

Between Psychology And Psychotherapy A Poetics Of Experience

[#psychology](#) [#psychotherapy](#) [#experience](#) [#poetics](#) [#mental health](#)

This exploration delves into the intricate relationship between psychology and psychotherapy, examining how the art of understanding human experience can be shaped and illuminated through a poetics-based approach. We investigate the shared ground and distinct perspectives of these fields, focusing on how the language and interpretation of experience are central to therapeutic practice and a deeper understanding of the human psyche. Ultimately, this analysis seeks to uncover the aesthetic dimensions of healing and self-discovery within the framework of psychological and psychotherapeutic interventions.

We aim to make scientific and academic knowledge accessible to everyone...Exploring The Poetics Of Experience

When Your Twenties Are Darker Than You Expected

When Your Twenties Are Darker Than You Expected explores the darkest, most unmanageable emotions that your twenties grow in your gut: Depression, Suicidality, Regret, Grief, Doubt, Dissatisfaction, Anxiety, Loneliness, and Lust. You may not know any of these words intimately. If that's the case, I recommend you don't purchase this book. This is a meeting place for those who are desperate in their darkness, with the clear conviction that God and humanity have abandoned them. "Paul's writing is like Tim Ferris meets Søren Kierkegaard - the tactical colliding with the existential." -Stephen Christian, lead singer of Anberlin ""Paul Maxwell is the Kierkegaard of our generation. ... If you know what I mean when I say 'Darkness,' then you simply must buy this book." -Daniel Montgomery, Founder of Sojourn Network "This book ... is exemplary, as well as unique: raw, confessional, and devotional; something like Augustine meets Sylvia Plath." -Eric Johnson, Lawrence and Charlotte Hoover Professor of Pastoral Care, Southern Baptist Theological Seminary "Paul is one of the most intelligent people I know, fiercely honest, and genuine. That's the kind of companion and guide you need. ... His writing is studded with thoughtful allusions, poetic phrases, and images. Mine them for their riches. Meditate on them." -Winston Smith, CCEF Faculty, Episcopal Priest

Work with Passion in Midlife and Beyond

If you are looking for a way to make your final working years better than all that have come before, this book is for you. Bestselling author and innovative career and life consultant Nancy Anderson understands the uncertainty and anxiety that crop up in midlife. She knows firsthand that family pressures, cultural conditioning, and the need for money drive many people to stay in unsatisfying jobs and careers. Anderson demonstrates that it is never too late to rewrite your life story so that it aligns with values that bring fulfillment and money. She offers exercises to get you started as well as inspirational stories that will remind you just how good life can be when you pursue work you love.

The Farnsworth Score

Gabriel Wager, the dauntless Chicano policeman, goes undercover as a junkie to find out where a drug dealer is getting his cocaine.

The Farnsworth Score

A botched coke bust forces Wager to go undercover for the first time in years For six months, the Denver narcotics team and the DEA have built a case against a cocaine-dealing heavy named Farnsworth. When Detective Reitman makes the final buy, he runs a field test to make sure the package of powder he's just purchased is really cocaine. The test is positive, and the bust goes down. Afterwards, the DEA's lab says that Reitman was wrong—he'd just bought two and a half pounds of harmless, legal lactose. The case is thrown out, Reitman is busted down to uniform work, and Gabe Wager has to pick up the pieces. The department asks Detective Wager to go undercover and build a new case against Farnsworth. It has been years since Wager impersonated a drug addict, and undercover work's heady mix of lies and fear has ceased to hold any appeal. Reluctantly, he dons his new identity, and hopes that his colleague's screw-up doesn't cost him his life.

