Rebecca Rusch is one of the great endurance athletes of our time. Known today as the Queen of Pain for her perseverance as a relentlessly fast runner, paddler, and mountain bike racer, Rusch was a normal kid from Chicago who abandoned a predictable life for one of adventure. In her new book Rusch to Glory: Adventure, Risk & Triumph on the Path Less Traveled, Rusch weaves her fascinating life's story among the exotic locales and extreme conditions that forged an extraordinary athlete from ordinary roots. Rusch has run the gauntlet of endurance sports over her career as a professional athlete--climbing, adventure racing, whitewater rafting, cross-country skiing, and mountain biking--racking up

world championships along the way. But while she might seem like just another superhuman playing out a fistful of aces, her empowering story proves that anyone can rise above self-doubt and find their true potential. First turning heads with her rock climbing and paddling skills, Rusch soon found herself spearheading adventure racing teams like Mark Burnett's Eco-Challenge series. As she fought her way through the jungles of Borneo, raced camels across Morocco, threaded the rugged Tian Shan mountains, and river-boarded the Grand Canyon in the dead of winter, she was forced to stare down her own demons. Through it all, Rusch continually redefined her limits, pushing deep into the pain cave and emerging ready for the next great challenge. At age 38, Rusch faced a tough decision: retire or reinvent herself yet again. Determined to go for broke, she shifted her focus to endurance mountain bike racing and rode straight into the record books at a moment when most athletes walk away. Rusch to Glory is more than an epic story of adventure; it is a testament to the rewards of hard work, determination, and resilience on the long road to personal and professional triumph.

"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad – the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

A voyage through the strange yet mesmerising mind of cult author Karl Pilkington, now in ePub format By his own admission Karl Pilkington left formal education behind with only an E in History to his name and not much else. Ever since, his thirst for knowledge has nagged. With this in mind, Karl has embarked on a tour of discovery to make up for the lost years of learning, and to find out more stuff. Karlology is the result. So what exactly has Karl Pilkington learned so far? This is a man, it should be noted, who thinks owning 1,777 acres of the moon is a good idea, and believes that the human testicles should be relocated to the earlobes. Maybe he's right. Perhaps his unique brand of wisdom and insight is what the world has been waiting for? Judge for yourself: observe, enjoy, and become a Karlologist. Illuminated by Karl Pilkington's own cartoons with extra wisdom from Ricky Gervais, Russell Brand, David Baddiel, Noel Fielding and others. Get even more insight into Karl's mind and visit his blog at <http://www.karlpilkington.com/blog/>. Catch Karl taking in the seven wonders of the world on Sky1 in his new TV series An Idiot Abroad, with Ricky Gervais and Stephen Merchant, broadcasting from 23rd September 2010.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

"A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? "What?" Naomi gasped. "I'm not going anywhere with you!" Alaric could already scent two more witches approaching her apartment. Whatever she'd done had clearly been an accident; he couldn't rely on her magic. They had to get out of here. She flinched as he reached down to cup her face, gazing into her eyes. "Sorry about this," he murmured, as he probed her mind. Her thoughts were frantic, moving at an impossible speed. All will be well, he told her silently. Rest now. "What—what are you—" she whispered, as her eyes drooped. She slumped forward into his arms. Cradling her, he moved over to the window, and leapt out. *** Alaric, a centuries-old vampire, lives a solitary life by choice. When he's assigned to protect Naomi, long dormant emotions stir to life. Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Can you fall for someone you've never met? Hailey Taylor Emery has a hunch that her favorite client at Fetch--an anonymous virtual assistant service--is actually hockey star Matt Eriksson. Although it's against the rules for her to check his file, she's 95% sure she spends at least part of each day texting with her lifelong crush and catering to his every need. Still nursing a wounded heart thanks to her recent breakup, Hailey is perfectly content with some harmless online flirting...until she has to meet her client. Face to face. Cue: utter panic. Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his marriage, and it sucks to be the only guy on the team who knows the truth--that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel insane. The only person in his life who seems to understand is someone who won't show her pretty face. But it's nothing that a pair of fourth row hockey seats can't fix. Hailey can't resist the offer. Matt can't resist Hailey. Good thing he doesn't have to. Fire up the kiss cam! Warning: Contains rabid hockey fans, misunderstood dick pics, hockey players at the opera and exploding ovaries. To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. The #1 New York Times bestselling author of Beautiful Tempest and Make Me Love You brings her “mastery of historical romance” (Entertainment Weekly) to 1880s Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father’s fortune. After a social whirlwind in London, Violet Mitchell is summoned back to Philadelphia only to discover her family living on the edge of financial ruin while their father seeks new wealth in Montana’s gold fields. With the family’s home and social standing at risk, Violet makes a drastic decision. Meanwhile, Montana rancher Morgan Callahan rode away from his family’s cattle farm to make his own fortune. Now as he finishes exploiting a mother lode of silver, a young woman claiming to be his late partner’s daughter turns up wanting to be taken to her father’s mine. Suspecting that the pretty schemer works for the mining outfit that is trying to steal his land, he has no qualms about snatching her and holding her at his camp where she can do no harm. But he underestimated the new thorn in his side. Determined to claim what rightfully belongs to her family, Violet summons up the courage and grit to cope with the hazards and discomforts of an untamed land and the disturbingly masculine stranger who holds her fate in his hands. But an error of judgment brings down a hailstorm of danger that upends her plans and deepens her bond to a man who may turn out to be all she desires. With her signature “strong characters, humor, interesting plots—and, of course—romance” (The Cincinnati Enquirer), Johanna Lindsey crafts another irresistible and adventurous love story.

