Titus Andronicus may be Shakespeare's earliest tragedy; it is believed to have been written sometime between 1584 and the early 1590s. It depicts a Roman general who is engaged in a cycle of revenge with his enemy Tamora, the Queen of the Goths. The play is by far Shakespeare's bloodiest work. It lost popularity during the Victorian era because of its gore, and has only recently begun to revive its fortunes.

Titus Andronicus by William Shakespeare Illustrated (Penguin Classics)

The acclaimed Pelican Shakespeare series, now in a dazzling new series design The Pelican Shakespeare series features authoritative and meticulously researched texts paired with scholarship by renowned Shakespeareans. Each book includes an essay on the theatrical world of Shakespeare's time, an introduction to the individual play, and a detailed note on the text used. Updated by general editors Stephen Orgel and A. R. Braunmuller, these easy-to-read editions incorporate over thirty years of Shakespeare scholarship undertaken since the original series, edited by Alfred Harbage, appeared between 1956 and 1967. With stunning new covers designed by Manuja Waldia, definitive texts, and illuminating essays, the Pelican Shakespeare will remain a valued resource for students, teachers, and theater professionals for many years to come. This edition of Titus Andronicus is edited with an introduction by Russ McDonald. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Titus Andronicus

Titus Andronicus * Timon of Athens * Coriolanus Each Edition Includes: Comprehensive explanatory notes placed on pages facing the text of the play Vivid introductions and the most up-to-date scholarship Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English Completely updated, detailed bibliographies and performance histories An interpretive essay on film adaptations of the play, along with an extensive filmography Titus Andronicus This, Shakespeare's earliest tragedy, is also his bloodiest and most horror-filled. A Roman general, to appease the spirit of his dead son, sacrifices the son of a captive Goth queen—and sets in motion a remorseless cycle of revenge and counterrevenge. The play's vivid spectacle of violence stuns audiences with rape, murder, mutilation, and unmitigated cruelty. Timon of Athens This stark drama—in some ways Shakespeare's most bitter play—is a brilliant psychological portrait of a wealthy Athenian lord whose extraordinary trust and love for others turns to hate and spite when, bankrupted by his generosity, he is overwhelmed by the indifference and ingratitude of those he had thought friends. Coriolanus The arrogance of a Roman military hero puts him in conflict with the people of Rome when the aristocrat is unwilling to compromise with the commoners he so despises. Compellingly relevant today, Shakespeare's last tragedy—from its opening scene of popular unrest to its chilling climax of betrayal and murder—takes an unwavering, ironic look at political extremism.

The Most Lamentable Roman Tragedy of Titus Andronicus

This major new complete edition of Shakespeare's works combines accessibility with the latest scholarship. Each play and collection of poems is preceded by a substantial introduction that looks at textual and literary-historical issues. The texts themselves have been scrupulously edited and are accompanied by same-page notes and glossaries. Particular attention has been paid to the design of the book to ensure that this first new edition of the twenty-first century is both attractive and approachable.

The Tragedy of Titus Andronicus

Titus Andronicus may be Shakespeare's earliest tragedy; it is believed to have been written sometime between 1584 and the early 1590s. It depicts a Roman general who is engaged in a cycle of revenge with his enemy Tamora, the Queen of the Goths. The play is by far Shakespeare's bloodiest work. It lost popularity during the Victorian era because of its gore, and has only recently begun to revive its fortunes.

Tragedy of Titus Andronicus

"These words are razors to my wounded heart." —Titus Andronicus "We have seen better days." —Timon of Athens Eminent Shakespearean scholars Jonathan Bate and Eric Rasmussen provide fresh new editions of the two great tragedies: Titus Andronicus, a graphic story of revenge, and Timon of Athens, a cautionary tale about false friends and unearned loyalty. THIS VOLUME ALSO INCLUDES MORE THAN A HUNDRED PAGES OF EXCLUSIVE FEATURES: • original Introductions to Titus Andronicus and Timon of Athens • incisive scene-by-scene synopsis and analysis with vital facts about the work • commentary on past and current productions based on interviews with leading directors, actors, and designers • photographs of key RSC productions • an overview of Shakespeare's theatrical career and chronology of his plays Ideal for students, theater professionals, and general readers, these modern and accessible editions from the Royal Shakespeare Company set a new standard in Shakespearean literature for the twenty-first century.

