Wie fing alles an?

Was ist der UPS-Bericht?

Was ging in deinem Kopf vor?

Was passierte mit deinem Körper?

Wie kam es zum Tod?

Was hast du in dieser Zeit erlebt?

Wie ging es dir jetzt?

Hattest du sowas himmlisches erlebt?

Was hast du gerade erzählt?

Was hat sich in dir verändert?

Hast du Jesus richtig gegenübergestanden?

Du bist ja auch für kranke.

Du machst es überhaupt, weil du glaubst, dass Jesus das tun kann.

Das Gebet hat eine große Rolle gespielt.

Was würdest du sagen?

Was ist dein Herzensbekenntnis?

Thrust from the Hand of God

One selfless act, one naïve decision, so innocent in the making, so condemning in effect, how foolish John had been not to expect trouble to follow. Murder or self-defense, what did it matter? One man was dead and another wanted revenge. Having grown up with a silver spoon in his mouth, John is a young man who sets out on an adventure of self-discovery. His confidence is on the rise until a single failure in judgment sends him fleeing for his life. Wanted for murder, John's flight carries him throughout a nation broken by war and stitched together by the transcontinental railroad. Along the way he encounters an array of colorful characters. Friend or enemy, mentor or tormentor, each will have a profound impact on John and his fate. Hounded by a mercenary posse, John must remain a step ahead to survive while waiting for a resolution he fears will never come.

Thrust from the Hand of God

An audacious excursion into the life of the third figure in the Holy Trinity, "The Left Hand of God" interweaves scholarship with religion, myth, and culture to expertly trace the influence of the Holy Spirit throughout the ages.

The company has been scattered far and wide in its mission to prepare Faltha for war - now the armies of the Destroyer are near and invasion is imminent. Leith has returned to the city of Instruere. Bearing with him the legendary Jugom Ark, thousands flock to him to fight for Faltha in the coming battle. But Leith struggles to accept their faith in him, and his role as custodian of this sacred artifact. As the land darkens under the shadow of impending battle, the company must strive against treachery and self-doubt - for a great evil approaches.

The Left Hand of God

There is a place in Him where we can be in touch with Him, where no talking is necessary. This is like when a young couple first falls in love, they just want to be in each others presence; they can sit in each others company for hours. They are communicating on an intimate level where words are not

necessary. I have seen couples adjust their schedules just to be with each other. They will stay up late, even if they have to get up early for work the next day; they will hang on the to the phone for hours just to hear the others breath. They are chatting with their hearts to each otherheart to heart, breast to breastconversing. Most of us do not know Him with this level of intimacy, and the sad part is that we do not know Him. It is possible to know a great deal about God without much knowledge of Him. We often find ourselves having a deep interest in religion, and this is all well, but the ability to be able to think clearly and talk well about Christian subjects is not the same as knowing Him One must know the heartbeat and pulse of God in order to stay closely connected with Him.

The Hand of God in History

Excerpt from The Hand of God in History: Or Divine Providence Historically; Illustrated in the Extension and Establishment of Christianity "The history of the world is gradually losing itself in the history of the church." "The full history of the world is a history of redemption." "In no period of the history of redemption, not even when preparing the fullness of time for the Messiah's advent, has the providence of God been more marked than of late years, in its bearing on the extension of the Redeemer's kingdom." "The providence of God, in respect to this work," says another," would form one of the most interesting chapters in the history of his government." "To the casual observer of Providence, to the ordinary reader of this world's history, the whole appears like a chaos of incidents, no thread, no system, no line of connection running through it. One course of events is seen here, and another there. Kingdoms rise on the stage one after another, and become great and powerful, and then pass away and are forgotten. And the history of the church seems scarcely less a chaos than that of the world. Changes arc continually going on within it and around it, and these apparently without much order." The Annotated Book of Common Prayer

