Bodacious Creed

U.S. Marshal James Creed has known loss, starting from the untimely death of his wife and daughter in a sudden fire. His work, chasing down and arresting outlaws across the Wild West, is all he has left to live for. Then one day, in 1876, the infamous killer Corwin Blake catches Creed by surprise and guns him down. Creed awakes after a mysterious young woman resurrects him in a basement laboratory beneath a brothel. Half alive, Creed feels torn between his need for justice and his desire to fall back into the peace of death. Creed's instincts drive him to protect the city of Santa Cruz, California, from the outlaws it harbors while searching for Blake. He uncovers a secret criminal organization, likely protecting Blake, determined to use resurrection technology for its own ends. The former marshal, now faster, stronger, and a more deadly shot than ever before, must work with a brothel madam, a bounty hunter, and the remaining marshals to uncover the criminal syndicate before they can misuse the machines of rebirth

and create more mindless zombies. Meanwhile, he must also stop Blake, before the outlaw kills the only people he cares about. His own death can wait.

Bodacious Creed

U.S. Marshal James Creed has known loss, starting from the untimely death of his wife and daughter in a sudden fire. His work, chasing down and arresting outlaws across the Wild West, is all he has left to live for. Then one day, in 1876, the infamous killer Corwin Blake catches Creed by surprise and guns him down. Creed awakes after a mysterious young woman resurrects him in a basement laboratory beneath a brothel. Half alive, Creed feels torn between his need for justice and his desire to fall back into the peace of death. Creed's instincts drive him to protect the city of Santa Cruz, California, from the outlaws it harbors while searching for Blake. He uncovers a secret criminal organization, likely protecting Blake, determined to use resurrection technology for its own ends. The former marshal, now faster, stronger, and a more deadly shot than ever before, must work with a brothel madam, a bounty hunter, and the remaining marshals to uncover the criminal syndicate before they can misuse the machines of rebirth and create more mindless zombies. Meanwhile, he must also stop Blake, before the outlaw kills the only people he cares about. His own death can wait.

Bodacious Creed and the Jade Lake

James "Bodacious" Creed stopped a killer and helped bring peace to Santa Cruz, a coastal California city on the edge of the American frontier. Now, the undead lawman, resurrected with steam-based technology, takes on dangerous criminal cases as a private investigator. One night while riding by the wharf, Creed hears a gunshot. He and his coyote companion, Coconino, rush to the scene. In a forest clearing, he finds two dead men and a dying woman. Mechanical parts ring her neck and wrist, and as she whispers of her travails, the former Chinese slave dies in his arms. Someone in San Francisco is using illegal machinery to alter and control women like her. To hunt down the perpetrator, Creed travels to the City by the Bay. His journey takes him into the depths of Chinatown, reveals a secret society, and puts old and new friends in danger. How can Creed learn the truth before more women are changed, manipulated, or killed?

The Devil's Revolver

She is Hettie Alabama — unlikely, scarred, single-minded, and blood bound to a revolver forged by a demon. The first book in an epic, magic-clad series featuring the Wild West reimagined as a crosscultural stereoscope of interdimensional magic and hardship, *The Devil's Revolver* opens with a shooting competition and takes off across the landscape after a brutal double murder and kidnapping — to which revenge is the only answer. Hettie Alabama, only seventeen years old, leads her crew of underdogs with her father's cursed revolver, magicked to take a year off her life each time she fires it. It's no way for a ranch girl to grow up, but grow up she does, her scars and determination to rescue her vulnerable younger sister deepening with every year of life she loses. A sweeping and high-stakes saga that gilds familiar Western adventure with powerful magic and panoramic fantasy, *The Devil's Revolver* is the last word and the blackest hat in the Weird West.

The Legend of Diablo

Hell's not so scary when you've been there twice already...It's been three years since she lost her sister, Abby, to the Division, and Hettie Alabama has gone rogue. Roaming the West with an outlaw posse, robbing banks and stealing magic, she's broken every rule she once believed in. Nothing matters anymore but finding Abby. Meanwhile, the world is on fire. Hungry for power, the Division leaches magic from the vulnerable, with dire consequences that set Hettie's pursuit of her sister on a collision course with dangerous monsters and even more dangerous men. It's up to Hettie and her cursed revolver, Diablo, to find a way to save the world—or end it. *The Legend of Diablo* delivers an action-packed conclusion to the *Devil's Revolver* series steeped in violent history, dark magic, and hope that demands an accounting.

