing aboard H.M.S. Audacious, Sally is as able-bodied as any sailor there. But one man is making her feel tantalizingly aware of the full-bodied woman beneath her navy blues... A MAN OVERBOARD Dedicated to his ship, sworn to his duty--and distractingly gorgeous--Lieutenant David Colyear sees through Sally's charade, and he's furious. But he must admit she's the best midshipman on board--and a woman who tempts him like no other. With his own secrets to hide and his career at stake, Col agrees

to keep her on. But can the passion they hide survive the perils of battle at sea? Soon, their love and devotion will be put to the test...

A Scandal to Remember

For too long, Miss Jane Burke's father has taken advantage of her painstaking research. Heading to the South Seas to make her own name as a scientist despite the crew's insistence that a woman aboard is bad luck, she isn't prepared to be championed by a handsome ship's officer who rouses longings inside her as wild as any storm.

Scandal in the Night

SCANDAL IN THE NIGHT A Reckless Brides novel from Elizabeth Essex Assuming a false identity as a prim and proper governess, the bold and beautiful Cat Rowan thinks she has finally escaped the wild misadventures of her past—and the wickedly handsome spy who seduced her in India. Imagine her surprise when her employer introduces his brother: the very same cad who destroyed her heart! The Honorable Thomas Jellicoe cannot believe his eyes when he sees his beloved Cat—the Scottish beauty who nearly jeopardized his mission in India. Disguised as a horse trader from the bazaars of the Punjab, the British spy risked his life for one night of passion in her arms. But here and now—breaking all rules of decorum—one heated kiss ignites a flurry of gunfire. For their enemies have followed them home. And love is the greatest danger of all...

A Breath of Scandal

Shockingly brash and scandalously independent, the Reckless Brides are boldly rewriting the rules of love and marriage—one smitten bachelor at a time?THE LADY IS A KNOCKOUT Forced by her family into an engagement with a man she can never abide, Antigone Preston knows only a scandal will save her from a loveless marriage. But knocking a man down to the ballroom floor with her fists brings dangerous consequences. She may have ruined her reputation, but now she's endangered her heart?THE OFFICER IS A GENTLEMAN The son of an earl and a career navy man, Captain William Jellicoe has no interest in the frivolities of London—and even less in the institution of marriage. But there's something steering him toward Antigone. He has never met anyone as brazen and unconventional as?himself. But will he risk it all for a woman who still has the breath of scandal hot on her lips?

After the Scandal

In English society, the rules of engagement have stood the test of time. Until a Reckless Bride falls in deeply, scandalously in love... CAN AN INDECENT PROPOSAL When Lady Claire Jellicoe agreed to a walk in the moonlight, she never imagined her titled companion might have brutal motives. Nor could she have dreamed up such a brave rescue by the most unexpected savior of all: an inscrutable nobleman with a daring plan of escape—and a deliciously tempting embrace... LEAD TO EVERLASTING LOVE? Timothy Evans, the Duke of Fenmore, has palmed more treasures than he can count. Even for a man who grew up thieving in London's stews, a stolen bride should be beyond the pale. But Fenmore won't let scandal ruin the spirited beauty's reputation. And now that she's stolen his heart, how can he ever let her go...? After the Scandal is a Reckless Brides novel from Elizabeth Essex "A sophisticated blend of vivid historical detail, exquisite characterization, and delicious sexual tension." —USA Today bestselling author Julianne MacLean

A Scandal to Remember

Determined to make her name as a scientist, headstrong bluestocking Miss Jane Burke, heading to the South Seas aboard His Majesty's survey ship, is stranded on a remote island with Lieutenant Charles Dance where the passion between them is hotter than the blazing sun. Original.

A Breath of Scandal

Breath of Scandal from The Reckless Brides series Elizabeth Essex Forced by her family into an engagement with a man she can never abide, Antigone Preston knows only a scandal will save her from a loveless marriage. But knocking a man down to the ballroom floor with her fists brings dangerous consequences. She may have ruined her reputation, but now she's endangered her heart... The son of an earl and a career navy man, Captain William Jellicoe has no interest in the frivolities of London—and even less in the institution of marriage. Mad about the Marquess

Print

Mad, Plaid and Dangerous to Marry

How would you know your own true love if you didn't know yourself?A man without a futureFor Ewan Cameron, Duke of Crieff, the time has come-his carefully-planned future is about to begin. Heir to a great Highland estate, he will finally meet and marry his long-time betrothed, Lady Greer Douglas, and be happy. But on the way to his wedding, a vicious attack steals everything he holds dear-his home, his happiness, and his every memory.A woman in love with the pastAfter ten years of faithful correspondence, Lady Greer and her betrothed are two souls in perfect harmony-she has spent an enchanted girlhood in the Highlands preparing become the Duchess of Crieff. But on the day of her long-planned wedding to Ewan Cameron, fate plays a devastating hand. Without Ewan, all hope of happiness is gone. So when she happens upon a devastatingly handsome man injured on the moor, Greer convinces herself he must be her lost duke. She hides him high in the heather-clad hills so he can regain his shuttered memories-and his true love for her. But every step into the past tests their faith in each other and puts their lives in danger as his would-be assassins draw ever closer. Will the power of their love be strong enough to regain their future without losing each other-this time for good?