As our ancient ancestors had prophesied, a great catastrophe befalls the Earth and its inhabitants, laying waste to humankind's once great civilizations. For billions the world ended... but some had read the signs and heeded the warnings and those that could planned for their clandestine survival... a new era was dawning. Seven decades on and the next phase in human evolution has begun amongst the oppressed descendants of our forefathers. These "Gifted" beings are hated and hunted by the enforced

militia, suffering servitude. They are manipulated by their enigmatic overlords, a soulless legion of something that was human... once. A fading light, hidden away for years and cloaked from the darkness poisoning their world, awaits patiently. It guides the "Gifted," bringing their spirits home and paving the way for humanities final stage of evolution. But the countdown to extinction has begun and as The Hand Of God makes its final move, so the end game commences...

The New Testament of Our Lord and Saviour Jesus Christ

The English Version of the Polyglott Bible

This book speaks of the mighty hand of God in the life of Daniel Okorie. It tells of God's love, protection, and blessings in time of trials, persecution, and pain. It reveals dreams, visions, and revelations shown to Daniel as well as outer body experiences that Daniel encountered. Daniel also expounds on other subjects such faith, dreams, the prophetic, angels and even hell.

Forcing the Hand of God

The book explores the danger posed by Christian fundamentalism - a doctrine that is sweeping America. Leaders of the doctrine proclaim that God wants - even demands - that Planet Earth be destroyed in our generation. Adherents to this doctrine are said to constitute the fastest growing movement in Christianity today. Fundamentalist Evangelicals believe there will be catastrophic events on earth, some occurring already, including the turmoil in the Middle East, culminating in the Battle of Armageddon in which Christ will triumph and begin ruling the earth. At this point, they believe, non-believers will be destroyed, good Christians saved and any remaining Jews converted to Christianity. By praying for their Rapture and the End of Time, might they Force the Hand of God -- to bring it about? The book also includes CBS 60 Minutes program, Zion's Christian Soldiers and an interview with Jerry Falwell. Grace Halsell (1923-2000) served President Lyndon Johnson as his speech writer for three years. She covered both Korea and Vietnam as a journalist and wrote for newspapers in the U.S., South America, Europe, Russia, China, Japan and the Middle East. She wrote fourteen books among them the well-received Soul Sister, Prophecy and Politics: Militant Evangelists on the Road to Nuclear War, Journey to Jerusalem and The Illegals. The Hidden Hand of God

In Separation from the Common, author Zacharias Tanee Fomum shares his personal journey of obedience to God's call to live a life of separation from the ordinary. Fomum's journey began with small steps of obedience, like giving away his suits when God asked him to, but it soon became a radical commitment to living a life different from what obtains in the world around him. Using biblical examples and others from Church history, Fomum makes the case that all who are called by God to specific tasks are called away from the ordinary life and to uncommon lifestyle. He argues that success and distinction come at a great price and that responsibility curtails a person's freedom. Fomum's book challenges readers to consider whether they are willing to pay the price for success and follow the narrow way that Jesus walked. Through his own story and reflections on the Scripture, Fomum offers encouragement to those who are willing to heed God's call to a life of separation from the common. He reminds readers that they can hear God's voice and that He will be their guide and helper on the path to success in Him. Separation from the Common is a challenging and inspiring call to a radical commitment to Christ and a life that stands out from the crowd.

The Hand of God in History

The Green Eyed Monster rears its head in the strangest places. Who would have thought that a homeless boy could ever become a threat to the man in the pulpit? Hand of God is the story of David Anthony Elliot's (Dae) chance meeting with Bishop Theodore Wallace. When Bishop Wallace asks for Dae's help in finding his son, Bishop is convinced that God has put Dae in his life for a reason. Eventually Bishop has the opportunity to return the favor for Dae and in exchange Bishop ask Dae just to attend G.A.M.E Greater American Ministry Evangelical Mission. After a reluctant visit, Dae finds a new life in G.A.M.E and Bishop takes him under his wing. However, Dae's enthusiasm for the ministry sparks jealousy and eventually hatred in the Bishop. When a tragedy occurs, Bishop's true feelings manifest themselves. In this urban sensous novel, the man of the cloth and the boy of the streets have to learn to depend on the hand of God to lead them through the unexpected twist and turns to salvation.