Monster Hunter Bloodlines

IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING PRIORITIES. The chaos god Asag has been quiet since the destruction of the City of Monsters, but Monster Hunter International know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When

Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. But before the stone can be handed off, it is stolen by a mysterious thief with ties to MHI and the Vatican's Secret Guard. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is, there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Larry Correia and the Monster Hunter International series: "[E]verything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow." —Jim Butcher "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read." —BookReporter.com "If you love monsters and action, you'll love this book. If you love guns, you'll love this book. If you love fantasy, and especially horror fantasy, you'll love this book." —Knotclan.com "A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books] . . . The plotting is excellent, and Correia makes you care about the characters . . . I read both books without putting them down except for work . . . so whaddaya waitin' for? Go and buy some . . . for yourself and for stocking stuffers." —Massad Ayoob "This lighthearted, testosterone-soaked sequel to 2009's *Monster Hunter International* will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts." —Publishers Weekly on *Monster Hunter Vendetta*

Trance: from Magic to Technology

This book describes a new model for trance as well as practical techniques to analyse and design trances. Writing from his personal experience, Wier suggests that some of these ideas might represent new practical precision tools for psychologists as well as for those who work with the occult. Practical suggestions for meditators, yogis, witches and others are included to deepen trance and to increase the trance force as well as techniques to terminate a trance. Pathological trance and trance abuse are also described with suggestions on how they may be recognized and prevented.

Your First 1000 Copies

"If I could give an aspiring writer one piece of advice, it would be to read this book." — Hugh Howey, New York Times best selling author of *Wool* "Tim Grahl is fast becoming a legend, almost single-handedly changing the way authors around the world spread ideas and connect with readers. If you've got a book to promote, stop what you're doing right now and start reading *Your First 1000 Copies*." — Daniel H. Pink, New York Times bestselling author of *Drive* and *When* "Your First 1000 Copies is a must-read for authors trying to build a connection with their readers." — Dan Heath & Chip Heath, co-authors of *Made to Stick*, *Switch*, and *Decisive* "I watched in awe as Tim Grahl had 5 clients on the New York Times bestseller list in the same week. There is no one I trust more to learn about book marketing." - Pamela Slim, Author, *Body of Work* "Tim was an early pioneer in teaching book authors how Internet marketing actually works." - Hugh MacLeod, author of *Ignore Everybody* and *Evil Plans* Imagine if you had a direct connection with thousands of readers who loved reading your books. And imagine if those readers eagerly awaited the launch of your next book. How would that direct relationship with your readers change your writing career? How would you feel knowing that every time you started a new book project, you already had people excited to buy it and ready to recommend it to others? In *Your First 1000 Copies*, seasoned book marketing expert Tim Grahl walks you through how successful authors are using the online marketing tools to build their platform, connect with readers and sell more books. Tim has worked with over 100 different authors from top best sellers such as Hugh Howey, Daniel Pink, Barbara Corcoran Charles Duhigg, Chip and Dan Heath, Ramit Sethi and Pamela Slim to authors just get started on their first writing project. He has worked with authors across all fiction and non-fiction genres. Along with his client work, he has studied many other successful authors to learn what works and what doesn't. The result is *Your First 1000 Copies* where he walks you through the Connection System, a plan that every author can immediately start using. The plan looks like this: - Permission - How to open up communication with your readers where you can reliably engage them and invite them to be involved. - Content - How to use content to engage with current readers and connect with new ones. - Outreach - How to ethically and politely introduce yourself to new readers. - Sell - How all of these steps can naturally lead to book sales without being pushy or annoying This is a system that any author can immediately put in place to start building their platform. Whether you're a seasoned author

looking to step into the new publishing landscape, or you're a brand new author, *Your First 1000 Copies* will give you the tools to connect with readers and sell more books.

The Family Business

Decades ago, the Visitors descended on Earth. They claimed to bring peace and prosperity. Their real goal was the total subjugation of humankind. But humanity did not give up its only home without a fight. After a devastating war, the Visitors were driven back to Mars. Their millions of willing human collaborators were left behind. The task of hunting down these former alien collaborators and bringing them to justice falls to Federal Recovery Agents like Nathan Foster. Now, Nathan Foster is tasked with bringing to justice Emmogene Anderson. As a teenager, Emmogene was experimented on by the Visitors and implated with a device that allows her to control other people. With her is her obsessive ex-lover, who was also a former commando of the Visitors' forces. It's an easy enough job—but Emmogene has been implanted with something else, something much more important. Nathan and Ben must decide what is right in a largely lawless world—and the fate of the planet hangs in the balance. At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for Mike Kupari: "After co-writing *Dead Six* and *Swords of Exodus* with Larry Correia, Kupari makes his solo debut with this space opera that is bound to attract fans of Mike Shepherd's *Kris Longknife* series or Elizabeth Moon's *Vatta's War* books. An excellent choice for both teen and adult sf readers." —Library Journal on *Her Brother's Keeper* "Mike Kupari is an awesome storyteller." —Larry Correia "A big, sweeping space adventure, with heroic characters you care about. Mike Kupari is an awesome storyteller." —Larry Correia on *Sins of Her Father*

