My First Ladybird Thesaurus

If you want to find a new way of saying something, or if you can't remember the word you need, My First Ladybird Thesaurus is your essential school reference guide. Easy to use, and packed with fascinating words and expressions, this handy book is a fantastic aid to creative writing.

My First Ladybird Dictionary

If you want to find out what a word means, or you want to expand your vocabulary, My First Ladybird Dictionary is your essential school reference book. Packed with over 1,000 definitions, the dictionary is easy to use and full of colourful illustrations.

Ladybird I'm Ready To Spell Thesaurus

My First Thesaurus, part of Ladybird's popular I'm Ready... early learning series, is an essential first reference book for primary school children and is perfect for school work and homework help. With colourful illustrations throughout, the thesaurus is packed with over 1,000 common words that children will come across, with a comprehensive range of synonyms to help with creative writing, and examples of the word used in a sentence. There is also a helpful section on how to best use the thesaurus and what it is for. It also contains lists of themed words at the back of the book, perfect for quick reference. These include animals, bugs, the body, food, sea, shapes, sports, vehicles, weather and many more! Look out for My First Dictionary, also from Ladybird.

Dictionary

When you've used the same word more than once - or you want just the right word to express yourself - your Thesaurus will give you all the help you need. The Ladybird Illustrated Thesaurus features: 2000 words each with several choices; colourful picture definitions; and up-to-the-minute words and phrases.

Ladybird Illustrated Thesaurus

How do we make sure children's first introduction to the world of non-fiction is enjoyable and life enhancing? What criteria do we use to ensure a collection of quality books for pleasure? Mallett sets out to answer these questions in this book.

Early Years Non-fiction

From screenwriter Don Calame comes another outrageously funny and raunchy tale of teen boys whose plans go awry — this time, on a survivalist camping trip. Shy and scrawny Dan Weekes spends his time creating graphic novels inspired by his dream girl and looking out for his mom as she dates every man in the state of California. Then his mom drops a bomb: she and her latest beau, Hank, are engaged, and she's sending her "two favorite men" on a survivalist camping trip to "bond." Determined to trick Hank into showing his true — flawed — colors on the trip, Dan and his nerdy germaphobe best friend, Charlie, prepare a series of increasingly gross and embarrassing pranks. But the boys hadn't counted on a hot girl joining their trip or on getting separated from their wilderness guide—not to mention the humiliating injuries Dan suffers in the course of terrorizing his stepdad-to-be. With a man-hungry bear on their trail, no supplies, and a lot of unpleasant itching going on, can Dan see his plan through now that his very survival depends on Hank?

Dan Versus Nature

Did you know that the English language has over 150 words for the adjective 'drunk' developed over 1,000 years? Be prepared to learn words you have never heard before, find out fascinating facts behind everyday words, and be surprised at how lively and varied the English language can be. Published to critical acclaim in 2009, the Historical Thesaurus of the Oxford English Dictionary is the first comprehensive thesaurus in the world to arrange words by meaning in order of first recorded use. Using its unique perspective on how the English language has developed, Words in Time and Place takes 15 themes and explores the language in these areas over time - explaining when new words appeared, where they came from, and what such changes say about times in which they emerged. The themes chosen are varied, universal topics and show the semantic range of the thesaurus and what it can tell us about the words used in areas of everyday life. Learn about the different words for dying and money, or types of pop music, as well as words for a privy, oaths, and words for being drunk. Written by the world's leading expert on the English language, David Crystal, the book carries his trademark style of engaging yet authoritative writing. Each chapter features an introduction to the language of that topic, followed by a timeline of vocabulary taken from the historical thesaurus showing all the synonyms arranged in chronological order. The timelines are annotated with additional quotations, facts, and social and historical context to give a clear sense of how words entered the English language, when, and in which context they were used. Words in Time and Place showcases the unique and excellent resource that is the Historical Thesaurus and reveals the linguistic treasures to be found within. This fascinating book will appeal to anyone with an interest in words and in the development of the English language.

The Penguin Roget's Thesaurus of English Words and Phrases

Do you know what 'park your jam on the frog' means? Fancy some ognib? What rhymes with 'circus'? ...plus many more amazing things you never knew about words. Have hours of fun wixing up your murds with this hilarious book, packed full of rhymes, puns, games, jokes, gibberish and more.