The Hand of God in History

Deep in the heart of Broadway, there lurks a creature so outrageous, so scandalous, so totally surprising...and so refreshingly, shockingly true. This is Tyrone, the scene-stealing sprite who springs hilariously to life in this brilliant, Tony-nominated thrill ride of a comedy. True, Tyrone may be an inanimate object, but his riotously raunchy riffs on everything from love to faith shake a small Texas town to its core, while proving that it is both sinfulness and saintliness that make us all truly human and utterly alive.

The Hand of God

Nelda Bachle Moffatt was born in Austin, Texas (1925), while her father worked on a PhD in education. She is a second generation American. Her parents and grandparents provided a European viewpoint, even in the hinterlands of Texas, along with a love of history. When her sons took history in junior high school, she felt they needed an overarching framework on which to hang everything they learned. She vaguely saw that the basis of the framework was the Bible and Christianity along with man's fund of knowledge. She felt a duty. But when she grasped the enormity of the task, she explained to God that no one person could do it. And if one could, she was the very last person. Nevertheless was the answer that came back to her. God knew all of that. Besides, God always uses the most unlikely person, so we know that the work is all His. Books fell into her hands at just the right time as she browsed book stores, libraries, even books from her son's Plan II courses at UT. After thirty years of study, plus insightful experiences over most of the twentieth century, the result is The Right Hand of God. As the cover states, it examines the Bible and Christianity in the context of history--from creation to the twenty-first century. Did it succeed?

The author's aim in writing this, his last book, was to show the relevance of the Bible's teaching on the sovereignty of God to the lives of all men and women everywhere. Not only does this great truth stretch and enlarge the human mind, it also brings much needed comfort to the "broken and contrite" human heart.

The Mighty Hand of God

This book describes the authors interesting experiences with emphasis on Gods interventions. The Early Years describes what his life was like during the Great Depression. Growing Up describes his life from age six through graduation from high school. The Military section describes his years of service in the air force, where he acquired lifelong knowledge and skills. With Martin-Marietta, the author worked on the Titan missile program during the ballistic missile race with Russia. Following this are God-driven events leading to marrying his wife Pamela. The book continues with his work career and family showing God's continued leading throughout this period. The book takes the reader through the most difficult period in Carlton's life: the death of his son Michael. The Carney Associates portion of the book describes his work as an independent consultant until his retirement in 2000. Since retirement, Carlton has had several life-threatening medical problems. His faith was again tested with his wives death to cancer in 2014. He became a member of a nondenominational local Christian church involving different activities. He is a cancer survivor. His recent health problems limited his movements while providing him the time to complete this book.

Forcing God's Hand

JELENA BANGO (aka Helena Kvajic ROchstein) grew up in the land of the crossroads of cultures. She was born in Belgrade in 1939, at the beginning of the Second World War. During the war she lost her father. Her mother Marija immediately moved the baby into Legrad, a small village in Croatia. There, Jelena grew up sheltered by the Catholic nuns of the church and by the quietness of the mystical surroundings of the rivers Drava and Mura. Jelena's heart was always wide open to God while, at the same time, her mind was open to learning about the other cultures and religions. Under the guidance of the hidden hand of God, Jelena relocated to Paris, France, and shortly after, to Montreal, Canada. There she married into the Eastern Orthodox religious culture. She could never understand the reasons for religious separation of the churches and this was the hidden pain of her heart. Few years, the family moved to New York, and to the East Coast of Florida. Jelena continued her search for the meaning of life. She found A.M.O.R.C. and she became an enthusiastic student of Ancient Wisdom and Philosophy. The hidden Hand of God then thrust her into the Jewish mystical and cultural environment. This opened deeper the path of Light at the call of her soul. Today, Jelena understands more profoundly other people's struggles for Light, and she appreciates more deeply her own religion. Poetry writing was the means of her heart's language. Poetry could easily open the gates of the muses. The universe became Jelena's garden. Jelena is grateful to God, to her family and to everyone who graciously contributed to the growth of her soul into Light.