It Came From The Trailer Park: Volume 1

Do you love sparkly vampires? Well too bad, because you won't find a single one of those fancy-dancy bloodsuckers anywhere in this collection! *It Came From The Trailer Park* began as a fun idea to revisit the Classic Horror and Old-School Creature Feature genres with a hefty helping of B-rate tropes thrown in for good measure. Who doesn't love a good Bruce Campbell or classic Vincent Price flick on a dark and dreary night? Emmy award winner Bill Oberst Jr. opens the collection and sets the stage for the stories to come. From aliens to demons to werewolves and so many more, you're sure to fall in love with these tales of the Macabre. So come on in. Take a load off. And get yourself ready for nineteen unforgettable tales, straight from the Trailer Park. Stories written by: Sara Brooke, Mel Todd, Charity Ayres, Amie Gibbons, William Alan Webb, Philip K. Booker, J.F. Posthumus, JL Curtis, John Drake, Michael K. Falciani, Michael Gants, Rob Howell, R.J. Ladon, LawDog, Benjamin Tyler Smith, Kevin Steverson, Christopher Woods, Jenny Wren, and William Joseph Roberts. From Trailer-trash to armageddon survivalists, this book ROCKS! -- Faith Hunter NYT and USA Today bestseller

Empire from the Ashes

An ancient alien menace threatens in this hardcover volume which collects for the first time Weber's epic space adventure trilogy--"Mutineer's Moon, The Armageddon Inheritance" and "Heirs of Empire."

Ice and Monsters

Swift. Silent. Deadly? Hunted. Recon Marine Conor McCall didn't expect action during his training op in the icy waters off Norway. But when a bizarre summer fog engulfed his boat, he and his team found themselves in a pitched fight against strange, cruel monsters emerging from the coastal depths of the North Sea. That was just the beginning. Stranded in a barren land of mountains, glaciers, and black pines, far from home and unable to contact the world they came from, the Marines must prepare for war against murderous barbarians, wicked sorcerers, and foul creatures summoned from the oldest, deepest, and darkest pits of hell. When even their allies are enemies, the Recon Marines must do what they have always done: adapt or die. But with a world of ice and monsters seeking to destroy them, every second is mission-critical. U.S. Marine Veteran Peter Nealen delivers a thrilling, action-packed WarGate adventure that blends the world-building of *Eaters of the Dead* with the gritty combat and real-life tactics of *Forgotten Ruin*.

The Apocalypse Seven

Scott Sigler called Doucette's cozy apocalypse story, "entertaining as hell." Come see how the world ends, not with a bang, but a whatever . . . The whateverpocalypse. That's what Touré, a twenty-some-

thing Cambridge coder, calls it after waking up one morning to find himself seemingly the only person left in the city. Once he finds Robbie and Carol, two equally disoriented Harvard freshmen, he realizes he isn't alone, but the name sticks: Whateverpocalypse. But it doesn't explain where everyone went. It doesn't explain how the city became overgrown with vegetation in the space of a night. Or how wild animals with no fear of humans came to roam the streets. Add freakish weather to the mix, swings of temperature that spawn tornadoes one minute and snowstorms the next, and it seems things can't get much weirder. Yet even as a handful of new survivors appear—Paul, a preacher as quick with a gun as a Bible verse; Win, a young professional with a horse; Bethany, a thirteen-year-old juvenile delinquent; and Ananda, an MIT astrophysics adjunct—life in Cambridge, Massachusetts gets stranger and stranger. The self-styled Apocalypse Seven are tired of questions with no answers. Tired of being hunted by things seen and unseen. Now, armed with curiosity, desperation, a shotgun, and a bow, they become the hunters. And that's when things truly get weird.

Justice a Poem

Contains an all-new afterword by New York Times best-selling author Larry Correia! Welcome to Monster Hunter International. Five days after Owen Zastava Pitt pushed his insufferable boss out of a fourteenth story window, he woke up in the hospital with a scarred face, an unbelievable memory, and a job offer. It turns out that monsters are real. All the things from myth, legend, and B-movies are out there, waiting in the shadows. Officially secret, some of them are evil, and some are just hungry. On the other side are the people who kill monsters for a living. Monster Hunter International is the premier eradication company in the business. And now Owen is their newest recruit. It's actually a pretty sweet gig, except for one little problem. An ancient entity known as the Cursed One has returned to settle a centuries old vendetta. Should the Cursed One succeed, it means the end of the world, and MHI is the only thing standing in his way. With the clock ticking towards Armageddon, Owen finds himself trapped between legions of undead minions, belligerent federal agents, a cryptic ghost who has taken up residence inside his head, and the cursed family of the woman he loves. Business is good . . . At the publisher's request, this title is sold without DRM (Digital Rights Management). Lexile Score: 710

Monster Hunter International, Second Edition

"Twenty people wake to find themselves in a boarded-up building in the middle of the zombie wasteland. They soon realize they have been chosen as contestants on a popular reality show called Zombie Survival. Each contestant is given a backpack of supplies and a unique weapon. Their goal: be the first to make it through the zombie-plagued city to the pick-up zone alive. But because there's only one seat available on the helicopter, the contestants not only have to fight off the hordes of the living dead, they must also fight each other."--Page 4 of cover.

