Faith Driven Entrepreneur

"I'm excited about Faith Driven Entrepreneur. Anyone who is following the example of their creator God can find echoes of their work in this book." --Lecrae Entrepreneurship can be a lonely journey. But it doesn't need to be. God has a purpose and a plan for all those entrepreneurial dreams and creative gifts he gave you. The work you do today--the company you've built, the employees you work with, the customers you serve, the shareholders you report to, all of it--serves as an active part of what God wants to accomplish on earth. You are not alone in this journey. Join other faith-driven entrepreneurs as, together, we identify the values, habits, and traits that empower us to successfully build businesses, serve our communities, and faithfully pursue a loving relationship with God; read stories that exemplify how those values, habits, and traits unfold in everyday life; and discover the potential God wants to unleash through our work. Each book purchase includes access to the eight-session Faith Driven Entrepreneur video series, a discussion guide to encourage conversation among peers, and an invitation to join a Faith Driven Entrepreneur Group to meet other like-minded entrepreneurs.

The Meaning of Success: Insights from Women at Cambridge makes a compelling case for a more inclusive definition of success. It argues that in order to recognise, reward and realise the talents of both women and men, a more meaningful definition of success is needed. Practical ways of achieving this are explored through interviews with female role models at the University of Cambridge. First-person stories bring alive the achievements and challenges women experience in their working lives, and the effect gender has on careers. The book stimulates a debate about how to bring about a more inclusive working environment.

Successful Men of To-Day & What They Say of Success: Based on Facts & Opinions Gathered by Letters & Personal Interviews from Five Hundred Prominent M

There is no real commendability in a mere resolve. If Christians resolve to do something, and never actually get around to doing it, what good is that? A weak and wobbling resolution in this way, holds in it nothing of real value. But if Christians desire to glorify the living Christ in their kingdom service, then such service does, truly, come in light of biblical resolution. For a true and Spirit-guided resolution to take place, the Christian mind considers many things. All Spirit-filled Christians turn all resolving powers into execution. Having a resolve to do something is a wonderful beginning. It ties two parts of a duty together for the Christian; to resolve and to do. Being resolved as a Christian, sets forth a deliberation of the mind about the thing to be resolved on. No wise Christian will ever resolve to do anything until he has considered the action, and weighed it in the balance of Scripture with himself, and fully debated its necessity and expedience. How might a Christian be resolved in the work of doing good always before God? And in what main categories might resolution take place? In considering a holy resolve, a fixed determination of serving King Jesus, this book will cover five marks: Mark 1: resolved to do great works for the glory of God in everything. Mark 2: resolved to contend for the faith once delivered to the saints. Mark 3: resolved to reject all earthlimindedness. Mark 4: resolved to righteously use the means of grace for further sanctification as Christ prescribes. Mark 5: resolved to continue to do good without growing weary.