Party of One

"This book is bold and strong and unapologetic. Unflinching, even. Joy Beth doesn't back down from those hard conversations that need to be happening, not just in our churches but in our small groups, our social circles, our relationships." —Mandy Hale, creator of *The Single Woman* and New York Times bestselling author *Did you enter adulthood thinking marriage would naturally find you, only to end up at a second-cousin's wedding, dodging yet another bouquet the night before you turned thirty? Maybe you've started wondering, is this the best the single life has to offer?* Joy Beth Smith says it's not. The single life doesn't have to be the runner-up version of God's best. It doesn't have to leave you constantly waiting for "real life" to begin. *Party of One* offers a trade: let go of the tired lies weighing you down and turn toward truth. Understand that: You don't have to be married to be wise. You don't have to be a mother to have supernatural love. You don't have to own a home to be hospitable. Singleness is not meant to be pitied, shamed, fixed, or even ignored. It is to be celebrated. God doesn't promise you a husband, but he does promise comfort, intimacy, and satisfaction. With humor, self-awareness, and been-there perspective, *Party of One* delves into the insecurities and struggles of singleness and encourages you to find the good, the true, and the beautiful, to dive headfirst into community, and to stop pressing pause on a life you never expected.

The Plot

If you were in a position of authority and these five came to you at the life-and-death Summit Conference in Paris with the incredible details of *The Plot* would you believe any one of them? Matt Brennan—once a trusted member of the State Department until his life was shattered by accusations of treason ... Medora Hart—young, ravishing, beautiful, whose involvement in a Profumo-like scandal had all but toppled an English government ... Jay Thomas Doyle—once a renowned and respected columnist, now struggling desperately to recapture his lost fame by a most dangerous exposé? ... Hazel Smith—an embittered American foreign correspondent and the mistress of a man high up in the inner circles of the Kremlin ... Emmett A. Earnshaw—an ex-President of the United States, fighting an all but hopeless battle against a ruthless German munitions tycoon to retain an honorable place in history ...

Board Stiff: Preparation for Anesthesia Orals

Think the anesthesia oral boards are no laughing matter? Then you haven't read *Board Stiff Three*. The new edition of this popular anesthesia review book is written in the same winning style that was the hallmark of *Board Stiff Too*. Dr. Gallagher's signature humor and engaging writing style make this terrific prep book a fun read while still delivering all the most important things you need to know for the boards. In addition to a thorough content review, the new edition also features an extensive section with self-assessment questions. It also includes a bonus DVD with simulated board scenarios that will further help you prepare for the boards. Provides the ideal study guide for the anesthesia oral board exams. Incorporates a unique and humorous approach to make braving the oral exams as enjoyable as possible. Uses the same format as the real exams: clinical scenes are presented, followed by preoperative, intraoperative, and postoperative questions. Includes a bonus DVD with simulated board scenarios.

Dark One Rising

The Kingdom of Aelethia has been quiet for five hundred years, but the Dark One is rising from out of the depths. All of Aelethia will perish unless the Chosen One comes forward to save them. Unfortunately, the Chosen One doesn't know her destiny in the world; she only knows she is odd and confused about where her destiny lies. She wants to find love, but the men in her life that actually love her, she cannot have, and the only one that wants her is as evil as they come. The elves know of her destiny and must tell her and train her in time in order to fulfill the prophecy that has been laid out before her. Can she become the person they have waited for? Can she, in time, destroy the evil that is threatening to overtake her kingdom? With friends to guide her and a man to whom she truly loves beside her, she may be able to save Aelethia from doom.

Nekropolis: Dark War

Matt Richter won't let a little thing like death keep him from cracking his latest case. But there's a new evil power rampaging through the streets of Nekropolis. The last battle has begun.

And Now We Rebuild

And Now We Rebuild--an action-packed book about a family that flees to high ground from a tsunami headed their way. The family meets new acquaintances, working together to rebuild a whole new community and lifestyle. They live on Prince of Whales Island, the third largest island in the United States, located in Southeast Alaska. Although the book is fictional, it is meant to be more than a fun entertaining novel. Almost everything is lost in the disaster throughout the islands of Southeast Alaska because most critical businesses are just above sea level. This includes the fishing industry, hospitals, airports, fuel docks, barge lines, schools, logging, mining, and many beachfront homes! Learn unique ways people build, hunt, scavenge supplies, raise food, find fuel, and more to survive. The government wants them to relocate, but most want to keep their land and rebuild. Christians are unwanted and go into semihiding for security reasons. A must-read! 2