Oathbreaker

A century since the departure of the Gods, the Three Nations are now united beneath the Tsar. Magic has been outlawed, its power too dangerous to remain unchecked. All Magickers must surrender themselves to the crown, or face imprisonment and death. Alana's mundane life has just been torn apart by the emergence of her brother's magic. Now they must leave behind everything they've ever known and flee – before the Tsar's Stalkers pick up their trail. Tasked with hunting down renegade Magickers, the merciless hunters will stop at nothing to bring them before the Tsar's judgement. As the noose closes around Alana and her brother, disgraced hero Devon finds himself at odds with the law when he picks a fight with the wrong man. The former warrior has set aside his weapons, but now, caught between the renegades and the Stalkers, he is forced to pick a side – the empire, or the innocent. An original epic fantasy book with dragons, gods and magic, packed with action, adventure, swords and sorcery, by New York Times Bestselling Author Aaron Hodges.

Wrath of the Forgotten

In the crucible of progress, sacrifices must be made. The weak must fall to make room for the strong. Haunted by the devastating loss of Chris, Liz finds solace waging a solitary war against the oppressive government. Driven by vengeance and consumed by grief, she unleashes her formidable powers against the regime that stole everything from her. But even a girl with wings and superhuman abilities has her limits, and as Liz's reckless pursuit of justice escalates, she unwittingly sets the stage for a reckoning. As Liz battles her personal demons, a greater threat looms—the insidious spread of the Chead. Guided by the ancient and enigmatic Talisa, these creatures ravage the land, leaving towns in ruins and slaughter in their wake. Their merciless rampage spares only the young, consigning them to a fate that will transform them into monsters themselves. In a world teetering on the edge, the tyrannical government might just be humanity's last hope. In this heart-pounding conclusion to the Evolution Gene trilogy, the forces of good and evil collide, pushing the indomitable spirit of humanity to the brink. As alliances are forged and shattered, and the line between enemy and ally blurs, it all comes down to one choice. Will Liz's thirst for revenge lead to redemption, or will the world fall?

Dreams of Fury

Witness the dawn of a new era, where the threads of destiny unravel and a new species emerges from the shadows. Brace yourself, for the world will never be the same again... In the aftermath of their harrowing escape from nightmarish laboratory of Doctor Halt, Liz and Chris find themselves thrust into a perilous struggle for survival. The taste of freedom is bittersweet, stained by the price of friends left behind. Meanwhile, the relentless government hunters pursue them with unyielding determination, threatening to return them to their cages. But Liz and Chris are no longer the innocent teenagers who were ensnared in Halt's web of cruelty. Their very essence has been altered, forcing them to shed their innocence and embrace the darkness within. Hunted and despised, society may have labelled them as traitors, but Liz and Chris are determined to expose the government's lies to the world. Only then might they stand a chance of salvaging their shattered lives. Discover the thrilling continuation of this dystopian trilogy, as Chris and Liz struggle for justice, survival, and the ultimate

reclamation of their humanity. With the odds stacked against them, they must unveil the chilling reality beneath the government's deceitful façade, even as their own identities teeter on the precipice of transformation. Prepare for a breath-taking journey that ignites the spirit of rebellion and leave readers eagerly anticipating the fate of these extraordinary beings in a world forever altered. In this electrifying sequel, the stakes have never been higher as our defiant renegades navigate a treacherous landscape, hunted and despised. With their newfound powers pulsating through their veins, they must summon the courage to unravel the secrets shrouded in shadows, seeking redemption and vindication in a world determined to bury the truth.