Words in Time and Place

Informational kinds of reading are crucial in every lesson. This book looks at how we can encourage children from the very beginning to think of themselves as young researchers using skills and strategies for clear purposes. It argues that the creative practitioner nurtures children's sense of wonder and curiosity about the world and all its phenomena. Packed full of advice on how to use the most stimulating and exciting texts and the liveliest approaches, the book celebrates the good practice of teachers and student teachers in a large number of classroom case studies. The content includes: * a summary of the recent developments and a framework of principles to inform good practice in this challenging aspect of literacy * chapters concentrating on particular age groups - beginning with the nursery and ending with the later primary years - and thus taking up an essentially developmental approach * an assessment of recent research and how findings can be put to practical and creative use in the classroom. A central message is that children benefit from collaborating with teachers and peers at every stage of finding out. The spoken language energises informational reading and writing, making the sharing of the fruits of children's research highly enjoyable. This book will inspire you and lead to the very best practice.

The Silly Book of Weird and Wacky Words

Junior Illustrated Thesaurus

DICTIONARIES, SCHOOL DICTIONARIES (CHILDREN'S / TEENAGE). Junior Dictionary is a perfect first reference resource for children aged 5+. Children can check their spelling, build vocabulary and polish their grammar skills with this clear, concise dictionary. Each page is packed with colour illustrations and pictures to help illustrate definitions and example sentences for each headword. Ages 5+

A Guide to Children's Reference Books and Multimedia Material

A comprehensive and easy-to-use thesaurus, containing over 300,000 synonyms and antonyms, and covering standard and colloquial English and slang.

A Word to the Wise

This new 2007 edition of the Oxford Junior Illustrated Dictionary features over 10,000 entries in alphabetical order, in a clear and accessible design, with many new photographs and illustrations. Each page is colourful, clear and accessible: simple, easy-to-read numbered meanings, and word classes. There are also panels that focus on overused words, words belonging to the same family and key language features such as connectives or apostrophes. Another unique feature is the example sentences by well-known children's authors, such as Dick King-Smith, Jacqueline Wilson and Roald Dahl. These show the words actually in use to reinforce meaning but they also hook children in to using language effectively. Unique to Oxford, they take children beyond looking up a word for spelling or meaning - and into thinking about reading and writing independently. The full alphabet appears on every page with a coloured tab on the letter of the page - plus the dictionary quartiles are picked out in a vibrant colour. Together, these are invaluable navigation tools for the child practising their alphabet skills. Guidewords also appear on every page. Extra material at the back is accurately levelled for the curriculum at this age. It includes information for spelling success, punctuation, simple grammar, key overused words (with alternatives) as well as word origins, prefixes and suffixes.

Oxford Primary Thesaurus

Oxford Junior Illustrated Dictionary

After his daughter's murder, a grieving father confronts God with desperate questions -- and finds unexpected answers -- in this riveting and deeply moving #1 NYT bestseller. When Mackenzie Allen Phillips's youngest daughter Missy is abducted during a family vacation, he remains hopeful that she'll return home. But then, he discovers evidence that she may have been brutally murdered in an abandoned shack deep in the Oregon wilderness. Four years later, in this midst of his great sadness, Mack receives a suspicious note that's supposedly from God, inviting him back to that shack for a weekend. Against his better judgment, he arrives on a wintry afternoon and walks back into his darkest nightmare. What he finds there will change his life forever.

Peppa Pig: Peppa's Royal Party

The story of Snow White and Rose Red is one of the lesser-known fairy tales, collected by the Brothers Grimm in Germany in the 19th century. This retelling of the story, originally published by Ladybird in 1969, is one of the best-known versions of Snow White and Rose Red in modern times. This beautiful Ladybird ebook edition of Snow White and Rose Red is a perfect first illustrated introduction to this classic fairy tale for young readers from 3+. The story is sensitively retold, following the tale of two young sisters who encounter a friendly bear and a wicked dwarf. Other exciting titles in the Ladybird Tales series include The Three Billy Goats Gruff, Cinderella, The Three Little Pigs, Jack and the Beanstalk, Goldilocks and the Three Bears, The Gingerbread Man, Hansel and Gretel, Little Red Riding Hood, Sleeping Beauty, Rumpelstiltskin, Snow White and the Seven Dwarfs, Rapunzel, The Magic Porridge Pot, The Enormous Turnip, Puss in Boots, The Elves and the Shoemaker, The Big Pancake, Dick Whittington, The Princess and the Frog, The Princess and the Pea, Chicken Licken and The Little Red Hen. Ladybird Tales are based on the original Ladybird retellings, with beautiful pictures of the kind children like best - full of richness and detail. Children have always loved, and will always remember,