Summary & Analysis of Range

PLEASE NOTE: This is a summary and analysis of the book and not the original book. ZIP Reads is wholly responsible for this content and is not associated with the original author in any way. If you are the author, publisher, or representative of the original work, please contact info@zipreads.co with any questions or concerns. If you'd like to purchase the original book, please paste this link in your browser: <https://amzn.to/2yGbH6E> In Range, author and journalist David Epstein exposes the fallacy behind the specialization myth and how society benefits more when people are generalists. It is those who seek broad experience in diverse fields that become innovative and creative problem-solvers, ready to tackle problems that seem unfamiliar and complex. What does this ZIP Reads Summary Include? - Synopsis of the original book - Key takeaways from each chapter - Examples of successful generalists - Why specialization only works in certain tasks - How to adopt the habits and thought patterns of generalists - Editorial Review - Background on David Epstein About the Original Book: David Epstein challenges the well-known concept that in order to perform at the highest level, you must find your niche at an early age and train for hours. While it is true that some of the best athletes and musicians began learning their craft at an early age, for example, Tiger Woods, the majority of these great individuals were actually generalists. They started out in one field, dabbled in a bunch of others, and finally settled on their true calling. Epstein states that people shouldn't be afraid of becoming generalists because the exposure will make them better abstract thinkers than narrow-minded specialists. DISCLAIMER: This book is intended as a companion to, not a replacement for, Range ZIP Reads is wholly responsible for this content and is not associated with the original author in any way. If you are the author, publisher, or representative of the original work, please contact info@zipreads.co with any questions or concerns. Please follow this link: <https://amzn.to/2yGbH6E> to purchase a copy of the original book.

Judy, Or the London Serio-comic Journal

Short Story. Ten years before Cyprus joins the ranks of the Executioners, he's guard at the Stronghold in Munich, Germany. There, he falls in love with Sadihra, a Scharfrichter (The equivalent of an Executioner). Not only does she outrank him, but she's already taken by their commander. Still, Cyprus has something on his side that no one realizes...a vision of the future. This is the extended edition from Tales of the Executioners Collection, Volume Two.

Judy, or, The London serio-comic journal, ed. by C.H. Ross

The Bitch in the House meets Quarterlife Crisis in this sassy, smart, and honest collection, which includes 26 original essays about life as a 20-something female. With essays titled "Homesick for the Place You've Never Been," "A Letter to My Crappy One Bedroom," "Breaking up (with Mastercard) is Hard to Do," and "Hired, Fired, and What I Wore," IT'S A WONDERFUL LIE takes a provocative look at what women are making of their 20-something selves. Remarkable female writers, including Anna Maxted, Melissa Senate, and Beth Lisick, among others, share their experiences as they explore everything from their first jobs, loves, and losses, to the perils of uncontrolled debt and the pain of making new friends. Amusing, moving, and empowering, IT'S A WONDERFUL LIE is a must read for every woman in her 20s, and those who have learned, loved, and lived through them. At last, an anthology that considers what one should and should not expect from what she's been led to believe are the best years of her life.

Judy

Everyone has that moment-the realization that adulthood has arrived, like a runaway train, and there's no getting out of its way. From the hit Tumblr blog of the same name, F*ck! I'm in My Twenties perfectly

captures the new generation currently testing the waters of post-college reality. Quick-witted and self-deprecating, the author pens irreverent missives, DIY diagrams, illustrations, and tongue-in-cheek checklists that chronicle her experience as a twenty-something living in the big city. Including the best of her beloved blog, plus over 50% new material, this is a perfect humor impulse buy for anyone who has a love-hate relationship with their twenties.