Elizabeth & Essex

Under the gaze of the ton!

Elizabeth and Essex

Forbidden to the undercover earl!

The Winterley Scandal (Mills & Boon Historical) (A Year of Scandal, Book 5)

One of the most famous and baffling romances in history-between Elizabeth I, Queen of England and Robert Devereux, Earl of Essex-began in May of 1587, when she was fifty-three and he was just shy of twenty. Their relationship continued until 1601, when the Earl of Essex was beheaded for treason. And, in a succession of brilliant scenes, Strachey portrays the Queen's and the Earl's compelling attraction for on another, their impassioned disagreements, and their mutual contest for power, which led to a final, tragic confrontation. Here we also have superb portraits of influential people of the time: Francis Bacon, Robert Cecil, Walter Raleigh, and other figures of the court who struggled to assert themselves in a kingdom that was primarily defined by her sovereign, and so now seen through history's lens as Elizabethan England.

The Governess Heiress (Mills & Boon Historical) (A Year of Scandal, Book 6)

View our feature on Sarah Gristwood's Elizabeth & Leicester. Though the story has been told on film—and whispered in historic gossip—this is the first book in almost fifty years to solely explore the great queen's attachment to her beloved Robert Dudley, the Earl of Leicester. Fueled by scandal and intrigue, their relationship set the explosive connection between public and private life in sixteenth-century England in bold relief. Why did they never marry? How much of what seemed a passionate

obsession was actually political convenience? Elizabeth and Leicester reignites this 400- year-old love story in a book for anyone interested in Elizabethan literature.

The History of the most renowned Queen Elizabeth, and her great favourite, the Earl of Essex. A romance. A translation of *Le Comte d'Essex. Histoire angloise*.

Elizabeth I acceded to the throne in 1558, restoring the Protestant faith to England. At the heart of the new queen's court lay Elizabeth's bedchamber, closely guarded by the favoured women who helped her dress, looked after her jewels and shared her bed. Elizabeth's private life was of public, political concern. Her bedfellows were witnesses to the face and body beneath the make-up and elaborate clothes, as well as to rumoured illicit dalliances with such figures as Robert Dudley. Their presence was for security as well as propriety, as the kingdom was haunted by fears of assassination plots and other Catholic subterfuge. For such was the significance of the queen's body: it represented the very state itself. This riveting, revealing history of the politics of intimacy uncovers the feminized world of the Elizabethan court. Between the scandal and intrigue the women who attended the queen were the guardians of the truth about her health, chastity and fertility. Their stories offer extraordinary insight into the daily life of the Elizabethans, the fragility of royal favour and the price of disloyalty.

The Death of Essex

The story of Elizabeth I, as it's never been told before-through the eyes of two ladies-in-waiting closest to her... In a court filled with repressed sexual longing, scandal, and intrigue, Lady Katherine Grey is Elizabeth's most faithful servant. When the young queen is smitten by the dashing Robert Dudley, Katherine must choose between duty and desire-as her secret passion for a handsome earl threatens to turn Elizabeth against her. Once the queen becomes a bitter and capricious monarch, another lady-in-waiting, Mistress Mary Rogers, offers the queen comfort. But even Mary cannot remain impervious to the court's sexual tension-and as Elizabeth gives her doomed heart to the mercurial Earl of Essex, Mary is drawn to the queen's rakish godson...

The Book of Scandal

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Elizabeth and Essex

A spellbinding novel about Elizabeth I from the internationally bestselling author of the *Guenivere* and *Tristan and Isolde* trilogies. Publicly declared a bastard at the age of three, daughter of a disgraced and executed mother, last in the line of succession to the throne of England, Elizabeth I inherited an England ravaged by bloody religious conflict, at war with Spain and France, and badly in debt. When she died in 1603, after a forty-five year reign, her empire spanned two continents and was united under one church, victorious in war, and blessed with an overflowing treasury. What's more, her favorites—William Shakespeare, Sir Francis Drake, and Sir Walter Raleigh—had made the Elizabethan era a cultural Golden Age still remembered today. But for Elizabeth the woman, tragedy went hand in hand with triumph. Politics and scandal forced the passionate queen to reject her true love, Robert Dudley, and to execute his stepson, her much-adored Lord Essex. Now in this spellbinding novel, Rosalind Miles brings to life the woman behind the myth. By turns imperious, brilliant, calculating, vain, and witty, this is the Elizabeth the world never knew. From the days of her brutal father, Henry VIII, to her final dying moments, Elizabeth tells her story in her own words.