The Pelican Shakespeare: The tragedy of Titus Andronicus

Titus Andronicus is the earliest tragedy and the earliest Roman play attributed to Shakespeare. Titus, a model Roman, has led twenty-one of his twenty-five sons to death in Rome's wars; he stabs another son to death for what he views as disloyalty to Rome. Yet Rome has become "a wilderness of tigers." After a death sentence is imposed on two of his three remaining sons, and his daughter is raped and mutilated, Titus turns his loyalty toward his family. Aaron the Moor, a magnificent villain and the empress's secret lover, makes a similar transition. After the empress bears him a child, Aaron devotes himself to preserving the baby. Retaining his thirst for evil, he shows great tenderness to his little family—a tenderness that also characterizes Titus before the terrifying conclusion.

Three Classical Tragedies

Titus Andronicus is one of Shakespeare's earliest and bloodiest tragedies and was hugely successful in his lifetime. Subsequent generations have struggled with its bold confrontation of violence but in the 20th and 21st centuries the play has chimed with audiences again, perhaps because of its simultaneously shocking and playful approach to violent revenge and bodily mutilation. Jonathan Bate's original Arden edition was first published in 1995 and has had a significant influence on how the play has been performed and studied in the past 20 years. This revised edition includes a new 10,000 word introductory essay in which Bate reassess his views on the play's co-authorship with George Peele in the light of contemporary textual scholarship and updates his lively account of the play's performance history, on the international stage and screen. With detailed on-page commentary notes this will continue to be the edition of choice for students, scholars and theatre-makers.

The Plays of William Shakespeare. In Ten Volumes: Julius Caesar ; Antony and Cleopatra ; Timon of Athens ; Titus Andronicus

Violent! Bloody! Revenge! It's not Quentin Tarantino--it's Shakespeare! And Titus Andronicus is perhaps one of the greatest revenge plays he ever wrote. Revenge is sweet--when you can understand it! Let BookCaps help with this modern retelling of Shakespeare's classic tragedy. If you have struggled in the past reading Shakespeare, then BookCaps can help you out. This book is a modern translation of Titus Andronicus. The original text is also presented in the book, along with a comparable version of both text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

The Moste Lamentable Roman Tragedy of Titus Andronicus

As part of the Signet Classics Shakespeare Series edited by Sylvan Barnet of Tufts University, this edition includes commentaries on both plays as well as up-to-date production histories.

The Dramatic Works of William Shakespeare, in Ten Volumes: Julius Caesar. Antony and Cleopatra. Timon of Athens. Titus Andronicus

Titus Andronicus may be Shakespeare's earliest tragedy; it is believed to have been written sometime between 1584 and the early 1590s. It depicts a Roman general who is engaged in a cycle of revenge with his enemy Tamora, the Queen of the Goths. The play is by far Shakespeare's bloodiest work. It lost popularity during the Victorian era because of its gore, and has only recently begun to revive its fortunes.

The Dramatic Works of William Shakespeare: Julius Caesar. Antony and Cleopatra. Timon of Athens. Titus Andronicus

Titus Andronicus is a tragedy by: William Shakespeare. believed to have been written between 1588 and 1593.

Titus Andronicus

Titus Andronicus is the earliest tragedy and the earliest Roman play attributed to Shakespeare. Titus, a model Roman, has led twenty-one of his twenty-five sons to death in Rome's wars; he stabs another son to death for what he views as disloyalty to Rome. Yet Rome has become "a wilderness of tigers." After a death sentence is imposed on two of his three remaining sons, and his daughter is raped and mutilated, Titus turns his loyalty toward his family. Aaron the Moor, a magnificent villain and the empress's secret lover, makes a similar transition. After the empress bears him a child, Aaron devotes himself to preserving the baby. Retaining his thirst for evil, he shows great tenderness to his little family--a tenderness that also characterizes Titus before the terrifying conclusion.

The Complete Pelican Shakespeare

Titus Andronicus is a tragedy by William Shakespeare believed to have been written between 1588 and 1593, probably in collaboration with George Peele. It is thought to be Shakespeare's first tragedy and is often seen as his attempt to emulate the violent and bloody revenge plays of his contemporaries, which were extremely popular with audiences throughout the 16th century.

