My Unsung Psalm

My Unsung Psalm begins with an invitation for you to experience seeing God for the first time and becoming part of the journey through Katherine's eyes of faith. Through a difficult childhood and a challenging medical history, she knows God is with her, and she is never afraid. It is a rare account of Katherine's feeling of being loved by God and being useful to mankind. She sees beyond her limitations and inspires others to never give up. Sometimes hope can level the playing field of life. We have a chance. We are offered the opportunity to make something of our lives, and that is what I did. "The message of My Unsung Psalm embraces the essence of the water of childhood memories becoming the wine of adult faith. You, the reader, can walk this journey of sadness and joy, and understand God's grace vividly as you turn each page of miracles, intertwining Katherine's circumstances with your own memories. Cherish God's message. Reflect upon this book. Consider the story as a foundation of faith and healing." - Judy McClure "Anyone in the ministry or entering the seminary should read this book." -Mary Bain Pearson "This is Katherine's story; her journey. A journey that begins with God holding her hand and ends with Katherine holding God's hand. It is not about the storms of her life, but rather, about the One who sailed the storms beside her. Her journey will lead you to yours and fill you with Hope! God's Song is love." -Rev. Edward Abell "She writes as beautifully as she paints." -Gloria McKay

The Search of My Life

The Search of My Life is a true story about author Norma Garcia who spends most of her years experimenting through life to find true happiness and fulfillment. Her journeys however, prove only to be nothing but broken roads to emptiness. Until one night everything changes while sitting in her car. The answer is finally revealed, available for her to embrace it. But in order to receive the gift presented to her, Norma must let go of the very thing she loves the most...her life. Beautifully written, this book addresses the heartbreaking realities of infidelity, abortion, and finally her faith in God. Although some life shattering events will shock you, such as challenges in her dysfunctional upbringing, dealing with a loved one plagued with addiction and reaping the consequences of her own choices, her story will nevertheless inspire you, bring you joy and awaken you with hope.

Selected Spiritual Writings of Anne Dutton: Discourses, poetry, hymns, memoir

Volume II contains Anne Dutton's once well-known and widely circulated *A Discourse upon Waling with God* (1735). Once read and referred to by George Whitefield, it contains spiritual insights for practical daily living. Dutton's hymns and poetry are also included in this volume. Dutton's poetry, *A Narration of the Wonders of Grace* (1734), was a prominent publication in her day. It contained 1,504 lines of poetry in six parts based on themes of salvation. Her biographer, J.C. Whitebrook, referred to it as her chief literary production. Sixty-one of Dutton's hymns composed on several subjects are also included in that volume. Her biographer, J.A. Jones, noted that these were written for plain and homely folk in the midland countries. Dutton's contribution to evangelical spirituality, poetry, and hymnody in the Baptist tradition is significant.

The Works of John Donne ... With a Memoir of His Life. By [i.e. Edited By] Henry Alford

The long awaited sequel to the beloved and bestselling 'The Liars' Club' and 'Cherry' – a memoir about a self-professed 'blackbelt sinner's' descent into the inferno of alcoholism and madness, and her astonishing resurrection.

Lit: A Memoir

This is a book of a young lady and her journey through life. She had to deal with life and its struggles at an earlier age. Overcoming every obstacle that got in her way including abuse, sex, marriage and divorce. She put her Soul into this book with the hopes that her Journey can help save or change the next persons life in a positive way. She will take you on a Journey with her from birth to adulthood, so fasten your seat belt and enjoy the ride. Christina Puglisi said on Jan 19, 2011 9:25 AM I read this book and I was hooked (couldn't put it down) right from the beginning! Latrice describes in great detail the real-life, emotional struggles of a young girl with ALOT of drama in her life. She also recounts the many hard lessons she learned and continues to learn as she matures. This book was very raw, honest, deep and extremely personal. I would highly recommend this book. Charles J. Brooks "Uncle" said on Jun 4, 2010 5:22 PM You are so precious to me, I am so happy that you are writing so that you can help others. Many of us really believe that the deeds done in this life is a secret, for some of us yes. In sharing you dreams, aspirations and stumbling blocks and some high walls that you sought strength to climb or knock down or remove stone by stone, has allowed you to be set free from the past, looking forward to the God adventures in this life, to attain eternal victory. Always Love

The Works of Thomas Shepard ... With a Memoir of His Life and Character [by J. A. Albroy].

Pieces of Life is a small book that carries a mighty punch. Kola Anthony Scott, II. delivers a strong and daring book of literary works and shared life stories. The book is divided into two sections. Section one presents Scott's creative body of works. In his works, Scott presents characters and situations that push and challenge the soul. Section two consist of Scott's, moving and sometimes tragic personal back story. Scott's goal, be honest with the reader and speak his own truth.