Elizabeth and Leicester

Rescuing a man whose ship had been floundering at sea, Isabel Spense takes aboard ruthless privateer Simon Dante, who promptly seizes command of Isabel's ship and sets out to win the lovely maiden's heart and mind. Original.

Elizabeth's Bedfellows

Susannah elopes on impulse with Sam, a thrillseeking rebel. Together with his best friend Yank they set up a computer company in the 1960s. Their dreams have a cruel price, as Susannah is the daughter of a bigwig in a competing company. Success will mean losing her family. Is it worth it?

The Virgin's Daughters

"The Mysterious Affair at Styles" introduces readers to the iconic Hercule Poirot in Agatha Christie's debut novel. Set against the backdrop of a country estate, Styles Court, this classic mystery unfolds as Poirot investigates the poisoning of wealthy heiress Emily Inglethorp. As secrets, motives, and suspicious characters abound, readers are taken on a thrilling journey through Christie's masterful storytelling and intricate plot twists. With her keen sense of mystery and astute character development, Christie lays the foundation for a genre-defining career. "The Mysterious Affair at Styles" is a must-read for fans of detective fiction, marking the beginning of Poirot's legendary adventures and showcasing Christie's brilliance in crafting perplexing puzzles that keep readers guessing until the final revelation.

Albion's Seed

Now or Never. . . It's the last chance for Cynthia Brightly, the ton's most bewitching belle. Driven out of London by a secret scandal, she must find a grand husband at the Redmonds' house party before word of her downfall spreads all over England. Unfortunately, someone at Pennyroyal Green is already privy to the whispers of broken engagements and dueling lovers: Miles Redmond, renowned explorer and—thanks to his brother's disappearance—heir to the family's enormous fortune. Miles set his sights on Cynthia once, at a time when the ambitious beauty thought herself too good for a second son. But now he's heir apparent, relishing his control. He strikes a bargain with her: he'll keep Cynthia's steamy secrets and help her find a husband among the guests—in exchange for a single kiss. What could be the harm in a simple kiss? Cynthia is about to discover that it's enough to unleash fierce passion—and that Miles Redmond is most certainly like no other lover in the world.

I, Elizabeth

In New York Times bestselling author Elizabeth Boyle's fourth novel in the Rhymes With Love series, a resolute young woman goes toe-to-toe with the Beast of Mayfair She has no desire for love . . . As she arrives in Mayfair, Louisa Tempest is horrified when her incorrigible cat bolts from the carriage and dashes into a neighbor's house, where she comes face-to-face with the reclusive Viscount Wakefield. But even more dismaying than his foul temper is the disarray in which she finds his home. Convinced his demeanor would improve if his household were in order, Louisa resolves to put everything to rights. . . . until she meets the viscount who lives down the lane Much to his chagrin, Wakefield finds it impossible to keep the meddling Louisa out of his home, invading his daily life with her "improvements," and his nights with the tempting desires she sparks inside him. Wounded in the war, he's scorned society ever since his return . . . until Louisa opens the door to his heart and convinces him to give love a second chance.

Books and Bookmen

Eva Leigh's deliciously sexy Wicked Quills of London series continues as a Lady's secret career writing erotic fiction is jeopardized by real-life romance . . . In society circles she's known as the Watching Wallflower—shy, quiet, and certainly never scandalous. Yet beneath Lady Sarah Frampton's demure façade hides the mind of The Lady of Dubious Quality, author of the most titillating erotic fiction the ton has ever seen. Sarah knows discovery would lead to her ruin, but marriage—to a vicar, no less—could help protect her from slander. An especially tempting option when the clergyman in question is the handsome, intriguing Jeremy Cleland. Tasked with unmasking London's most scandalous author by his powerful family, Jeremy has no idea that his beautiful, innocent bride is the very woman he seeks to destroy. His mission must remain a secret, even from the new wife who stirs his deepest longings. Yet when the truth comes to light, Sarah and Jeremy's newfound love will be tested. Will Sarah's secret identity tear them apart or will the temptations of his wallflower wife prove too wicked to resist?