Descendants of the Fall

In a world where progress has stifled the very essence of human evolution, a terrifying future waits... The year is 2051, and the Western Allied States have emerged as the dominant power in North America. However, a sinister plague is spreading like wildfire, transforming its victims into something unimaginable. They call them the Chead, and where they walk, destruction follows. Across the nation, the search for a cure becomes paramount. As fear tightens its grip, the government's ironclad control grows, thriving on obedience and conformity. In this treacherous landscape, eighteen-year-old Chris, a seemingly ordinary young man, believes in the illusion of safety. Until the night they come for him. Branded a traitor, Chris is abducted and taken to a clandestine facility deep in the Californian mountains. There he becomes an unwilling subject in a diabolical experiment aimed at reshaping humanity. The odds of emerging unscathed are slim. But death is a privilege reserved for the fortunate few. Can Chris overcome his new reality and find a glimmer of hope in the darkness? Or will he succumb to the merciless powers that threaten to consume him and everything else in this grim world? Prepare to be captivated by a relentless and gripping dystopian trilogy that marries the intensity of *The Hunger Games* with the revolutionary spirit of *Red Rising*. In this heart-pounding tale, readers will be left breathless, contemplating the limits of humanity and the sacrifices required to reclaim freedom from the clutches of a merciless dictatorship.

Carnage

Great start to a new series! Interesting characters and a unique storyline set in a world that begs to be explored or in this case survived. Definitely worth checking out!" Centuries ago, the world fell. From the ashes rose a terrible new species—the Tangata. Now they wage war against the kingdoms of man. And humanity is losing. Freshly graduated from his military academy, twenty-year-old Lukys marches south toward the frontier, where the Tangatan forces are gathering for a final assault. Desperate to halt the enemy advance, the allied armies plan to thrust unseasoned recruits into the heart of the battle. It will be a slaughter. But Lukys is determined to survive, and he seeks assistance from the only man who seems to care—Romayn, the last warrior off a broken kingdom. Meanwhile, the Queen's Archivist leads an expedition into the depths of the earth, seeking the secrets of the Gods. Their magic was lost to the ages, but artefacts remain, objects of power that could turn the tide of the war. But salvation might not be the only thing that waits beneath the surface. Something older slumbers in the darkness. And now it stirs... Immerse yourself in this sweeping military fantasy novel, a masterful fusion of *The Shannara Chronicles* and the enchanting worlds of Brandon Sanderson. Written by acclaimed New York Times Bestselling Author Aaron Hodges, this complete epic fantasy series delves into a realm of swords, sorcery, and epic battles that will leave you captivated from start to finish.

Havoc

When Knights attack the town of Skystead, seventeen-year-old Pela is the only one to escape. Her mother and the other villagers are taken, accused of worshiping the False Gods. They will pay the ultimate price – unless Pela can rescue them. Pela has never left the safety of her town, let alone touched a sword. What chance does she have against the ruthless Knights of Alana? She's not a hero. But she knows one. Her uncle Devon was a mighty warrior once, in times when magic filled the world. Age has withered his strength and he retired long ago, but maybe he will answer the call of family. Can Pela convince him to stand against the darkness one last time?

Reborn

For five hundred years the Gods have united the Three Nations in harmony. Now that balance has been shattered, and chaos threatens. A town burns and flames light the night sky. Hunted and alone, seventeen year old Eric flees through the wreckage. The mob grows closer, baying for the blood of

their tormentor. Guilt weighs on his soul, but he cannot stop, cannot turn back. If he stops, they die. For two years he has carried this curse, bringing death and destruction wherever he goes. But now there is another searching for him – one who offers salvation. His name is Alastair, and he knows the true nature of the curse. Magic. An original epic fantasy novel with dragons, gods and magic, packed with action, adventure, swords and sorcery, by New York Times Bestselling Author Aaron Hodges.