STORY OF MY LIFE

From one of the most gifted writers of her generation comes the harrowing and exquisitely written true story of how a family tragedy saved her life. Dani Shapiro was a young girl from a deeply religious home who became the girlfriend of a famous and flamboyant married attorney—her best friend's stepfather. The moment Lenny Klein entered her life, everything changed: she dropped out of college, began to drink heavily, and became estranged from her family and friends. But then the phone call came. There had been an accident on a snowy road near her family's home in New Jersey, and both her parents lay hospitalized in critical condition. This haunting memoir traces her journey back into the world she had left behind. At a time when she was barely able to take care of herself, she was faced with the terrifying task of taking care of two people who needed her desperately. Dani Shapiro charts a riveting emotional course as she retraces her isolated, overprotected Orthodox Jewish childhood in an anti-Semitic suburb, and draws the connections between that childhood and her inevitable rebellion and self-destructiveness. She tells of a life nearly ruined by the gift of beauty, and then saved by the worst thing imaginable. This is a beautiful and unforgettable memoir of a life utterly transformed by tragedy.

My Life's Journey

The Story of My Life was written by Hellen Keller and the main theme is the power of perseverance to overcome great obstacles. The book explores the challenges that Keller faced while growing up as a child with disabilities. It also introduces the amazing people who helped her along the way. This is an autobiography detailing her early life, particularly her experiences with Anne Sullivan. Outlining the various wonders and struggles she encountered on the way to achieving her dream, The Story of My Life recounts her early childhood through to her college years. In her early childhood, Keller suffers an illness which robs her of her eyesight and hearing. Owing to her disabilities, she was unable to communicate or be understood by others. However, Sullivan's arrival changes her life, bringing her out from the darkness of her mind into the light of the world. Thanks to Sullivan, Keller learns to love nature and education, particularly reading. This allows her to use her imagination and to begin to define who she is as an individual.

Memoir of the Rev. Edward D. Griffin, D.D.

No one has been more frank, lucid, and entertaining about growing up gay in Middle America than Edmund White. Best known for his autobiographical novels, starting with *A Boy's Own Story*, White here takes fiction out of his story and delivers the facts of his life in all their shocking and absorbing verity. In *My Lives*, White shares his enthusiasms and his passions, and he introduces us to his lovers and predilections.

Memoir of the Rev. Edward D. Griffin, D.D., Compiled Chiefly from His Own Writings

"See that moon up there? You can reach that high. Never be afraid because you can be anything you want to be." Susan Lucci was only five years old when her father shared these encouraging words with her. They inspired the highly imaginative child who loved make-believe to craft one of the most enduring characters in television history, an achievement that would earn her a record twenty-one Emmy nominations—the most for an actor in the award's history—and the crown as "Leading Lady of Daytime." When Lucci and *All My Children* were introduced to the world in 1971, American television changed forever. Susan's character, the beautiful, spirited, and mercurial Erica Kane, was an original—the first vixen viewers loved to hate. But while millions have enjoyed getting to know Erica's many sides—and have been awed at how this character has continually remade herself—the woman who plays her has remained a mystery. In her long-awaited memoir, this very private actress, wife, mother, daughter, grandmother, sister, friend, and entrepreneur pulls back the curtain to reveal her story. Susan, like Erica Kane, has undergone a metamorphosis many times. *All My Life* shares the stories of those transformations: starring in roles on television and stage, where she took Broadway not just by storm but "by tsunami" as one critic raved about her performance in *Annie Get Your Gun*; mounting successful cabaret acts (solo and with Regis Philbin); bringing art and joy back to New York in the wake of 9/11; conquering the tango with Tony Danza on ABC's hit show *Dancing with the Stars*; and building a successful career as an entrepreneur with a signature line of products. Susan goes beyond her success to talk about the darker moments, too, including the childhood guilt she harbored over the death of her dear grandmother, the car accident that nearly took away her career and her eyesight, her newborn son's life-threatening illness, coping with her husband's cancer, and the pain of miscarriage—one of the many parallels between her Erica Kane. As charming, down-to-earth, and compelling as the woman whose story it tells, *All My Life* shines a spotlight on one of our most popular stars and reminds us of the power of dreams and how we can find the courage and tenacity to make them come true.