Hot Shot

As a perceptive and generous critic, Saintsbury's love for Victorian novels shines in 'The English Novel' as he lays out his critical essays and discussions on works by the likes of Swift, Scott, Thackeray, Austen, Dickens, and other writers of the late-nineteenth century. His positioning as a writer just after the Victorian era ended and the iconoclasts of the time had passed away makes his insights near-impossible to recreate now. This book offers a fascinating glimpse into the world of literature before the profusion of writers and genres and publishers, and is a must-read for anyone interested in the history of the English novel.

The Mysterious Affair at Styles

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. The Life of Charlotte Brontë

She lost it all and sold herself. He had it all and fell for her. "The Tender Rules of Eden" is a stand-alone novel in the Belle House series. Eva Bernal is not your ordinary courtesan. After a broken marriage, bankruptcy and social shunning, she chose the life at a luxury brothel over another loveless marriage. Did she regret it? Not a bit. An epitome of elegance and style, she made her own rules and gave herself seven years to save a small fortune and leave the profession. The seven years are up. Eva is free to do what she pleases. She is done with men, or so she thinks until she meets a shy red-haired giant, Samuel Riley, who is different from any other man she's met. So is the way he makes her heart beat. Samuel Riley is a recluse. They call him the Farmer. With his quiet demeanor and rough appearance, he could pass as one. Except he owns enough land to make him the best catch for the young unmarried women of London's Season. His friends drag him to London, intending to have fun at the raunchiest places it has to offer. Their first stop is the luxury brothel on Piccadilly. Rule #1: Don't fall in love with a courtesan. But when Samuel sees Eva Bernal in the Grand Parlor of the Belle House, he knows that nothing will ever be the same. Rules are meant to be broken. So are prejudices. So are tender hearts... Love, obsession, and plenty of steamy scenes in Book 3 of the Belle House series. WARNING: The book contains scenes of an explicit nature. The Belle House is a brothel, and many characters are of the world's oldest profession. That being said, if you have issues with any of the above, please, don't purchase or read the book, for it's not your cup of tea, and your anger is not mine. Thank you.

Like No Other Lover

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments

(using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Ulysses

In our time nobody is content to stop with faith but wants to go further. It would perhaps be rash to ask where these people are going, but it is surely a sign of breeding and culture for me to assume that everybody has faith, for otherwise it would be queer for them to be . . . going further. In those old days it was different, then faith was a task for a whole lifetime, because it was assumed that dexterity in faith is not acquired in a few days or weeks. When the tried oldster drew near to his last hour, having fought the good fight and kept the faith, his heart was still young enough not to have forgotten that fear and trembling which chastened the youth, which the man indeed held in check, but which no man quite outgrows. . . except as he might succeed at the earliest opportunity in going further. Where these revered figures arrived, that is the point where everybody in our day begins to go further.

Intro

The only reliable basis for sound government and just human relations is Natural Law.

Without religion the government of a free people cannot be maintained.

All things were created by God, therefore upon him all mankind are equally dependent, and to him they are equally responsible.

The proper role of government is to protect equal rights, not provide equal things.

Mankind are endowed by God with certain unalienable rights.

The God-given right to govern is vested in the sovereign authority of the whole people.

the United States of America shall be a republic.

The government should be separated into three branches.

A system of checks and balances should be adopted to prevent the abuse of power by the different branches of government.

Only limited and carefully defined powers should be delegated to government, all others being retained by the people.

A free society cannot survive as a republic without a broad program of general education.

"Peace, commerce, and honest friendship with all nations -- entangling alliances with none."- Thomas Jefferson, given in his first inaugural address.

The United States has a manifest destiny to eventually become a glorious example of God's law under a restored Constitution that will inspire the entire human race.

8 Facts about the SECOND AMENDMENT - 8 Facts about the SECOND AMENDMENT by Learn Liberty 265,538 views 8 months ago 18 minutes - The 2nd Amendment is so hotly debated in part because of the order of its two clauses: The prefatory clause: "A well regulated ...

A Poorly Worded Amendment?

Fact #1: The roots of the 2nd Amendment can be traced to the English Bill of Rights of 1689.

Fact #2: The 2nd Amendment ALSO has roots in STATE constitutions.

Fact #3: The 2nd Amendment went through several drafts.

Fact #4: The 2nd Amendment has a “prefatory,” or “preface” clause, and an “operative” clause.

Fact #5: History has not looked kindly upon previous attempts to regulate guns.

Fact #6: The two major political parties used to be flipped on the interpretation and implementation of the 2nd Amendment.

Fact #7: There was another attack on the 2nd Amendment in 1994.

Fact #8: American police are increasingly militarized.