Warbringer

A man outside of space and time, Mikael Heaton wakes in a new world. One hostile to his very existence. Offworlders are not welcome in the Seventh Realm. With his memories veiled, Mikael must defy his limitations and forge new alliances if he is to survive. There is power in this world—magic. Impossible, his instincts scream. Here though, its secrets could mean the difference between life and death. As his journey unfolds, Mikael uncovers pieces of his forgotten past. Of a world of technological wonders. And a dark secret, one best left buried. A mortal does not simply cut the ties of reality without sacrifice. But there are greater forces at play in the Seventh Realm, and Mikael will need every scrap of cunning and resolve he has at his disposal to outwit them. Can an Offworlder reforge his destiny in a new world? Or will the forces beyond the veil crush him before he has the chance?

The Knights of Alana

Victory. With the aid of Mikael Heaton—the man from another world—the Highland clans have repelled the forces of Gurria. But their efforts have woken a slumbering beast. When Gurria returns, it will not be with a mere hundred soldiers, but legions. The Highlands need allies, but now the world knows what Mikael is, that's no easy task. The seers call him the Voidlight. Destroyer of Worlds. And with his memories of Earth returning, their prophecies may not be far off the mark. Not to be deterred, Mikael seeks new friends in enemy territory. Skarta was conquered long ago, but revolution is bubbling beneath the city's surface. Can a despised Offworlder convince them to rise up against their Gurrian overlords? Or will the Highlands fight alone—and fall like those who came before them? In this electrifying sequel, prepare for a battle of dimension distorting proportions as Mikael Heaton faces his most formidable test yet. The fate of an entire clan rests on his shoulders, and the outcome will shape the course of the Seventh Realm. With stunning twists, heart-stopping action, and a breath-taking climax, this gripping sword and sorcery sequel will leave readers on the edge of their seats, anxiously awaiting the final verdict: salvation or oblivion.

The Sword of Light

The reign of the Alfur has ended. Talamh has been liberated. For once, humanity are the conquerors. So why does Rydian Holt feel like they lost? With the destruction of the Haze, Talamh has been revealed to the universe. But the realm beyond their world is not what Rydian and his fellows were told. The Alfur lied. It is not they who rule the galaxy, but humanity. Led by the autocratic Federation, their empire spans galaxies. Returning to Talamh after six months training his powers, Rydian finds his former masters enslaved. Condemned to fight and die in the arena, few of the Alfur remain. Conquerors they might have been, but Rydian can't help but wonder if this was the fate they deserved. Afterall, some had helped him. Some had saved him. He can't fight the Federation. Not alone. But there are still mysteries on his home world, powers that even the Federation fear. Can Rydian Holt unlock the secret of their species' shared past and finally bring peace between human and Alfur? Or will his desperate gamble lead to the destruction of everyone and everything he has ever known?

Darkstrider

On the wild planet of Talamh, humanity thrived... ..until the alien Alfur conquered their world. Now, defeated and broken, humanity serves their immortal overlords. And pleads to the stars for a hero. Rydian Holt is nothing, nobody. Just another human from the streets of Talamh. Or at least, that's what he thinks—until his mother is caught up in a fledgling resistance group. Branded a traitor and sentenced to fight in the arena, now Rydian must face hardened gladiators in single combat. To survive and advance through the ranks, he'll need the help of an enigmatic weapons master—and more than a little luck. But after a lifetime of servitude, survival is no longer enough for Rydian. He seeks a way to fight back— not just against his fellow gladiators, but against the Alfur themselves. If Rydian can uncover their greatest secret—the truth about the mysterious Light that powers their world—he might just win his freedom.

Voidlight

Rydlan Halt has defeated one of the immortal Alfur, the alien species that has ruled over humanity for generations. With newfound power burning in his veins, for a brief moment, anything seemed possible. Freedom for himself, for his people, for all of Talamh. Until the Haze struck. Now cast into the wildlands of Talamh, Rydlan struggles for survival—and his very sanity. Each time he uses his new power, the Haze threatens, tearing at his mind. But without its aid, Rydlan won't last a day against the beasts that stalk him. He needs an ally, one that can teach him about the Light that now burns within him. The Alfur have kept its secrets close, but there is one who might aid him, an Alfur who seems too loath her own people almost as much as any human. Rotin, gladiator of the Alfur.