Sigrid Kendall, née Baroness Rüdts von Collenberg, was born in 1930 into the rarefied world of Central European aristocracy with all that title and wealth afforded—castles, estates, and hunting lodges throughout Germany, the Netherlands and Poland, idyllic playgrounds of nature, horseback riding, carriage rides, and nights at the opera. Her childhood, however, coincided with the rise of Hitler, and by the time she was nine years old, her country was on the march toward Russia; one of her earlier family's houses had been destroyed in the first Allied air raid; and her beloved father, an officer with the German cavalry, had been killed. Yet through a child's eyes, Germany was home and Hitler, with his mesmerizing radio voice, promising "a thousand years of peace," seemed like the rightful leader. Post-war Germany brought to her teenage self a different story, a different life—one of shame for the atrocities her country committed, and one in which the complete devastation of her country was the great equalizer among the people. The impact that those post-war years had on Kendall would have a lasting effect on her worldview: to question authority; to earn what you get; and to look out not only for others, but also for yourself. She carried this philosophy with her into a new life in America—immigrating at age twenty-three, newly wedded—and it kept her grounded, even as she fell in love for a second time and assumed the unlikely role of "corporate wife" upon marrying one of the most powerful corporate leaders in the United States. Her life suddenly became one filled with entertaining heads of state and traveling the world over. But for Kendall, her children would always come first and Germany would keep hold of her heart. Narrated with candor and grace, *My Many Lives* is a deeply moving account of a remarkable life, fractured into so many lives with its unexpected turns, and the true importance of love, loyalty, and resilience.

The Works of Mr. Archibald M'Lean. ... With a Memoir of His Life, ... by W. Jones

The Story of My Life, first published in 1903, is Helen Keller's autobiography detailing her early life, especially her experiences with Anne Sullivan. Portions of it were adapted by William Gibson for a 1957 Playhouse 90 production, a 1959 Broadway play, a 1962 Hollywood feature film, and the Indian film *Black*.

My Lives

Now a major Netflix series, *Firefly Lane* is an unforgettable coming of age story about friendship and betrayal, by Kristin Hannah, the bestselling author of *The Four Winds* and *The Nightingale*. It is 1974 and the summer of love is drawing to a close. Kate Mularkey has accepted her place at the bottom of the secondary school social food chain. Then, to her amazement, Tully Hart – the girl all the boys want to know – moves in across the street and wants to be her best friend. Tully and Kate became inseparable and by summer's end they vow that their friendship will last forever. For thirty years Tully and Kate buoy each other through life, weathering the storms of friendship, jealousy, anger, hurt and resentment. Tully follows her ambition to find fame and success. Kate knows that all she wants is to fall in love and have a family. What she doesn't know is how being a wife and a mother will change her. They think they've survived it all until a single act of betrayal tears them apart. But when tragedy strikes, can the bonds of friendship survive? Or is it the one hurdle that even a lifelong friendship cannot overcome? Continue *Firefly Lane*'s emotional journey with the sequel *Fly Away*. Praise for Kristin Hannah: 'Powerful and compelling' – Delia Owens, bestselling author of *Where the Crawdads Sing* 'Moving and unforgettable' – Christy Lefteri, bestselling author of *The Beekeeper of Aleppo* 'A classic storyteller' – Matt Haig, bestselling author of *The Midnight Library* 'A rich, compelling novel of love, sacrifice and survival' – Kate Morton 'A masterclass . . . Memoir of the rev. Cornelius Neale. To which are added his remains

Everyone has a past, and these pasts shape every single aspect of our very being. This story takes you through the tragedy, obstacles, and the eventual triumph of Molleigh Elisabeth's life as she fights to overcome her inner turmoil and ascend from the dark abyss created by her abusers. Journey with Molleigh as she moves forward in her path to enlightenment and heals under the graceful light of God. No matter how bad life gets, you must stop and remember--miracles are possible. What better time is there than now to begin your very own journey of healing and recovery?

All My Life

Reprint of the original, first published in 1864.

The Works of T. Adams ... With Memoir by Joseph Angus

This steamy autobiographical account of J.M. Valente is a noteworthy and truthful memoir telling the story of his life from 1952 to 2007 in a gentle-mannered yet surprisingly riveting narrative of his awkward beginnings, early awakenings, and the various endings in his fast-paced way of life. He had an awkward start in life, having been diagnosed with Polio at the tender age of three. He spent a year and a half of his early life in the Hospital. While he eventually learned to walk again, he had to wear leg braces, identical to the fictional character of 'Forrest Gump.' However, the real page-turning experience for readers begins when Valente discusses his very early initiation with Females and losing his Virginity at a rather young age, and engaging in 'booty calls' with an ex-girlfriend. Throughout the memoir, he would continue to divulge juicy details about his sex and romantic life. However, Valente applies a well-placed pause on that salacious topic as he inserts a somber discussion about family life and the slow loss of his only brother to drugs which eventually got him killed in a car accident. Ultimately, Valente's quiet yet sincere storytelling renews readers' attentions page after page, keeping them glued with a clever mix of persuasion, enticement, and brave honesty. His intriguing and unique autobiography, THE TIME OF MY LIVES, includes song titles that fittingly prolong the mood of each event in his multi-faceted life, which creates the atmosphere that is often found in excellent Movies.

