Abram's daring military venture liberated far more

And Melchizedek king of Salem brought forth bread and wine

The city of Jerusalem, for example, means city of peace.

Kings rule over the people  
to explain Jesus's position to Christ's followers  
Melchizedek is described in Genesis 14  
by tithing his battle spoils, Genesis 14:16.  
to the establishment of the Aaronic line  
both of which were used in remembrance of Christ.  
and a king in the order of Melchizedek.  
For every high priest taken from among men is ordained  
'Thou art a priest forever after the order of Melchizedek,  
Jesus is the true and eternal king  
and he is the great high priest who bridged the gap  
Melchizedek is a type of the Son of God.  
David addresses the order of Melchizedek specifically  
after describing the victory and glory of the Messiah.  
You are a priest forever in the order of Melchizedek,  
Psalm 110:4.  
the author of Hebrews refers to Christ  
Psalm 110 connects Melchizedek to the Messiah.  
And Hebrews chapters five, six, and seven  
of Jesus's priesthood and kingship.  
Hebrews 7, This Melchizedek was a king of Salem  
from the defeat of the kings and blessed him  
First, the name Melchizedek means king of righteousness  
who become priests to collect a tenth from the people  
one in the order of Melchizedek, not in the order of Aaron?  
Moses said nothing about priests.  
for the law made nothing perfect  
Others became priests without any oath  
Jesus has become the guarantor of a better covenant  
blameless, pure, set apart from sinners  
first for his own sins, and then for the sins of the people.  
For the law appoints as high priests men  
to transcend earthly existence.  
as the eternal king priest  
One implication of Jesus's priesthood  
For when the priesthood is changed  
Not only is Jesus the compassionate high priest  
2 Samuel 7:13  
Jesus is also both priest and king.  
He is the eternal mediator between God and man  
in the same city where Melchizedek was from, Jerusalem.  
where the offices of priest  
The Levitical priests didn't rule  
Melchizedek is an Old Testament illustration  
like the priesthood of Melchizedek, brings blessing  
with the bread and wine of communion  
Not only is Jesus different from the Levitical priests  
Because he's a priest like Melchizedek.  
The author draws attention to the fact