Cyprus: Future's Promise (Tales of the Executioners)

To oppose her murderous mother, Princess Lyneah needs an ally. She needs Rory McCray. For weeks, the princess has been wandering the streets of Lundun, hoping to make contact with the infamous rabble-rouser. In one of Lundun's many pubs, Lyneah is "recognized" by a young man named Tobias. He thinks she's a barmaid named Kitt. Desperate for a companion, the princess assumes the role of Tobias' missing friend. But Lyneah can't stay in Lundun forever. Soon, she'll have to cross the desert and resume her search for Rory—who isn't the man she expects him to be. Meanwhile, Kitt's story continues... but where is Francis Doon? *A Lost Princess* is a fantasy romance set in an alternate Victorian universe. It is the 2nd book in the *Belles & Bullets* series.

It's a Wonderful Lie

Written in his trademark direct and matter-of-fact style, 27-year-old podcast producer Troy Farkas tells it like it is in his first book, *Surrender: A Guide to Living Your Best Life in Your Twenties*. Written for any young person who wants to become the best version of themselves, Farkas subtly weaves in his own experiences and lessons learned from his time navigating the early stages of his career at two of the world's biggest companies, ESPN and Spotify, as well as from his seven years of traveling the world, where he's spent most of his free time compiling wisdom from some of history's greatest thinkers, much of which is laid out in these pages. Whether you're entering the work world for the first time, beginning an exciting chapter of your life, moving to a new place, or are just curious about how to make the most of your time as a young person in today's post-pandemic world, Farkas's short and easy-to-read guidebook filled with thought-provoking wisdom and actionable advice is a must-read. Exploring topics like early career growth, networking, financial literacy, managing relationships, and the urgent crisis that is social media addiction, *Surrender* will leave you thinking about your life's trajectory in ways you never have before.

F*ck! I'm in My Twenties

In this thriller of environmental and political intrigue, a marine ecologist has the know-how to save the imperiled oceans. He needs backing from his Washington contacts, but they have other allegiances. When Big Oil, Mideast terrorism, and global ecology meet, the convergence is explosive.

A Lost Princess

From USA Today bestselling author Robert Swartwood comes an extraordinary novel that "will leave its mark on your heart" (Benjamin Percy). In a small Pennsylvania town, one of the most famous women in history — a woman who the world has believed dead for almost two decades — is dying. John Chambers walked away from his life eighteen years ago to become the woman's bodyguard. He gave up everything — including the woman he loved — because he believed that was his destiny. But destiny has other ideas. In the tradition of *Bright Lights*, *Big City* and *A Prayer For the Dying*, *New Avalon* is Robert Swartwood's finest work yet. Praise for *New Avalon*: "New Avalon is a suspenseful examination of love, loyalty, and identity that gathers steadily in tension and will leave its mark on your heart." —Benjamin Percy, bestselling author of *The Wilding* and *Red Moon* "Like middle-period Hitchcock, *New Avalon* opens sedately, slowly revealing an off-kilter world based on the most precarious secrets. Using a sneaky second-person, Robert Swartwood has crafted a satisfying revenge tragedy about identity and destiny." —Stewart O'Nan, bestselling author of *The Good Wife* and *Last Night At The Lobster*

Surrender

Contemporary culture tells us the twenty-something years don't matter. Clinical psychologist Dr Meg Jay argues that this could not be further from the truth. *The Defining Decade* weaves the latest science of the twenty-something years with real-life stories to show us how work, relationships, identity and even the brain can change more during this decade than at any other time in adulthood. Smart, compassionate and constructive, *The Defining Decade* is a practical guide to making the most of the

years we cannot afford to miss. Included in this updated edition: · Up-to-date research on work, love, the brain, friendship and technology · What a decade of device use has taught us about looking at friends – and looking for love – online · A social experiment in which ‘digital natives’ go without their phones · A reader’s guide for book clubs, classrooms or further self-reflection

The Convergence

From the Whiting Award–winning author of *Pretend I’m Dead* and one of the most exhilarating new voices in fiction, a “thoroughly delightfully, surprisingly profound” (*Entertainment Weekly*) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven’t exactly gone as planned. For one thing, she’s got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona’s clients. He also might be a little unstable. Dark and his wife aren’t the only complicated clients on Mona’s roster, either. There’s also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin’s *Vacuum in the Dark* is an unforgettable, astonishing read, “by turns nutty and forlorn...Brash, deadpan, and achingly troubled” (*O, The Oprah Magazine*). Beagin is “a wonderfully funny writer who also happens to tackle serious subjects” (*NPR*).

