His Lost Mate (The Ward Wolf Pack Novella Series, Book 1)

His Lost Mate The Ward Wolf Pack Novella Series Book 1 Nash Ward, alpha to a pack of white wolves, took his role as leader very seriously when his family and pack were almost destroyed by a clan of bear

shifters ten years prior. It became his duty to protect the remaining four members, but when a human female shows up, scenting of his mate, his carefully hidden world opens up. Isabell Palmer, a journalist and survivalist, travels north from her home in Anchorage to spend four days on a solo hike. She hires Ward Air & Transportation to fly her into the remote location to start her journey, taking photos and gathering information for her article on backpacking locations in the state. She doesn't expect to be thrust into the world of the paranormal. Nash immediately notices the female, but the need to keep his family's secret safe outweighs the desire for a mate. Until the night he loses control, revealing himself to Isabell. When the truth comes out, will she run far away or stay with him even though they live in fear of being hunted at every turn?

Wishing You Were Here

She's out of place. He's out of time. In 1956, Joey Tempo was the biggest sensation to hit Memphis since Elvis Presley. Within twelve months he was gone--killed in a transatlantic plane crash. Half a century later, Callie Reinard is headed for college and her dream career in radio broadcasting. When she discovers Joey's iconic first album, she's mysteriously drawn to his tragic story. A profound desire to change his fate invokes a mystical force that sends her back to 1957 to "make things right." What Callie doesn't expect is her meddling to make everything worse...much worse. Joey may be glad to be alive, but not everyone welcomes her presence. Especially not Joey's glamorous fiancée, who has her own plans for his future. Every second Callie spends in the past she's altering much more than Joey's fate. She's changing the lives of everyone around her. And she's growing closer to Joey by the minute. If Callie can't find a way back to her own time soon, she may lose more than a college education and the career she's always wanted. She may lose her heart to a boy she can't have."

TrevorIn most packs, an Omega, even one who couldn't breed, was treasured and would be revered and protected; not cast aside, but our pack was not like most packs, and I was not like most Omegas. I was human, so I understood why I was being sent to the auction. I didn't like it, but I understood it.

Even if there had been affection for me, even if they had been willing to keep me as a pet (neither of these was the case, but an Omega could dream), Cal couldn't afford not to sell me. Clint Omegas were hard to come by worldwide. While I would have preferred to mate for love, it didn't seem that it was in the cards for me. I had taken over as pack Alpha five years earlier, and it was high time that I started adding to the pack population. Granted my pack is run less rigidly than some; the Betas in my pack are not just allowed to breed but actively encouraged to. Unfortunately, only a small number of Beta females are fertile enough to get pregnant, and I'll be damned if I am going to hump my way through the pack until I find the ones who are. Which brought me full circle to why I was standing in line to pick up the bidding paddle at the auction house. Less, even, than a marriage of convenience, purchasing an Omega at the auction was more of a long-term service contract; a means to an end, so what was an Alpha to do when he found his soul mate on the auction block?

Love Not at First Sight

The sunlit rails gleamed like dark mercury, arteries branching out silver from the switch points; the old telegraph poles were shaggy with kudzu and Virginia creeper and, above them, rose the water tower, its surface all washed out by the sun. Harriet, cautiously, stepped towards it in the weedy clearing. Around and around it she walked, around the rusted metal legs. One day is never, ever discussed by the Cleve family. The day that nine-year-old Robin was found hanging by the neck from a tree in their front garden. Twelve years later the family are no nearer to uncovering the truth of what happened to him. Inspired by Houdini and Robert Louis Stevenson, twelve-year-old Harriet sets out to find her brother's murderer – and punish him. But what starts out as a child's game soon becomes a dangerous journey into the menacing underworld of a small Mississippi town.

