Anyone But You

Brotherly love may be off limits between BFFs, but these six couples risk family and friends to find their happily ever after. Clean Breaks: Sarah Soon's brush with cancer shook this usually confident OB/GYN. Jake Li, her brother's annoying high school best friend who betrayed her trust, is the last

person she wants to see, but the now disturbingly hot social worker has begun hanging around. Newly divorced Jake knows he shouldn't look for a serious relationship already, but he's always been helplessly drawn to Sarah's vivaciousness. Can he show her that he's worthy of a second chance? Her New Worst Enemy: To save her BFF from marrying the wrong man, Ellie will do anything, even suck up to her brother's best mate, commitment-phobic playboy Gideon DeLancy, to persuade him to hold an intervention at his Georgian manor. Gideon doesn't intend to fall for his friend's snarky sister, and he sure as hell doesn't expect their weekend to develop into a full-on sex-fest. A torrid weekend affair should be the easiest thing in the world to walk away from, so why are they finding it so difficult? From One Night to Forever: Trucker Aaron Henderson rolls into Resilient, Tennessee, for business, but an unexpected one-night stand turns out to be his new partner's baby sister. When Kacey Randal learns her brother's new business partner has a list of conquests as high as his big rig's mileage, she's ready to pretend their night together never happened. Can Aaron prove to Kacey he's ready to reform his roaming ways? The Texas Takedown: Berry Challoner arrives in Houston determined to go undercover as a secretary to solve her brother's murder. Surely Tyler Reid, his best friend and a certified public accountant, can help her follow the money to the killer. But Tyler's not a fan of this crazy, spontaneous plan, even if he is mesmerized by Berry. When it looks like she's next on the killer's list, he'll have to go all in to save the girl who's beginning to capture his heart. Baby by Design: Tony Corcarelli forged his own path as the family's black sheep, but now his dying Nonna is shamelessly pressuring him to choose between two paths he can't fathom: a wife and kids or the priesthood. Trish DeVign is a successful interior designer, single by choice and satisfied ... except for that ticking biological clock. When Trish asks her best friend's brother, Tony, to escort her to a wedding, a night of fun and flirtation turns serious, with Trish confessing she wants a baby. Could a calculated conception be the answer they've both been looking for? Coming Home: Callie Sorenson's first love was tall, tanned, and, as her older brother's best friend, completely taboo. But now a twist of fate brings her back from New York City to the childhood home she left behind years ago, and to hometown boy Danny McCutcheon. Callie is not the young girl he remembers—as a woman, she's turning his world upside down. The risk to their hearts is high, but the temptation may just prove to be too much to resist. Sensuality Level: Sensual

Break the Rules

She's my best friend's kid sister. Now she's not a kid any more. As a forest ranger, I believe in the simple life. I prefer cabins to apartments, trails over freeways, and trees to people. My life is orderly, predictable, and quiet. Until it's hit by a woman I never saw coming -- Hurricane June. She's fierce. She's feisty. She has a laugh like the first day of spring, and she's so pretty that I can't breathe when I look at her. June will only be in town for a few months—just while job-hunting. She won't last until winter, but how can I resist? Except I have to. She's my best, oldest, and most loyal friend's baby sister. Betraying him would be the worst thing I've ever done. Not betraying him might be the hardest. Especially once we start working together on a secret project. All this spending time together, sneaking around at night, and lying to her brother about what we're doing sure feels like more than friendship. June might break my heart. Her brother might break my nose. But I guess some things were made to be broken. Break the Rules is the third book in the Loveless Brothers series, and can be read as a total standalone. It's for fans of high-heat, low-angst romantic comedies and anyone who's ever had a crush on their brother's best friend. This one's got all the sibling banter you love, meddling brothers, a mountain man who's quiet in the streets and anything but in the sheets, tons of steam, and all the small town charm you can handle. Of course, it's also got an HEA. (And yes, it bangs.) ¶ This series is for fans of Elsie Silver, Claire Kingsley, Lucy Score, Kate Canterbury, and Pippa Grant.

The Secret to Dating Your Best Friend's Sister

From USA Today bestselling author Meghan Quinn comes a deliciously delightful romantic comedy centered in New York City about falling in love with your best friend's sister. How do you date your best friend's sister? Easy. Step one: Pretend you want her to set you up with someone else. That will bring the two of you closer. Step two: Go on date with lots of random women, proceed to get stupid drunk and talk about your best friend's sister, thus gaining the courage to finally make a move. Step three: Randomly show up at her apartment and confess your love. Women love that, right? It all seemed so simple. A fool-proof three step process that will guarantee the love of your life to fall madly in love with you. At least--that's what I thought was going to happen. But my attempts to win over Julia Westin backfired in more ways than I can count. The thing about Julia? She's smart--really smart--and her wicked gaze cuts through all the charm I've tried slinging her way. She's not interested in games, my gifts, or my stories. She might want me too; but she's not giving in that easy...

As long as he stays away from Lily, he'll be fine. But Jack's never been good at playing by the rules. Lily Lily Sinclair doesn't get the opportunity to say no when her brother and his best friend move in with her. She's trying to get ready for her first year of college while they're partying, getting into fights, and playing hockey. Must be nice. My Best Friend's Brother

We used to call ourselves The Three Musketeers. I know it's cliché, but we were only kids. They usually took turns being in charge, which was fine with me. I was just happy to go along with them. After all, I thought I was the luckiest little girl in the whole world. Most of my classmates only had one best friend, but I had two: my best friend Izzy and her twin brother. Back then, I hoped things would never change, but that's the problem with more. Once I saw a glimpse of it, it was impossible to stop wanting it. Especially when it came to Shane. **This standalone best friend romance has no cheating, no cliffhangers, and is intended for a mature audience.