New Avalon

Fans of the *Lady Julia Grey Mysteries* will love these Georgian historical mysteries. After receiving a distressing letter from a friend, Lady Anne Addison wastes no time in traveling to Yorkshire to offer whatever help she can. She has no idea what she’ll find there, but she certainly wasn’t expecting to be met by tales of a werewolf terrorizing the area—nor the dead body she discovers upon arriving. Driven by curiosity and a keen intelligence, Lady Anne dismisses the notion of such a beast, but she’s nonetheless drawn into the mysteries by the secrecy surrounding her friend and the infuriating yet enticing Lord Darkefell. With a murderer on the loose and the supposed werewolf ravaging livestock and terrifying the locals, Lady Anne puts her reservations aside and joins forces with the seductive Darkefell to get to the bottom of things. And though his nearness is a tempting distraction, Lady Anne manages to uncover one clue after another, unraveling the mysteries and drawing ever closer to the killer, even while her true feelings for the enigmatic marquess elude her . . . This book was originally published under the name Donna Lea Simpson. Praise for the *Lady Anne Addison Mysteries*: “If you are looking for a historical mystery with romance, suspense, and a suggestion of paranormal, then read *Lady Anne and the Howl in the Dark*.” —*Fallen Angel Reviews* “[Hamilton] excels at imbuing her realistic characters with subtle depths . . .” —*American Library Association* “[The author] has set up a well-drawn Gothic horror setting here, so the atmosphere is fantastic, what with it being chilling, mysterious, and menacing all at once.” —*Mrs. Giggles*

The Defining Decade

Reviews originally appeared in the *Chicago sun-times*.

Vacuum in the Dark

This book tells the story of a young Jewish airman who was shot down over Belgium and then captured by the Germans. It tells of his life as a suspected spy and POW.

Lady Anne and the Howl in the Dark

Three loves found on one incredible journey. Karl Ontario is a medical researcher not an adventurer, but when an audacious mission is proposed to go back in time to save doomed children on the ill-fated Atlantic liner, RMS Titanic, he makes sure he's included on the team. Little does he realise that his own future happiness depends on saving the life of just one passenger: Lizzie Faulkner, an unwed mother-to-be. Eilish Cork is a time travelling Retriever and this mission is like any other to her, until

she falls in love with her handsome Target, London barrister Maxwell Ingham, and is asked to risk everything to save him from his tragic fate. And sweet Pia Rogaland, whose only goal is to rescue the children on board the Titanic until she meets Marco Lorenza, a man she's not permitted to save. With time running out, is it possible to rescue those victims history determined went down with the unsinkable Ship of Dreams or will more lives be forfeited trying to carry out this dangerous mission.

Roger Ebert's Movie Yearbook 2011

It has been three years since Danny chose his love over his homeland. Married to Lyndie, the two of them have one child together. Governing over the two kingdoms of Tallis and Ramia is not an easy job as the conflicts from before still haunt in the inhabitant's minds. Can the two continue the tenuous peace or will the struggle tear them apart? An added strain appears in the form of pirates who have been sent to Old Leldyna. Danny has been asked to watch over their progress to make sure they do not stray back to the old ways...

The Dark Side of the Sky

All Groan Up: Searching for Self, Faith, and A Freaking Job! is the story of the GenY/Millennial generation told through the individual story of author Paul Angone. It's a story of struggle, hope, failure, and doubts in the twilight zone of growing up and being grown, connecting with his twentysomething post-college audience with raw honesty, humor, and hope.