Fyodor Dostoyevsky (1821-1881) was a Russian novelist, short story writer, essayist, journalist and philosopher. His literary works explore human psychology in the troubled political, social, and spiritual atmosphere of 19th-century Russia. Many of his works contain a strong emphasis on Christianity, and its message of absolute love, forgiveness and charity, explored within the realm of the individual, confronted with all of life's hardships and beauty. His major works include *Crime and Punishment* (1866), *The Idiot* (1869), *Demons* (1872) and *The Brothers Karamazov* (1880). Many literary critics rate him as one of the greatest and most prominent psychologists in world literature. His novella *Notes from Underground* is considered to be one of the first works of existentialist literature. Table of Contents: SHORT STORIES: *The Grand Inquisitor* (*The Brothers Karamazov*) *Mr. Prokharchin* *A Novel in Nine Letters* *Another Man's Wife* or, *The Husband under the Bed* *A Faint Heart* *Polzunkov* *The Honest Thief* *The Christmas Tree* and *The Wedding* *White Nights* *A Little Hero* *An Unpleasant Predicament* (*A Nasty Story*) *The Crocodile* *Bobok* *The Heavenly Christmas Tree* *A Gentle Spirit* *The Peasant Marey* *The Dream of a Ridiculous Man* *Poor Folk* *The Double* *The Landlady* *Uncle's Dream* *Notes from Underground* *The Gambler* *The Permanent Husband* ESSAYS ON DOSTOYEVSKY: *A SURVEY OF RUSSIAN LITERATURE* by Isabel Florence Hapgood DOSTOYEVSKY AND HIS MESSAGE TO THE WORLD by Zinaida Vengerova ON RUSSIAN NOVELISTS by William Lyon Phelps Extract from 'AN OUTLINE OF RUSSIAN LITERATURE' by Maurice Baring BIOGRAPHY Fyodor Dostoyevsky, A Study by Aimée Dostoyevsky

True love comes once in a lifetime. Will she grab her second chance? When Kathryn Abbott moves back to her hometown following her divorce, she doesn't expect to run into Brett Falcone, the Italian Stallion. If possible, he's even more appealing than he was twenty years ago when she, the nerd queen, tutored the popular baseball star. Brett would like to begin the relationship they couldn't have then, but first Kathryn must face her past decisions...and risk losing the love of her life all over again.

The Greatest Novels & Stories

An Elin Hilderbrand Entertainment Weekly Summer Reading Pick "The book-equivalent of a perfect first date... Highly highly recommend." —Elin Hilderbrand, #1 New York Times bestselling author "A heady kaleidoscope of romance, heartbreak, and healing that's both rich in insight and enchantingly funny." —Fiona Davis, New York Times bestselling author The author of the "emotional, hilarious, and thought-provoking" (People) novel *The Bucket List* returns with a witty and heartfelt romantic comedy featuring a wedding planner, her unexpected business partner, and their coworkers in a series of linked love stories—perfect for fans of Christina Lauren and Casey McQuiston. For the past twenty years, Liv and Eliot Goldenhorn have run *In Love in New York*, Brooklyn's beloved wedding-planning business. When Eliot dies unexpectedly, he even more unexpectedly leaves half of the business to his younger, blonder girlfriend, Savannah. Liv and Savannah are not a match made in heaven, to say the least. But what starts as a personal and professional nightmare transforms into something even savvy, cynical Liv Goldenhorn couldn't begin to imagine. *It Had to Be You* cleverly unites Liv, Savannah, and couples as diverse and unique as New York City itself, in a joyous Love-Actually-style braided narrative. The result is a smart, modern love story that truly speaks to our times. Second chances, secret romance, and steamy soul mates are front and center in this sexy, tender, and utterly charming rom-com.

Reunited

"Short Stories and Novellas" is an experiment in form and structure that seeks to glean beauty and continuity out of the rhythms inherent in the patterns of our unique and individual experiences and methods of finding understanding in what we read. The short stories and novellas could be the lives of the lovers that the distinctive voice of what could be a narrator-- or not-- patterns into songlike rhythms or they could represent a hint as to how we are to understand this work of fiction and ultimately the varying experiences composing our own lives. Whether "Short Stories and Novellas" is Fiction, Memoir, Philosophy, or Religion seems to matter less than that it is a poetic effort. And as such we are at a point where we can either entirely dismiss such efforts at turning our worlds upside down or we can submit to the quest put forward of letting beauty finally speak for itself in the midst of chaos.