these classic fairy tales and sharing them together is an experience to treasure. Ladybird has published fairy tales for over forty-five years, bringing the magic of traditional stories to each new generation of children.

Household Words

A dictionary of real and invented words used by the world's best storyteller. 'Roald Dahl Dictionary' reveals what they mean, where they came from and how he used them in his stories. It will inspire you to choose and use each word brilliantly in your own writing - whether it's a real word, a Roald Dahl word or your own made-up one.

Subject Guide to Children's Books In Print, 1996

Writers, game designers, teachers, and students ~this is the book you've been waiting for! Written by storytellers for storytellers, this volume offers an entirely new approach to word finding. Browse the pages within to see what makes this book different:

Oxford Very First Dictionary

A picture word book with 1,000 useful words arranged by themes. This engaging and delightfully illustrated word book helps children boost their vocabulary and develop their speaking skills. A thousand really useful everyday words, carefully matched with detailed and amusing pictures, provide lots to spot and talk about. There are also QR codes to scan so you can listen to all the words.

The Silly Book of Side-Splitting Stuff

Can you imagine a world where there aren't just the thirty-two Ladybird Books for Grown-Ups you've seen in your local bookshop or downstairs toilet but hundreds and hundreds more? If you can't, then this book is here to imagine it for you. Here is an enormous collection of helpful guides to everything from worryingly high cholesterol to worryingly high mortgages - from teenagers you can't understand to prizewinning novels you can't understand - all presented simply and colourfully, in a way that even the most jaded, exhausted, baffled grown-up can enjoy. 'This is such a good idea I'm currently experiencing all the physical sensations of anger because I didn't think of it, whereas Jason and Joel did, the shits.' Charlie Brooker 'I do not hasten to say that these books are the new Da Vinci Code.' Aisling Bea 'These books are small masterpieces. They make me glad I learned to read.' David Quantick 'HILARIOUS. Berserkly brilliant.' Mel Giedroyc

J'aime la maternelle

Avec des activités ludiques et des jeux (puzzle, 7 différences, chercher l'erreur, coloriages...) Une organisation thématique pour permettre à l'enfant d'être libre de les réaliser sans ordre précis. Un univers magique : tout au long du cahier, une famille de sorciers et leur dragon domestique accompagne l'enfant pour faire une, deux ou trois activités par page

J'aime la maternelle

Autour de Léa et Hugo en vacances à la ferme, l'enfant découvre les premières notions mathématiques : les nombres, la logique, le calcul, les formes, les grandeurs et le repérage dans l'espace. 128 pages d'activités progressives, classées par niveau de la PS à la GS. Avec en plus, en fin d'ouvrage, des pages de jeux pour s'amuser intelligemment !

J'aime la maternelle

Dans ce cahier l'enfant s'initie à l'anglais en suivant Lucas, un petit garçon de 5 ans, et toute sa famille. Grâce à des activités variées et colorées dont de nombreuses comptines, il apprend ses premiers mots d'anglais, les prononce et se familiarise avec la langue. Tous les mots appris sont réunis à la fin du cahier pour mieux les retenir. En plus, 1 CD avec tous les mots de vocabulaire et des comptines !

Mon cahier avec plein d'activités d'anglais de 3 à 6 ans

Un gros cahier d'activités à garder pendant ses trois années de maternelle pour acquérir tous les apprentissages de la maternelle en s'amusant. Dans ce gros cahier, des activités ludiques et des jeux (puzzle, 7 différences, chercher l'erreur, coloriages...), organisés par thèmes pour permettre à l'enfant d'être libre de les réaliser sans ordre précis. L'enfant évoluera dans un monde magique et sera accompagné par une famille de sorciers et leur dragon domestique pour faire une, deux ou trois activités par page.