The Titan Drowns

#1 NY Times Bestseller! Fans of Nora Roberts, Luanne Rice and Kristin Hannah will enjoy this book filled with romance, mystery and adventure. Bestselling author Barbara Freethy presents a powerful contemporary novel -- the story of three unique sisters ... the secrets that bind them for life ... and the summer that will set them free. Eight years ago, the three McKenna sisters -- Kate, Ashley, and Caroline -- had their fifteen minutes of fame. Driven by their ambitious father, they won an around-the-world sailing race as teenagers. But something happened out on the turbulent sea during a fierce storm they could never forget ... Now Tyler Jamison has come to Castleton, a picturesque island off the coast of Washington State, asking questions about the famous McKennas. But even as the sisters close ranks against the tenacious repoter, the past threatens to drown them in its wake. It will take Caroline's willingness to right a wrong, Ashley's struggle to face her greatest fears, and Kate's attempt to embrace life -- and love -- again to finally calm the winds and stop the rain.

Queries to Generations

Barmaid Kitt is so poor, she can't even afford a new pair of slippers. She dreams of a better life, far away from the slums she's always known. She never expected to get abducted by Captain Francis Doon, a notorious sky pirate who swears she's the missing princess. Runaway Princess Lyneah fled her castle to escape her mother, a queen gone mad. On her search for a savior, she is mistaken for a penniless barmaid. For unknown reasons, the princess and pauper are nearly identical. And they're about to trade places. The Princess & The Pauper is a swashbuckling steampunk adventure with a dash of romance. The first three books of the Belles & Bullets series are included.

All Groan Up

For Annie Barnes, going home to Middle River means dealing with truths long hidden, some of which she buried there herself. But it is a journey she knows she must take if she is to put to rest, once and for all, her misgivings about her mother's recent death. To an outsider, Middle River is a picture-perfect New Hampshire town. But Annie grew up there, and she knows all its secrets -- as did her idol Grace Metalious, author of the infamous novel Peyton Place, which laid a small town's sexual secrets bare for all the world to see. Though Grace actually lived in a nearby town, the residents of Middle River have always believed she used them as the model for her revolutionary novel, and some even insist Annie's grandmother was the model for one of Grace's most scandalous characters. With these rumors and whispers about Peyton Place haunting her childhood, Annie came to identify so closely with the author that it was Grace and her bold rebellion against 1950s conformity that inspired Annie to get out of Middle River and make a life for herself in Washington, D.C. It's been a good life, too. Annie Barnes is now a bestselling author, reaching that level with only her third novel. Success has given her a confidence she never had as a young girl in Middle River -- and it has given the residents of that town something

new to worry about. When they hear Annie is returning for a lengthy visit, everyone, including Annie's two sisters, believes she's coming home to write about them. Though amused by the discomfort she causes in Middle River, Annie has no intention of writing a novel about the town or its people. It is her mother's death -- under circumstances that don't quite add up -- that has brought her back, and soon her probing questions start to make people nervous. When she discovers evidence of dangerous pollutants emanating from the local paper mill -- poisons that she comes to believe contributed to her mother's fatal illness -- Annie finds herself at odds with most of the town's inhabitants, including her sisters, both of whom are seemingly unfazed by the incriminating evidence she uncovers. Because the mill is the town's main employer, everyone is afraid of what might happen if Annie digs deeper, and their fears soon start to turn ugly. For Annie, though, there is no turning back, as passion and rage propel her forward in a determined quest. Coming face-to-face with decades of secrets and lies, she knows she must find the strength to move beyond the legacy of Grace Metalious, defying her past to heal the wounds of the town and her own family.

Summer Secrets

However, he soon discovers that the old adage is true; nothing is as it seems. Now he must confront a far greater evil, and accept a destiny that could spell the end of not just the universe, but the infinite number of realities that surround it. *The Fallen* is filled with good humor, brilliant imagery, and a philosophical/religious approach that will keep you on the edge of your seat until the very end.

The Princess & The Pauper

Best Life magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.