It Had to Be You

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

Short Stories and Novellas

A sexy, sleek-tailed monster. Zantu has evaded the mate-bond for thirty-five years, dodging promiscuous mermaids with vile intents. Unlike mermaids, mermen bond for life, and Zantu refuses to accept the heartbreak most mermen die of. That is, until the glint of gold catches his eye, and a simple salvage mission turns to passion. Now he's bonded to a human. A woman looking for a reason to live. Briana thinks her life is over after the loss of her child. Instead, she falls into the arms of a merman who is anything but cold-blooded. He's wild, seductive, and sets her blood on fire every time he touches her, and soon she begins to need him for more than his magic to breathe underwater. He might just give her a new purpose. But as dangers encroach from every side, Zantu must choose; keep his new mate at his side or keep her safe. Either way, he's sure he'll end up with a broken heart. Reader Promise: Spicy love scenes, dangerous mermaids, and sexy merman secrets. Guaranteed HEA with no cliffhangers. This fantasy romance is intended for mature audiences.

The House of the Spirits

Leda is a middle-aged divorcée devoted to her work as an English teacher and to her two children. When her daughters leave home to be with their father in Canada, Leda anticipates a period of loneliness and longing. Instead, slightly embarrassed by the sensation, she feels liberated, as if her life has become lighter, easier. She decides to take a holiday by the sea, in a small coastal town in southern Italy. But after

a few days of calm and quiet, things begin to take a menacing turn. Leda encounters a family whose brash presence proves unsettling, at times even threatening. When a small, seemingly meaningless, event occurs, Leda is overwhelmed by memories of the difficult and unconventional choices she made as a mother and their consequences for herself and her family. The seemingly serene tale of a woman's pleasant rediscovery of herself soon becomes the story of a ferocious confrontation with an unsettled past. Following the extraordinary success of *The Days of Abandonment*, Elena Ferrante's new novel explores the conflicting emotions that tie us to our children. This candid fiction represents her most compelling and perceptive meditation on womanhood and motherhood thus far.

Intro

wind picked up, the sky turned red and the haze thickened into a brown cloud. The cloud began gliding
toward Jack, Annie, and Mamoon like a moving wall

Jack gently opened the book. Inside were pages of thick yellow paper. The pages were bound with
stitching and covered with writing on both sides. The first page said

"Cool," said Jack Jack and Annie rode the two camels over an arched bridge that crossed the most.
They passed through a gate with double iron doors On the other side of the wall was a busy avenue
lined with buildings

Their camels clopped down the busy avenue until they came to a green field. "Look, there's the second
wall!" said Annie.

Jack and Annie rode under the arch and into a beautiful garden. The warm breeze smelled of flowers.

They rode down a path bordered by date palms until they came to a courtyard where boys were playing ball. Near the courtyard was a stable with camels in it. Jack shielded his eyes. He heard a loud whoof? When he looked up, the bright tornado had vanished. Lying on the floor of the stable in front of Jack and Annie was the ancient book. We have a priceless treasure to give to the caliph of Baghdad," said Jack, keeping his head down. "It's a book of wisdom. Servants helped Jack, Annie, and Caliph Abdullah al-Mamoon into the strange little carriage. Bells jingled as the camels began to move slowly through the courtyard. The caliph opened tiny shutters to let in air and sunlight. Jack looked out. Everyone bowed as the royal carriage passed by the boys playing ball, the gardeners weeding flower beds, the women carrying pots. "What happens here?" asked Jack "Come, I will show you." The caliph escorted Jack and Annie Jack and Annie looked up at the open window. The sky was pink. The sun would be setting soon. We have to get back to the tree house." Annie whispered, "before the moon rises. The carpet zipped over the green dome with the horse on top. It flew over the courtyard, where the boys were still playing ball, over the third wall, and past the green field and the grand avenue. The carpet flew over the second wall, the houses, the hospitals, and the hundred lions in the zoo. It flew over the first wall, the arched bridge, and the moat
