Ce livre vieux de 1973 ans explique ce qu'est la réalité

L'origine de l'Évangile de Thomas

Les origines de l'Évangile de Thomas

Le royaume est en vous et il est hors de vous

La montagne bouge et elle bougera

Les images sont visibles pour les gens, mais la lumière qui est en elles est cachée

L'on ne devrait pas s'attacher aux choses matérielles

Chaque dicton met le lecteur au défi d'interpréter et d'appliquer personnellement sa sagesse

Un appel à réconcilier les opposés en soi

Le concept de richesse intérieure

Le processus d'éplucher un oignon

Le royaume est semblable à un berger

Je suis la lumière qui domine toute chose

Il ne s'agit pas d'une mise en garde contre les aveugles physiques

Aucun prophète n'est accepté dans son village

Les enseignements qui ne proviennent pas de la source ne dureront pas

Celui qui a quelque chose en main recevra davantage

Quiconque trouve le monde et s'enrichit qu'il renonce au monde

La personne qui a appris à connaître le monde a trouvé un cadavre

La connaissance du monde est sans vie comparée à l'illumination spirituelle qui élève une personne au-delà des valeurs du monde

Les images sont visibles pour les gens, mais la lumière qu'elles contiennent est cachée dans l'image de la lumière du Père

Lorsque tu vois ta ressemblance, tu te réjouis, mais lorsque tu verras tes images qui ont été créées avant toi, qui ne meurent pas et qui ne se manifestent pas, tu auras beaucoup à supporter

Je révèle mes mystères à ceux qui sont dignes de mes mystères

Nous venons de la lumière du lieu où la lumière est née

Si tu fais sortir ce qui est en toi, ce que tu fais sortir te sauvera