Conquest

Son to a hero. Brother to a legend. Logan Kaine has spent his entire life in the shadows. Now he must forge his own path. When a mysterious island veiled in mists appears in the Northern Sea, Logan knows his time has come. The plan is simple: journey to the island, uncover its secrets, return a hero. But the best laid plans come to ruin when Logan's ship is destroyed. Stranded on the island, he discovers a realm of magic and wonder. Strange creatures prowl the jagged shoreline, offering impossible powers to those with the courage to tame them. And death to those who fail. Logan must unravel the secrets of the island and its magical beasts if he's to find a way back home. But he's not the only human on this world. Zachary Sicario, master thief and assassin, wants the island's magic for himself. Only one can claim the power. Will Logan finally seize his chance to become a hero?

Defiant

In a world where progress has stifled the very essence of human evolution, a terrifying future waits... The year is 2051, and the Western Allied States have emerged as the dominant power in North America. However, a sinister plague is spreading like wildfire, transforming its victims into something unimaginable. They call them the Chead, and where they walk, destruction follows. Guardian

High in the mountains, Pela and Ruebyn have finally escaped the deadly Knights of Alana. But the future remains uncertain, their only way forward the forbidden lands of Trola. Buoyed by their recent victory, Pela is confident they can overcome whatever lies ahead. When they find the Trolan countryside empty, its villages abandoned, they realise nothing is as it seems in the western nation. There is an evil on the air, an ancient darkness that neither sword nor magic can fight. Meanwhile, King Braidon has earned a victory against his treacherous wife and her zealous Knights. If only the war could be so easily won. Marianne still holds the capital, and has magic enough to conquer the Three Nations. Braidon must gather the forces of good beneath his banner, and fast, before the queen can march on his stronghold.

Untamed Isles: The Path Awakens

When Knights attack the town of Skystead, seventeen-year-old Pela is the only one to escape. Her mother and the other villagers are taken, accused of worshiping the False Gods. The Evolution Gene: The Complete Trilogy

Enslaved in the mines of Lonia, Pela has forgotten the last time she saw the sun. For days uncounted she has toiled, scorned by her captors, forgotten. Her jailers think her cowed, but the blood of a warrior flows in her veins. When a new overseer arrives, Pela sees an opportunity. The man is young and untrained – he could easily be deceived. Meanwhile, the Plorsean King has been cast down. Supported by the Knights of Alana, his wife has seized the crown and plunged the nation into chaos. But the king is not dead yet. His champion slain, his throne usurped by the woman he loved, Braidon has nothing left but his rage. What better weapon to use against his treacherous wife?

Daughter of Fate

Fifteen-year-old Raim lives in a world where you tie a knot for every promise that you make. Break that promise and you are scarred for life, and cast out into the desert. Raim has worn a simple knot around his wrist for as long as he can remember. No one knows where it came from, and which promise of his it symbolises, but he barely thinks about it at all - not since becoming the most promising young fighter ever to train for the elite Yun guard. But on the most important day of his life, when he binds his life to his best friend (and future king) Khareh, the string bursts into flames and sears a dark mark into his skin. Scarred now as an oath-breaker, Raim has two options: run, or be killed.

Queen of Vengeance

Torak is alone and on the run. Rejected by the clans and hunted by all who cross his path, he hides out in the haunted reedbeds of Lake Axehead - where he falls prey to an even greater menace.

Dark Blade

In this second half of the Oathbreaker story, Aron, the apprentice to the assassin's guild, his master, Stormbreaker, his teacher Dari, and his mysterious acquaintance, Nic, join their formidable talents of mind and body as they battle the leaders who want to destroy their land. Whether Nic can take his rightful place as the king of Eyrie, whether anyone can win Dari's heart, and whether Aron can control his own strengths for the good of all are just some of the mysteries that will be solved as this story comes to its violent and thrilling conclusion.