Looking for Peyton Place

Romance and adventure novellas about contemporary North American upper middle class family, exposing highly intense drama behind a decent façade. Acting in exotic places of American wilderness, boardrooms of corporations or comfortable homes, dangerous locales of Jamaica and megalopolises of Canada and the US, the characters must deal with tough reality of competition, temptations and intense desires, often passing the threshold of morality and law. These are not purely romantic stories, although the intoxicating aura of romance permeates each novella. But love and happiness often go hand in hand with tragedy when the romance fizzles and the complex practical matters flood the souls and minds of lovers. Detailed in an elegant literary manner, the beautiful world around us is shown as having too many opportunities and temptations for some, which burden the human mind. Our morals, those unwritten rules that are supposed to supplement the laws governing society, are often unable to sustain the burden of passion and desire. Saturated with intense competition in business, love and social matters, life makes relations between the sexes more complicated than many can handle. The book will appeal to many different readers. Those who read solely for entertainment will find them intriguing and entertaining, while the more cerebral readers will discover the deep philosophical questions the stories pose.

The Bradys and the Telegraph Boy; Or Exposing the League of Three

COJNSPIRACY, BETRAYAL & RETRIBUTION A gripping true story of conspiracy, bloodletting intrigue, execution and revenge, *The Phoenix Park Murders* tells the story of the most infamous crime of nineteenth century Ireland when assassins wielding deadly surgical knives killed two men walking in the Phoenix Park on 6 May 1882. One of the dead is the new chief secretary for Ireland, Lord Frederick Cavendish, a close relative of Prime Minister William Everett Gladstone. The other is Thomas Henry Burke, head of the Irish Civil Service, a man denounced by Nationalists as a leading 'Castle Rat' in the British administration. The government and police must solve this crime. But there are no clues. The witness descriptions are inconclusive and city detectives do not know where to begin. Forensic evidence is non-existent, and they must attempt to penetrate the dangerous Fenian underworld. But even here no one knows anything because the audacious crime has been carried out by an entirely new group, one styling itself the 'Irish Invincibles'.

The Fallen

A bitingly funny field guide to modern love from the woman who's dated them all. Through highly relatable anecdotes from a decade of dating, *Twenty Guys You Date in Your Twenties* dives into the joys, frustrations, and hilarity of swiping right on relationships. After a world-shattering breakup in her early twenties, comedian Gabi Conti logged thousands of hours on dating apps, conducting research and gathering intel on our behalf. Real and relatable, this dating guide is laugh-out-loud funny without being prescriptive or cynical. • Each chapter focuses on a different type of guy and offers advice on how to deal, from The Guy Who's Great on Paper to The Guy Who Texts "sup" at 2 a.m. • Includes charts, quizzes, and "Boy Bingo" • Captures the frustrations, heartache, and hilarity of Tinder, Bumble, Hinge, OkCupid, and all other online dating apps For the modern, app-using woman, this hilarious dating guide profiles 20 stereotypical men, from their physical appearance and dating style to red flags, tips, and success stories. Filled with charts and quizzes, hysterical anecdotes, and helpful insight from therapists and dating coaches, these pages offer advice and humor in equal measure. • Offers sincere advice to cope with dating app horror stories • Great for fans of *How to Date Men When You Hate Men* by Blythe Roberson, *Bye Felipe: Disses, Dick Pics, and Other Delights of Modern Dating* by Alexandra Tweten and *HEY, U UP? (For a Serious Relationship)* by Emily Axford and Brian Murphy

Best Life

A ground-breaking method for giving feedback that will boost performance and motivation. We all give feedback every day of our working lives. But all too often, a fear of awkward conversations leads us to hold back or say the wrong things. *Let's Talk* can change that. Dr Therese Huston, a world-leading expert on workplace communication, explains how to deliver feedback effectively and with confidence. She begins with the building blocks of all good feedback: siding with the other person, listening first, stating your good intentions, and working out what kind of critique your team wants most. Next, she describes the six practical tools you need to deliver constructive feedback: from what to say if you meet resistance, to how to ensure unconscious bias doesn't leak into your appraisal. The result is a step-by-step plan to help anyone to improve performance, trust and morale. It will make a once-dreaded task feel natural. _____ 'Brilliant . . . empowers you to create real behaviour change and lasting trust.' - Nir Eyal, bestselling author of *Hooked* 'Research, relevant stories, and actionable frameworks that we can all apply to turn feedback into a personal superpower.' - Julie Zhuo, bestselling author of *The Making of a Manager*