Zombies and Shit

The buzz surrounding social media focuses on how business can build relationships by participating in the online conversation. When it works, social media relationship building is often labor and time intensive with a return on investment that is often hard to measure. Not many people understand that social media campaigns can be orchestrated to build relationships and drive in new business at a much greater rate than using the relationship aspect of social media alone provides. When I discovered this, relationship building became the least compelling part of the picture. Searchial is a phrase I created to describe the method of interacting within the strange new world of social media while elevating your profile in internet searches for the products and services you offer. This book teaches do-it-yourself methods of implementing a searchial media campaign. It demonstrates the added value of practicing searchial media instead of just social media. Social tools have the power to drive new business into your organization not only through communicating and relationship building, but by coincidentally causing your listing in search engines to rank higher in searches for keywords and key phrases people are using to find the products and services you offer in a specific geographical area or worldwide. The term Searchial reflects the realization that my time and effort were best spent driving new patients into my medical practice using social tools to improve our position in Google, Bing and other search engines, not just building and strengthening existing relationships. This book can be applied to and used as a guide within any industry at any stage of the new media marketing game. Appendices contain information specific to social media and search elevation in the medical profession, specifically small medical business, hospital and clinic and pharmaceutical companies.

Searchial Marketing:

Market_Desc: Office workers, in particular managers, seeking escape from stale and soporific careers.
Special Features: · Author is a prominent and regular contributor to the media, with articles in The Times and The FT, among others· Author spent an entire year employed the largest insurance brokers in the world doing absolutely nothing after completing his MBA - after which he earned a healthy redundancy pay-off
About The Book: The Living Dead, lifts the coffin lid on the theory that we are all time-pushed, harassed individuals slogging away in a never-ending corporate rat race. Whilst this may be the case for some of us, this book reveals staggering statistics that a large proportion of the work force are so bored and disillusioned with our jobs that we employ a range of diversion techniques to get us through the day, weeks, months, years.

THE LIVING DEAD: SWITCHED OFF, ZONED OUT

In a world where creating, employing or even associating with a cyborg is a crime, Lilly Gilden has one in the airlock of her interstellar. And her husband is missing. If she doesn't report the cyborg, she will be guilty of a capital crime. If she reports him, she might be destroying her only clue to her husband's whereabouts and the crime he was investigating when he disappeared. With the help of a journalist who is not quite what he seems, and a half-crazed cyborg who believes he's Nick Rhodes, a fictional detective from a story set in the 20th century, Lilly must risk herself and others as she navigates the underworld of the galaxy in an attempt to find the love of her life and bring him home.

Other Rhodes

Princess Diana of Themyscira believes that her 16th birthday will be one of new beginnings—namely, acceptance into the warrior tribe of the Amazons. But her birthday celebrations are cut short when rafts carrying refugees break through the barrier that separates her island home from the outside world. When Diana defies the Amazons to try to bring the outsiders to safety, she finds herself swept away by the stormy sea. Cut off from everything she's ever known, Diana herself becomes a refugee in an unfamiliar land. Now Diana must survive in the world beyond Themyscira for the first time—a world that is filled with danger and injustice unlike anything she's ever experienced. With new battles to be fought and new friends to be made, she must redefine what it means to belong, to be an Amazon, and to make a difference. From New York Times bestselling author Laurie R. King (Speak) and acclaimed artist Leila del Duca (Shutter), Wonder Woman: Tempest Tossed is a story about growing into your strength, fighting for justice, and finding home.

Wonder Woman: Tempest Tossed

"Ten years in the making, this book is the sequel to Jared Taylor's seminal Paved With Good Intentions. In White Identity, Taylor systematically marshals the data to show that: People of all races pay lip service to the ideal of integration but generally prefer to remain apart. ; Study after scientific study suggests that racial identity is an inherent part of human nature. ; Diversity of race, language, religion, etc. is not a strength for America but a source of chronic tension and conflict. ; Non-whites--especially blacks and Hispanics but now even Asians--openly take pride in their race and put group interests ahead of those of the country as a whole. ; Only whites continue to believe that it is possible or even desirable to transcend race and try to make the United States a nation in which race does not matter. Taylor argues that America must reassess dated assumptions, and that we need policies based on a realistic understanding of race, not on fantasies. Most provocatively, Taylor argues that whites must exercise the same rights as other groups--that they must be unafraid of considering their own legitimate interests. He concludes by warning whites that if they do not defend their interests they will be marginalized by groups that do not hesitate to assert themselves, numerically and culturally. The culmination of 25 years of writing about race, immigration, and America's future, this is Jared Taylor's best and most complete statement of why it is vitally important for whites to defend their legitimate group interests."--Amazon.com.