The Narrative Poems, with An Epilogue to the Last Volume of the Penguin Shakespeare

This article is about the play by William Shakespeare. For the band of the same name, see Titus Andronicus (band).First page of The Lamentable Tragedy of Titus Andronicus from the First Folio, published in 1623Titus Andronicus is a tragedy by William Shakespeare, believed to have been written between 1588 and 1593, probably in collaboration with George Peele. It is thought to be Shakespeare's first tragedy and is often seen as his attempt to emulate the violent and bloody revenge plays of his contemporaries, which were extremely popular with audiences throughout the 16th century.[1]The play is set during the latter days of the Roman Empire and tells the story of Titus, a fictional general in the Roman army, who is engaged in a cycle of revenge with Tamora, Queen of the Goths. It is Shakespeare's bloodiest and most violent work. It has traditionally been one of his least respected plays. Though extremely popular in its day, it had fallen out of favor by the later 17th century. The Victorian era disapproved of it largely because of what was regarded as its distasteful graphic violence. However, beginning around the middle of the 20th century, its reputation began to improve

The Tragedy of Titus Andronicus

"Titus Andronicus is a tragedy by William Shakespeare, believed to have been written between 1588 and 1593, probably in collaboration with George Peele. It is thought to be Shakespeare's first tragedy and is often seen as his attempt to emulate the violent and bloody revenge plays of his contemporaries, which were extremely popular with audiences throughout the 16th century.[1]The play is set during the latter days of the Roman Empire and tells the fictional story of Titus, a general in the Roman army, who is engaged in a cycle of revenge with Tamora, Queen of the Goths. It is Shakespeare's bloodiest and most violent work, and traditionally was one of his least respected plays; although it was extremely popular in its day, by the later 17th century it had fallen out of favour. In the Victorian era, it was disapproved of primarily because of what was considered to be a distasteful use of graphic violence, but from around the middle of the 20th century its reputation began to improve"

The Lamentable Tragedie of Titus Andronicus

Widely accepted as Shakespeare's earliest tragedy, "Titus Andronicus" is the bloody story of a Roman general engaged in terrible revenge with the Queen of the Goths, Tamora. The play begins with Titus returning to Rome after ten years of fighting. He brings with him the defeated Tamora, Queen of the Goths, and her sons. Titus sacrifices one of Tamora's sons to avenge the sons he lost in the war, which begins a cycle of revenge in which Tamora and her lover Aaron the Moor plot and scheme against the remaining children of Titus. This entails especially horrific results for his daughter Lavinia, whose fate is thought to be based on a mythological story in Ovid's "Metamorphoses" about Procne and Philomela. The conclusion is full of further violence and death, with few characters remaining to tell the tragic story of Titus and his children.

William Shakespeare, Coriolanus

Titus Andronicus is a tragedy by William Shakespeare, believed to have been written between 1588 and 1593, probably in collaboration with George Peele. It is thought to be Shakespeare's first tragedy and is often seen as his attempt to emulate the violent and bloody revenge plays of his contemporaries, which were extremely popular with audiences throughout the 16th century.[1] The play is set during the latter days of the Roman Empire and tells the fictional story of Titus, a general in the Roman army, who is engaged in a cycle of revenge with Tamora, Queen of the Goths. It is Shakespeare's bloodiest and most violent work, and traditionally was one of his least respected plays; although it was extremely popular in its day, by the later 17th century it had fallen out of favour. In the Victorian era, it was disapproved of primarily because of what was considered to be a distasteful use of graphic violence, but from around the middle of the 20th century its reputation began to improve

Titus Andronicus/William Shakespeare

Titus Andronicus by William Shakespeare

Titus Andronicus & Timon of Athens

One of Shakespeare's darker and grittier plays, Titus Andronicus fell out of favor in the Victorian era, but had a resurgence in popularity in the twentieth century.

Shakespeare's Tragedy of Titus Andronicus

'The most perfect specimen of the dramatic art existing in the world' Percy Bysshe Shelley Shakespeare's bleak and brutal tragedy begins when an ageing king, seeking a successor, rejects the young daughter who loves him and misplaces his trust in her malevolent sisters. In return they strip him of his power and condemn him to a wretched wasteland of horror and insanity. Set in a pitiless universe, King Lear is a towering, elemental masterpiece of fierce poetry and vast imaginative scope.
