L'homme à cheval

Utilisation du cheval à travers les siècles. Absence de carte géographique. Vocabulaire parfois difficile.

L'homme à cheval

L'évolution des rapports entre le cheval et l'homme sous forme de BD...

L' Homme a Cheval

Présente les différents types de chevaux et leur mode de vie.

The Man on Horseback

1669, aux écuries de Saint-Germain, monsieur Jean, le maréchal du duc de Lude, présente à la Cour les chevaux que le Bey de Tunis a envoyés en présent au roi Louis XIV. Caché dans le foin, un témoin d'une douzaine d'années, Gaspard, est fasciné par ce qu'il aperçoit. Des chevaux, il en a déjà vu des centaines. Mais là, le spectacle lui coupe le souffle. Il vient de tomber sous le charme du Turc, un petit étalon alezan brûlé dont la fougue et la beauté ne sont en rien comparables à tout ce qu'il connaît déjà : Gaspard vient de découvrir ce qu'est le " sang \

Lexique de l'homme de cheval

REVER ET DECOUVRIR. La photographe Zsuzsanna Wagenhoffer transmet dans ce livre son regard singulier sur le cheval. Tour à tour merveilleux, renversants ou cocasses, ses clichés révèlent la beauté fascinante de cet animal qui incarne la liberté, nous rapproche de la nature et partage notre quotidien. Sensibilité, organisation sociale au sein du troupeau, interactions avec l'homme... La Cense nous fait découvrir l'univers du cheval en 160 photos accompagnées des textes instructifs de l'éthologue Déborah Bardou. Le comportement de l'animal est saisi dans toute sa complexité, tout comme les émotions de la relation homme-cheval. Un livre somptueux pour tous ceux dont le cheval nourrit l'imaginaire. Créé en 2000, le haras de La Cense délivre aux professionnels tout comme aux passionnés de chevaux des diplômes reconnus par l'Etat, l'université et la FFE. Poursuivez l'expérience de la relation homme-cheval en téléchargeant gratuitement 10 clichés exclusifs de Zsuzsanna Wagenhoffer en haute définition. Rendez-vous sur le site www.lacense.com/jaiuncode

Précis de l'homme de cheval

Quand le cheval guide l'homme est un livre de fiction racontant l'histoire de Michel, un cavalier de saut d'obstacle de haut niveau, qui, lors d'une grande compétition, au cours de laquelle il était sur le point de gagner la coupe du Monde, fait une chute

L'homme à cheval

Antoine Cartier d'Aure, né en 1799 à Toulouse, fils posthume d'un ancien garde du corps de Louis XVI, sorti du Prytanée militaire de La Flèche, fut à l'âge de quinze ans, en 1814, élève-écuyer à l'Ecole de Versailles, conservatoire de la doctrine équestre française, codifiée au XVIIIe siècle. Ecuyer cavalcadour de Louis XVIII et de Charles X, il passe, en 1827, à la tête du manège de Versailles. Après sa fermeture en 1830, il devient pour seize ans le prince des maîtres de manège parisiens, sous Louis-Philippe. Puis, nommé Ecuyer en chef à Saumur, il y dirige l'instruction équestre de 1847 à 1855. En 1856, il devient Ecuyer Inspecteur des Ecuries Impériales ainsi que Inspecteur des Haras Impériaux. Jouissant alors d'une renommée européenne, il va disparaître prématurément en 1863.

Le Cheval et l'homme

La part la plus spectaculaire de l'histoire humaine -invasions mongoles, guerres napoléoniennes, conquête de l'Ouest -évoque irrésistiblement les grands mouvements de cavalerie. Mais le cheval était aussi présent, il n'y a pas si longtemps, sur les routes, les chemins de halage, dans les champs, les villes, les usines, au fond des mines. Aucun animal n'a été aussi proche de l'homme, aucun ne l'a autant fasciné. Puissant et fougueux, il ne se laisse contrôler, aujourd'hui encore, qu'au prix de trésors d'attention, d'intelligence, de sensibilité. Loin d'être le serviteur de l'homme, le cheval est sa force. L'un et l'autre sont liés par l'histoire d'une conquête réciproque, que Jean-Pierre DIGARD s'attache ici à retracer.