White Identity

Brotherhood. Honor. Duty. After surviving the initial horrors of the strange new world he finds himself in, Staff Sergeant Conor McCall and his Marine Recon platoon—or what's left of it—have come to a safe haven where they and their newfound allies recover from the most brutal op of their lives. But with MIAs left behind, there is unfinished business back in the Land of Ice and Monsters to the north. Before the

Marines can mount a rescue, the king to which they are indebted reminds them that alliances go both ways. An ancient evil has raided the Elven kingdom and carried off a priceless treasure. Only Conor and his team have any hope of recovering it. A brotherhood was forged between the Marines and Elves while in the north. For the sake of that brotherhood, Conor and the other Recon Marines will voyage across the sea, through dark, trackless, and cursed wilderness... To the lair of evil, in the Land of Shadows and Crows!

Shadows and Crows

First, there was People's Republic, then Indian Country, then Wildfire, and Collapse. Then in Crisis, America split into two nations, red and blue, side by side, and at each other's throats. Now comes The Split, the sixth novel in the bestselling thriller series that began as fiction and every day looks more and more like reality. With the USA ripped apart by the hatred and corruption of the left, red America is building a country based on the principles of the Constitution, while in the People's Republic of North America, the brakes are off as blue America hurtles toward total social justice tyranny. With the election to replace a senile president approaching, political players within the new blue America jockey for power regardless of the cost. Into this maelstrom, Kelly Turnbull is given a simple job - bring out a half-mad mathematical genius whose computer program could control the outcome of the election. But nothing is ever simple. From a mission into Cuba to an infiltration from Canada, from guerilla war in the Adirondacks to an impossible heist in which Kelly must team up with a renegade radio host and pack of Boston mobsters, the action never stops. With his trusty Wilson Combat CQB .45 and his bad attitude, Kelly Turnbull again does what he does best - lay waste to leftists. You don't assign Kelly Turnbull a mission. You unleash him. This time, he's got a score to settle - and he intends to do it with extreme prejudice.

The Split

Sandry, Daja, Briar, and Tris, are older now and back together again, in an exciting and much-awaited, stand-alone novel by everyone's favorite mage, Tamora Pierce. For years the Empress of Namorn has pressed her young cousin, Lady Sandrilene fa Toren, to visit her vast lands within the Empire's borders. Sandry has avoided the invitation for as long as it was possible. Now Sandry has agreed to pay that overdue visit. Sandry's uncle promises guards to accompany her. But they're hardly a group of warriors! They're her old friends from Winding Circle: Daja, Tris, and Briar. Sandry hardly knows them now. They've grown up and grown apart. Sandry isn't sure they'll ever find their old connection again - or if she even wants them to. When they arrive at the pala

The Will of the Empress

Epic fantasy followup to HALL OF SMOKE, featuring crumbling empires, secretive cults and godlike powers to be claimed, for readers of Margaret Owen, Brian Staveley, V. E. Schwab and Melissa Caruso. After a brutal war between the gods, Hessa – High Priestess of the Eangen – has brokered a fragile peace. Through great sacrifice, she has forged an alliance between warring tribes and introduced her people to the true god. But a new threat is growing across the southern border. In the remnants of the once-great Arpa Empire, three factions are vying for the imperial throne, and the vast well of raw magical power only accessible to the Arpa Emperor. Already beating back former Arpa legionaries at her borders, Hessa knows she cannot let this chance slip by. She must intervene, for the safety of her people. With the peace she has sacrificed so much for at stake, Hessa must venture into the heart of enemy territory, where warring Arpa factions are not the only danger she must face. A sinister new cult is on the rise, one with the power to suck the life from everything it touches. With enemies on every side and her fragile alliance beginning to waver, Hessa must decide who to trust – no matter what it may cost her...

Temple of No God

Ranging on the fringes of imagination and erudition, forming a mosaic of stories, maxims and sketches, at once fragmentary and cumulative, *Jottings from a Far Away Place* combines the timeless, mannered assurance of the Eastern discursive essay with the experimentation of the Western avant-garde. As the focus shifts between fantastic tales and studies of viciousness, the reader is treated to, among myriad other things, the adventures of a Taoist guitar player, a bloody episode with Countess de Bathory, a recipe for cinnabar sauce, and the story of a man who has been reincarnated as a spoon. A book that is like a collection of bulletins from the world of dreams."