Beat Culture

The coverage of this book ranges from Jack Kerouac's tales of freedom-seeking Bohemian youth to the frenetic paintings of Jackson Pollock, including 60 years of the Beat Generation and the artists of the Age of Spontaneity. Beat Culture captures in a single volume six decades of cultural and countercultural expression in the arts and society. It goes beyond other works, which are often limited to Beat writers like William Burroughs, Charles Bukowski, and Michael McClure, to cover a wide range of musicians, painters, dramatists, filmmakers, and dancers who found expression in the Bohemian movement known as the Beat Generation. Top scholars from the United States, England, Holland, Italy, and China analyze a vast array of topics including sexism, misogyny, alcoholism, and drug abuse within Beat circles; the arrest of poet Lawrence Ferlinghetti on obscenity charges; Beat dress and speech; and the Beat "pad." Through more than 250 entries, which travel from New York to New Orleans, from San Francisco to Mexico City, students, scholars, and those interested in popular culture will taste the era's rampant freedom and experimentation, explore the impact of jazz on Beat writings, and discover how Beat behavior signaled events such as the sexual revolution, the peace movement, and environmental awareness.

The New Mirror

Poetry has always been a central element of Christian spirituality and is increasingly used in worship, in pastoral services and guided meditation. Here, Cambridge poet, priest and singer-songwriter Malcolm Guite transforms 70 lectionary readings into inspiring poems for use in regular worship, seasonal services, meditative reading or on retreat.

Sounding the Seasons

Karen Draper and her husband are ecstatic to welcome Preston, their first child, into their lives. Joyful anticipation turns to fear when they are told they must prepare to lose him. When Preston defies the odds, the Draper family enters the world of special needs. A journey where they experience indifference, medical emergencies and uncertainty, all while trying to maintain some sense of normalcy. As Karen discovers the educational blockades for special needs students, she taps into her intuitive side, discovering how love and courage take mysterious forms, even in the most ordinary of lives. From the daily grind of balancing caring for a special needs son and a healthy daughter to mystical, angelic appearances, Karen learns about life, death, and the spaces we fill in between. Told from a mother's perspective, *The Place of Us* will rearrange your heart and take you to places of hope and healing within yourself.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The New-York Mirror

This book is a collection of critical essays that examine a radical shift in focus and orientation. In the challenge to the hermeneutics of suspicion, the adoption of alternative reading strategies, and the investigation of well-being, this collection is an analogue of a new discourse that has immensely enriched literary studies in the last decade.

The Place of Us

Finalist for the New England Book Award in Poetry and the Vermont Book Award As heard on NPR Morning Edition A New York Public Library Best Book of 2022 A searching, startling new collection of poems from the author of *The Möbius Strip Club of Grief* and *Someone Else's Wedding Vows* Written in four sections with incisive and vivid lyrical language, Bianca Stone's *What Is Otherwise Infinite* considers how we find our place in the world through themes of philosophy, religion, environment, myth, and psychology. "I deal only in the hardest pain-revivers, symbols and tongues," writes Stone. "I want to tell you only / in the intimacy of our discomfort." Populated by Archangels, limping in paradise; by allergies of the soul; the intimacy and danger of motherhood; psychic wounds; and dirty, dirty chocolate layer cake, *What Is Otherwise Infinite* deftly examines our inherent and inherited ideas of how to live, and the experience of the Self—which on one hand is so intensely personal, and on the other, universal.

The New York Mirror

With contributions from over 100 scholars, the *Encyclopedia of American Poetry: The Nineteenth Century* provides essays on the careers, works, and backgrounds of more than 100 nineteenth-century poets. It also provides entries on specialized categories of twentieth-century verse such as hymns, folk ballads, spirituals, Civil War songs, and Native American poetry. Besides presenting essential factual information, each entry amounts to an in-depth critical essay, and includes a bibliography that directs readers to other works by and about a particular poet.