Connaissances complètes du cavalier, de l'écuyer et de l'homme de cheval

Du débutant au pratiquant confirmé, cet ouvrage de référence donne toutes les clefs pour devenir une femme ou un homme de cheval. Vous apprenez à connaître et à comprendre l'animal, grâce à l'éthologie : sa nature, ses comportements, son rythme de vie ... Vous découvrez comment communiquer avec le cheval : quelles règles respecter ? Quelle progression suivre ? Quelles attitudes adopter ? Les professionnels de La Cense livrent leur expérience en 10 principes d'éducation du cheval. Vous développez votre savoir-faire, grâce aux 128 exercices de la Méthode La Cense. Progressez à votre rythme et approfondissez votre relation au cheval, guidé par une pédagogie moderne : supports vidéo accessibles en ligne, fiches techniques détaillées, illustrations et conseils pratiques. Forte de vingt années d'expérience, La Cense accompagne votre passion ! Dans cet ouvrage, retrouvez l'intégralité des programmes Des cinq SAVOIRS ETHOLOGIQUES de la Fédération Française d'Equitation Des huit DEGRES DE LA CENSE.

Causeries d'un homme de cheval, par M. Bergeaud de Verneuil

Depuis des milliers d'années, le cheval est un fidèle compagnon de l'homme, à la fois puissant et majestueux. S'il est un atout incomparable lorsqu'il participe aux chasses et aux guerres, son élégance naturelle et les nombreuses subtilités de sa robe font aussi de lui une star des compétitions. Ce livre se veut un hommage autant qu'un panorama complet de la plus belle conquête de l'homme. A travers plus de cent superbes photographies, découvrez les races de chevaux les plus emblématiques mais aussi

les plus inattendues. Partez à la rencontre de ces peuples autour du monde qui vivent toujours en lien étroit avec les chevaux : cow-boys, gardians, afghans, mongols... Enfin, retrouvez les plus célèbres courses hippiques et leurs grands champions, ainsi que les différentes formes de loisirs et spectacles équestres comme la voltige, le rodéo ou le polo.

Incroyables secrets sur la relation homme/cheval

Au dire des spécialistes, Monty Roberts accomplit des miracles. Fils de dresseur, il monte pour la première fois à un an. À treize ans, il part seul dans le désert du Nevada pour observer les mustangs en liberté. Ce qu'il apprend alors sur leur comportement et leur mode de communication change sa vie pour toujours. Dès lors, il se consacre entièrement aux chevaux et met au point sa méthode de dressage révolutionnaire, fondée sur un échange entre l'homme et l'animal, une confiance mutuelle, dénuée de violence et de contrainte. En 1990, une éblouissante démonstration effectuée devant la reine d'Angleterre consacre sa notoriété mondiale. Plus qu'un témoignage sur son amour et son intime compréhension du cheval, un message de vie.

Connaissances complètes du cavalier du l'écuyer et de l'homme de cheval ...

Plus que d'une tradition, plus que d'un art de vivre, plus que d'un sport, c'est d'un certain génie de la France que Xavier Patier se fait l'illustrateur dans ce petit livre plein d'esprit. Escorté de Saint-Simon, Chateaubriand ou Julien Green, inspiré par sa propre expérience de veneur, il propose une célébration de tous les chevaux, à travers le cheval de chasse. Le sentiment du cheval, le choix du modèle, l'écurie, l'entraînement, les astuces de dressage, la recherche de l'harmonie et bien d'autres choses sont évoquées en sept leçons inattendues, brossant le portrait en actes du plus fascinant des compagnons de l'homme. Mais du plus héroïque aussi. Car cette caracolade littéraire vaut bien un traité de l'apprentissage aux vertus. Au pied de Berchtesgaden, alors qu'on lui demandait quel était son secret de stratège, le général Leclerc ne répondit-il pas : « La chasse à courre, mon vieux » ? Xavier Patier est l'auteur de nombreux romans et essais couronnés par divers prix dont, au Cerf, Blaise Pascal, la nuit de l'extase.

Lexique de l'Homme a Cheval

Pourquoi le cheval continue-t-il à exercer une telle fascination, un tel enthousiasme, de telles passions, alors qu'il a cessé depuis longtemps d'être un animal utilitaire ? Pourquoi tant d'hommes et de femmes, de garçons et de filles trouvent-ils auprès du cheval un refuge, un exutoire, une solution à leurs problèmes de toutes natures : manque de confiance en soi, manque d'amour, difficulté d'affronter une vie professionnelle ou sentimentale compliquée ? C'est ce mystère que cherche à percer ici Agnès Galletier, en s'appuyant sur son expérience personnelle, mais aussi sur l'avis d'une douzaine de praticiens aux compétences reconnues : psychologues, équithérapeutes, spécialistes du développement personnel. Parmi les personnalités consultées par Agnès Galletier, on trouve aussi de très grands cavaliers, comme Kevin Staut (champion d'Europe de C.S.O.), de très célèbres dresseurs, comme Frédéric Pignon, mais aussi un vétérinaire, un historien, un politologue et des représentants de médecines ou techniques nouvelles : shiatsu, ostéopathie...