Jottings from a Far Away Place

From authors Pip Ballantine and Tee Morris, the award winning steampunk series continues... The chase is on! After rescuing Queen Victoria from the clutches of the Maestro, Agents Eliza D Braun and Wellington Books are in hot pursuit of Dr Henry Jekyll. While he continues his experiments on the aristocracy of Europe, he leaves a trail of chaos and despair in his wake. However when Eliza and Wellington run him to ground in India, they are forced to come face to face with ghosts from the past, and the realities of empire. Meanwhile Ministry agents Brandon Hill and Bruce Campbell travel deep into Russia hunting down a rare ingredient to save Queen Victoria's life. Amid the cold they uncover a threat from the revitalized House of Usher that comes directly from their new Chairman. All in the Ministry of Peculiar Occurrences will find their allegiances in question, and their mettle tested as a new dastardly era of international intrigue dawns.

The Ghost Rebellion

Many millennia after the fall of Eden, Adam, the first man in creation, still walks the Earth – exhausted by the endless death and destruction, he is a shadow of his former hope and glory. And he is not the only one. The Garden was deconstructed, its pieces scattered across the world and its inhabitants condemned to live out immortal lives, hiding in plain sight from generations of mankind. But now pieces of the Garden are turning up on the Earth. After centuries of loneliness, Adam, haunted by the golden time at the beginning of Creation, is determined to save the pieces of his long lost home. With the help of enlisting Eden's undying exiles, he must stop Eden becoming the plaything of mankind. Adam journeys across America and the British Isles with Magpie, Owl, and other animals, gathering the scattered pieces of Paradise. As the country floods once more, Adam must risk it all to rescue his friends and his home – because rescuing rebuilding the Garden might be the key to rebuilding his life.

Birds of Paradise

It's the year 2020, and Eric Beckman is a mind-reading detective. Although he reads only the conscious thoughts of the people he interviews, it usually gives him enough of an edge to overcome his inexperience as a PI. But mind reading is hell on relationships. Trusting comes hard when you know what people are really thinking. The case of his life lands in his lap when a beautiful woman materializes during a televised baseball game. She floats in midair, then drops to the ground, comatose. Beckman is at her bedside when she wakes up. From the moment she opens her eyes, she has him under her spell. He vows to figure out where-or when-she came from, even if it kills him. The stakes increase when she disappears without a trace. Worse, she holds the key to a worldwide energy catastrophe. If Beckman can't find her and unlock her secrets, economies will collapse, and the world will spiral down into chaos.

Yesterday's Thief

One Final Mission. There is no time to rest for Eliza D Braun and Wellington Thornhill Books. The man who has haunted and hounded them since the fall of the Maestro—Doctor Henry Jekyll—is now on a killing spree, using bizarre, theatrical murders as a way to taunt their inability to capture him. Of course, Books and Braun know this is a trap, so it falls on the Ministry's Finest to turn the tables on Jekyll and bring him to justice. As Wellington and Eliza pursue both man and monster, the House of Usher continue to push forward with Operation: Ragnarök. Agents Bruce Campbell and Brandon D Hill undertake the challenge of stopping the dark society in their tracks, unraveling a mystery that could plunge the world into chaos, despair, and a noticeable lack of Devon Cream Teas. The Ministry will not let this stand.

Operation: Endgame

This book discusses digitalization trends and their concrete applications in business and societal contexts. It summarizes new findings from research, teaching and management activities comprising digital transformation, e-business, the representation of knowledge, human–computer interaction and business optimization. The trends discussed include artificial intelligence, virtual reality, robotics, blockchain, and many more. Professors and researchers who conduct research and teach at the interface between academia and business present the latest advances in their field. The book adopts the philosophy of applied sciences and combines both rigorous research and practical applications. As such, it addresses the needs of both professors and researchers, who are constantly seeking inspiration, and of managers seeking to tap the potential of the latest trends to take their business to the next level. Readers will find answers to pressing questions that arise in their daily work.

Business Information Systems and Technology 4.0

The idea for this book was born during a tour of Greece taken by the author focusing on ancient sites including Delphi. Swisher began to wonder what happened to all the treasures that been given to the Priests and Pythias at the sanctuary and this story evolved from there. We follow both Atys, a Lydian slave from 650 BC and James, an insurance agent in AD 2010 on their journeys to Delphi Greece. Atys is among the slaves carrying a heavy chest of solid gold coins up the steep trail to the Oracle. Their paths cross when James finds a mysterious metal box in the crumbling basement of an old Greek farmhouse he may inherit. James makes a friend and partner in Angela who struggles to overcome her fears to help him unravel a mysterious message. You will find ordinary people with normal quirks and believable skills who will take you on a fast-paced adventure leading to an exciting and fulfilling climactic ending.

