about learning how to focus your mind

keep the introduction and the meditation very simple

shake out any tension in your biceps

observe your breath

take some tension out of your shoulders

notice the muscles around and behind the eyes

relax your chest your diaphragm with each breath

relax your ribcage

relax your legs

relax your biceps

breathe check your body

take a long calm deep breath

disconnect the triggers

inspire them with your creativity with your inner knowledge

shake out at the end of the meditation