Recent years have seen an enormous surge of interest in fiber arts, with works made of thread on display in art museums around the world. But this art form only began to transcend its origins as a humble craft in the late nineteenth and early twentieth centuries, and it wasn't until the 1950s and 1960s that artists used the fiber arts to build critical practices that challenged the definitions of painting, drawing, and sculpture. One of those artists was Lenore Tawney (1907–2007). Raised and trained in Chicago before she moved to New York, Tawney had a storied career. She was known for employing an ancient Peruvian gauze weave technique to create a painterly effect that appeared to float in space rather than cling to the wall, as well as for being one of the first artists to blend sculptural techniques with weaving practices and, in the process, pioneered a new direction in fiber art. Despite her prominence on the New York art scene, however, she has only recently begun to receive her due from the greater art world. Accompanying a retrospective at the John Michael Kohler Arts Center, this catalog features a comprehensive biography of Tawney, additional essays on her work, and two hundred full-color illustrations, making it of interest to contemporary artists, art historians, and the growing audience for fiber art. Copublished with the John Michael Kohler Arts Center.

What Is Otherwise Infinite: Poems

Religion and Revolution provides a comprehensive study of spiritual and political Islam in Ernesto Cardenal, the great Latin American poet, priest, and revolutionary. The work studies the relationship between Thomas Merton and Buddhism, Cardenal's connection to spiritual Islam, as well as the Buddhist sources cited in his *Cosmic Canticle*. The work equally examines the impact of political Islam on his ideology,

focusing particularly on his trip to Iran during the very triumph of the Islamic Revolution. Using Cardenal's "Interlude of the Revolution in Iran" as a starting point, the work provides a vivid and detailed description of the early days of the revolution as well as the ties between the Islamic Republic of Iran and the Latin American left.

The Literary World

"Tough talk for tough times. Silencer is both lyrical and merciless—Wicker's mind hums in overdrive, but with the calm and clarity of a marksman." —Tim Seibles, author of *One Turn Around the Sun* and finalist for the National Book Award A suburban park, church, a good job, a cocktail party for the literati: to many, these sound like safe places, but for a young black man these insular spaces don't keep out the news—and the actual threat—of gun violence and police brutality, or the biases that keeps body, property, and hope in the crosshairs. Continuing conversations begun by *Citizen* and *Between the World and Me*, Silencer sings out the dangers of unspoken taboos present on quiet Midwestern cul-de-sacs and in stifling professional settings, the dangers in closing the window on "a rainbow coalition of cops doing calisthenics around/a six-foot, three-hundred-fifty-pound man, choked back into the earth for what/looked a lot, to me, like sport." Here, the language and cadences of hip-hop and academia meet prayer—these poems are crucibles, from which emerge profound allegories and subtle elegies, sharp humor and incisive critiques. "There is not a moment in this book when you are allowed to forget the complexities of a black man's life in America. These poems evoke so much—strength, beauty, passion, fear. There is the quiet, ironic pleasure of life on a cul-de-sac juxtaposed with the tensions of always wondering when a police officer's gun or fists might get in the way of the black body. The stylistic range of these poems, the wit, and the intelligence of them offers so much to be admired. There is nothing silent about Silencer. What an outstanding second book from Marcus Wicker." —Roxane Gay "Marcus Wicker's masterful and hard-hitting second collection is exactly the book we need in this time of malfeasance, systemic violence, and the double talk that obfuscates it all... He writes the kinds of vital, clear-eyed poems we can turn to when codeswitching slogans and online power fists no longer get the job done. These are poems whose ink is made from anger and quarter notes. They remind us that to remain silent in the face of aggression is to be complicit and to be complicit is not an option for any of us." —Adrian Matejka, author of *The Big Smoke* and finalist for the National Book Award and Pulitzer Prize "Silencer is an important book of American poetry: wonderfully subtle, wholly original, and subversive. Politics and social realities aside, this is foremost a book that delights in language, how it sounds to the ear and plays to the mind. We have suburban complacency played against hip-hop resistance, Christian prayers uttered in the face of dread violence, real meaning pitted against materialism, and love, in its largest measure, set against ignorance. To say Silencer is a tour de force would be an understatement.

What a work of true art this is, and what a gift Marcus Wicker has given to us." —Maurice Manning, author of *One Man's Dark* and finalist for the Pulitzer Prize "Silencer disarms and dazzles with its wisdom and full-throated wit. [This] collection snaps to attention with a soundtrack full of salty swagger and a most skillful use of formal inventions that'll surely knock you out. Here in these pages, sailfish and hummingbirds assert their frenetic movements on a planet simmering with racial tensions, which in turn forms its own kind of bopping and buoyant religion. What a thrill to read these poems that provoke and beg for beauty and song-calling into the darkest of nights." —Aimee Nezhukumatathil, author of *Lucky Fish* and poetry editor at *Orion Magazine*