Two Paths Crossing

'Loved THE FOREVER SEA. Loved it. Sheer joy' Joanne M Harris, author of *Chocolat* and *The Gospel of Loki* Sing. A story of hope and adventure, of loss and sacrifice, of the blue-sky surface world far above, where ships sail upon the endless grasses, a story of the Forever Sea, a story of you and I... Every story has its beginning and this one starts when a young sailor, Kindred Greyreach, hearthfire keeper and sailor aboard *The Errant*, receives some devastating news. Her grandmother—The Marchess, legendary captain and hearthfire keeper—has stepped from her vessel and disappeared into the Forever Sea. But the note she leaves Kindred suggests this was not an act of suicide. Something waits in the depths, and the Marchess has set out to find it. To follow in her grandmother's footsteps, Kindred will embroil herself in conflicts bigger than she could imagine: a water war; a mythic pirate city where monsters lurk; battles against beasts of the deep, driven to the brink of madness; and the elusive promise of a world below the grasses. Of all this, and much more, sing, memory. *THE FOREVER SEA* is a story about the beauty and threat of nature and the relationship between finite natural resources and infinite greed. It's about leaving behind everything that is familiar and plunging into the terrifying unknown. I can rarely remember being this excited for a debut novel" Mary Robinette Kowal, Hugo- and Nebula Award winning author "Calls to mind Ursula K. Le Guin's *Earthsea* series" Publishers Weekly

The Forever Sea

When Faustin, the old Acoma, is given his first television set, he considers it a technical wonder, a box full of mystery. What he sees on its screen that first day, however, is even more startling than the television itself: men have landed on the moon. Can this be real? For Simon Ortiz, Faustin's reaction proves that tales of ordinary occurrences can truly touch the heart. "For me," he observes, "there's never been a conscious moment without story." Best known for his poetry, Ortiz also has authored 26 short stories that have won the hearts of readers through the years. *Men on the Moon* brings these stories together—stories filled with memorable characters, written with love by a keen observer and interpreter of his people's community and culture. True to Native American tradition, these tales possess the immediacy—and intimacy—of stories conveyed orally. They are drawn from Ortiz's Acoma Pueblo experience but focus on situations common to Native people, whether living on the land or in cities, and on the issues that affect their lives. We meet Jimmo, a young boy learning that his father is being hunted for murder, and Kaiser, the draft refuser who always wears the suit he was given when he left prison. We also meet some curious Anglos: radicals supporting Indian causes, scholars studying Indian ways, and San Francisco hippies who want to become Indians too. Whether telling of migrants working potato fields in Idaho and pining for their Arizona home or of a father teaching his son to fly a kite, Ortiz

takes readers to the heart of storytelling. Men on the Moon shows that stories told by a poet especially resound with beauty and depth.

Men on the Moon

In this breathtakingly brutal and intensely topical psychological thriller, a man is accused of child sexual abuse, and his life and that of his actress girlfriend are thrown into turmoil... 'Malone is the master of twists, turns and the unexpected, with the skill to keep things grounded. So much so, that the reader can picture themselves in the very circumstances described. Superb storytelling from a master of his craft' Herald Scotland 'Beautiful, lyrical prose takes the reader through a perfectly constructed, often harrowing tale' Denzil Meyrick _____ Film star Amelie Hart is the darling of the silver screen, appearing on the front pages of every newspaper. But at the peak of her fame she throws it all away for a regular guy with an ordinary job. The gossip columns are aghast: what happened to the woman who turned heads wherever she went? Any hope the furore will die down are crushed when Amelie's boyfriend Dave is arrested on charges of child sexual abuse. Dave strongly asserts his innocence, and when Amelie refuses to denounce him, the press witch hunt quickly turns into physical violence, and she has to flee the country. While Dave is locked up with the most depraved men in the country and Amelie is hiding on the continent, Damaris, the victim at the centre of the story, is isolated – a child trying to make sense of an adult world. Breathtakingly brutal, dark and immensely moving, A Song of Isolation looks beneath the magpie glimmer of celebrity to uncover a sinister world dominated by greed and lies, and the unfathomable destruction of innocent lives ... in an instant.

_____ Praise for Michael J. Malone 'A beautifully written tale, original, engrossing and scary ... a dark joy' The Times 'A complex and multilayered story – perfect for a wintry night' Sunday Express 'Vivid, visceral and compulsive' Ian Rankin 'A terrific read ... I read it in one sitting' Martina Cole 'A deeply satisfying read' Sunday Times 'A fine, page-turning thriller' Daily Mail 'With each turn of the page, a more shocking detail is revealed and some of the people John thought might help him are not who they seem ... The domestic noir tale is one that many families will be able to relate to ... There is barely enough time to catch your' Scotsman 'Challenging and emotional ... enthrals as it corkscrews to a shocking, yet ultimately rewarding end' LoveReading 'Malone's latest is an unsettling, multi-layered and expertly paced domestic noir drama that delves into one family's dark secrets, shame and lies' CultureFly 'Malone is a poet, there are wonderful lyrical passages here and very skilful storytelling. Some issues are not spoken about enough, Malone raises a couple of those issues and sensitively but realistically addresses them...' New Books Magazine 'Engrossing, hard-hitting – even shocking – with a light poetic frosting. Another superb read!' Douglas Skelton 'A dark and unnerving psychological thriller that draws you deep into the lives of the characters and refuses to let go. This is a brilliantly written book; I could not put it down' Caroline Mitchell 'A chilling tale of the unexpected that journeys right into the dark heart of domesticity' Marnie Riches