The Three Nations: Discover a World of Gods, Dragons, and Magic

'Brandon Sanderson is one of the greatest fantasy writers' FANTASY BOOK REVIEW From the bestselling author who completed Robert Jordan's epic Wheel of Time series comes a new, original creation that matches anything else in modern fantasy for epic scope, thrilling imagination, superb characters and sheer addictiveness. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive series, humanity faces a new Desolation with the return of the Voidbringers, a foe whose numbers are as great as their thirst for vengeance. The Alethi armies commanded by Dalinar Kholin won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, and now its destruction sweeps the world and its passing awakens the once peaceful and subservient parshmen to the true horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that their newly kindled anger may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths the dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put Dalinar's blood-soaked past aside and stand together - and unless Dalinar himself can confront that past - even the restoration of the Knights Radiant will not avert the end of civilization. 'I loved this book. What else is there to say?' Patrick Rothfuss, New York Times bestselling author of The Name of the Wind, on The Way of Kings

Child of the Sword

The tyranny of the gods is absolute, and they are capricious, malevolent and almost all-powerful, playing cruel games with the fates of mortals for their own ends . . . A vibrant and powerful epic set against an alternate Bronze Age, this tale of gods, men and monsters, conspiracy and war, is a rich, compelling and original read from a master of the historical and fantasy genres. The people caught up in toils of the gods are merely trying to survive. Victims of vicious whims, trapped by their circumstances or pushed beyond what the mortal frame can bear, a handful of god-touched mortals - a scribe, a warlord, a dancer and a child - are about to be brought together in a conspiracy of their own. A conspiracy to reach the heavens, and take down the corrupt and aging gods . . . who are already facing troubles of their own . . . An epic that draws on a wide variety of myths and legends, gods and heroes, this new trilogy is a must read for fans of Dan Simmons and Madeline Miller alike. Praise for Miles Cameron: 'Utterly, utterly brilliant. A masterclass in how to write modern fantasy - world building, characters, plot and pacing, all perfectly blended. Miles Cameron is at the top of his game' John Gwynne, author of The Faithful and the Fallen series 'Cold Iron is fantastic. It shimmers like a well-honed sword blade' Anna Smith Spark, author of The Court of Broken Knives 'Promising historical fantasy debut featuring an expansive cast, an engaging plot, and a detailed eye for combat' The Ranting Dragon on The Red Knight 'Literate, intelligent, and well-thought-out . . . a pleasingly complex and greatly satisfying novel' SFF World on The Red Knight

Spirit Walker

Warbreaker is the story of two sisters - who happen to be princesses, the God King one of them has to marry, a lesser god, and an immortal trying to undo the mistakes he made hundreds of years ago. Theirs is a world in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city. A world transformed by BioChromatic magic, a power based on an essence

known as breath. Using magic is arduous: breath can only be collected one unit at a time from individual people. But the rewards are great: by using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be performed. Brandon Sanderson proves again that he is a master of what Tolkien called 'secondary creation,' the invention of whole worlds, complete with magics and myths all their own.

Oathbringer

A boy. A wolf. A legend for all time. The third book in the internationally bestselling WOLF BROTHER (Chronicles of Ancient Darkness) series by renowned author Michelle Paver. Torak has survived the summer and his heartstopping adventure in the Seal Islands. He and Wolf are together once more. But their reunion is short-lived. As mid winter approaches, Torak learns that Wolf has been snatched. In a desperate bid to rescue him, Torak and Renn must brave the frozen wilderness of the Far North and step into a world of deceit, treachery and lies, coming face to face with a terrifying evil. Another step is taken on his quest to destroy the Soul-Eaters, but with it comes the burden of an utterly chilling secret of his own ... Audio edition also available, read by Sir Ian McKellen.