A Song of Isolation

What is it about anime that is so appealing to a transnational fan base? Is the American attraction to anime similar to the popularity of previous fads of Japanese culture, like the Japonisants of fin-de-siecle France enamored of Japanese art and architecture, or the American poets in the fifties and sixties who latched onto haiku? Or is this something new, a product of global culture in which ethnic identities carry less weight? This book explores these issues by taking a look at anime fans and the place they occupy, both in terms of subculture in Japan and America, and in relation to Western perceptions of Japan since the late 1800s.

From Impressionism to Anime

Objectives, Obstacles, and Tactics in Practice is the first book that compiles practical approaches of the best practices from a range of practitioners on the subject of working with Stanislavski's "objectives," "obstacles," and "tactics." The book offers instructors and directors a variety of tools from leading acting teachers, who bring their own individual perspectives to the challenge of working with Stanislavski's principles for today's actors, in one volume. Each essay addresses its own theoretical and practical approach and offers concrete instructions for implementing new explorations both in the classroom and in the rehearsal studio. An excellent resource for acting and directing instructors at the university level, directing and theatre pedagogy students, high school/secondary theatre teachers, and community theatre leaders, Objectives, Obstacles, and Tactics in Practice serves as a resource for lesson planning and exploration, and provides an encyclopedia of the best practices in the field today.

Objectives, Obstacles, and Tactics in Practice

Private Investigator Nicoli "Nikki" Hunter, has recovered from a near-fatal encounter with a multiple murderer, and is happy to get back to her regular bar and restaurant surveillance jobs. Unfortunately, the universe has other plans. One evening, (as she's acting as a decoy/victim to attract a bartender bent on sexual harassment), Jack "The Cat" McGuire settles on an adjacent bar stool and tells her a story that will alter the course of her life. Murder Over Cocktails is the second mystery featuring PI Nikki Hunter, a thirty-six-year-old gun-toting brainy beauty who excels at getting into other people's business. Hunter's office is in a marina complex in Redwood City, California, where she also lives aboard a forty-six foot Cheoy Lee sailboat. Jack McGuire is a professional cat burglar who stumbles upon videotapes of five gruesome murders while robbing the killer's house. In Murder Over Cocktails, Nikki divides her time between the complexities of her regular surveillance work and Jack's case. He can't go to the police for obvious reasons and, after their chance meeting in a bar, he hires Nikki hoping she can find a way to stop the predator before more lives are lost. At Nikki's urging Jack returns to the killer's home, steals and copies the tapes, and brings them to her office. Seeing the horror first hand, Nikki commits herself to stopping the monster who is responsible. Initially Nikki attempts to enlist the aid of her sometimes significant other, Redwood City Homicide Detective Bill Anderson, but he's a by-the-book kind of cop, unwilling to break the rules, even for Nikki. So without any help from Bill or the police, Nikki must once again play the decoy/victim, this time putting her life on the line to catch a sadistic serial killer in the act. The author, Nancy Skopin, was a 2015 Beverly Hills Book Award winner for her first novel, Murder On The Menu. She is a native of California currently living on the Oregon coast with her husband and their dogs.

Murder Over Cocktails

The kitchen can be an intimidating place for those who don't know whether they should blanch, braise, or broil. But not everyone can afford to go out whenever they want to eat well! So how does the hopeful cook learn to create delicious cuisine? In this cookbook, professional caterer and cooking expert Lauren Braun Costello gives the gourmet wannabe plenty of food for thought, including how to: Organize the kitchen to maximize space and accessibility Stock the pantry with essential tools and ingredients Master the ten techniques every home chef should know Whip up classic recipes, adapted to different palates and skill levels Use lingo you've always wondered about (what is coulis, anyway?) Starting with the most basic skills and building to advanced techniques, this culinary compendium serves up a complete A-to-Z course that starts out al dente and finishes with some zest!

The Competent Cook

Zoey Ashe, suddenly in charge of the most decadent city in the world is just trying to cope with nightmarish superhuman villains, an all-seeing social network; mysterious, smooth-talking power players; and her very, very smelly cat. But when a disembowled corpse rampages through her house and accuses her of murder, Zoey has to work out what she owns, who works for her, and if she was responsible...

Zoey Punches the Future in the Dick