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend’s vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they’d imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom’s home in Ireland—never expecting she’d be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle’s lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Castle on the Rise: “Enchanting and mesmerizing!” —PATTI CALLAHAN, New York Times bestselling author of Becoming Mrs. Lewis “Castle on the Rise perfectly showcases rising star Kristy Cambron’s amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn’t put down. Highly recommended!” —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series “Cambron’s latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page.” —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words)

Tempt the Devil

I’m the type of girl who’s given up on fairy tales. So when Beck – the hot new busboy at work – starts flirting with me, I know better than to get my hopes up. Happily ever afters aren’t for the average. I

learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. "Rich Boy takes you on a literal ride! Funny. Angsty. There's mean rich people and people you root for. It's a definite recommend from me! —Tijan, New York Times bestselling author "Rich Boy was witty, exciting and had the most intense slow burn romance I've read in a long time. The complexity of the characters was refreshing and made me wish for more!"—Audrey Carlan, #1 New York Times bestselling author

She was going to get herself engaged. A diamond ring on her finger was the perfect way to get her family to back off. And she had just the perfect guy in mind.

Castle on the Rise

A werewolf, an owl shifter, and a scientist walk into a bar... Sam I was born in a lab, fostered out to humans, then tortured in a cage. Fate allowed me to escape, and I know why. To balance the scales of justice. Right the misdeeds of the harvesters. Nothing matters but taking down the man who made me what I am: A monster driven by revenge, whatever the cost. Then I meet Layne. She thinks I'm a hero. But she doesn't understand—If I don't follow this darkness to its end, it will consume me. Layne I've spent my life in the lab, researching the cure for the disease that killed my mom. No late nights out, no dates, definitely no boyfriend. Then Sam breaks into my lab, steals my research, and kidnaps me. He's damaged. Crazy. And definitely not human. He and his friends are on a mission to stop the company that's been torturing shifters, and now I'm a part of it. Sam promises to protect me. And when he touches me, I feel reborn. But he's hellbent on revenge. He won't give it up. Not even for me.

To The Rude Guy in Apartment Five, I'm glad you're happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at 1am. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.

The Year After You

Draping—the art of using cotton muslin to create womenswear directly on a dress form—is an essential skill for fashion designers. Through a series of step-by-step projects, designed to develop skills from the most basic to more advanced techniques, this book will guide you in creating both classic and contemporary garments, as well as historical styles and costumes. Draping projects include dresses, bustiers, and jackets, and highlight key fashion garments such as Audrey Hepburn's dress from Breakfast at Tiffany's and the Dolce & Gabbana tuxedo jacket. Starting with the basics of choosing and preparing the dress form for draping, the book advances through pinning, trimming, and clipping, and creating shape using darts and tucks, to adding volume using pleats and gathers, and handling complex curves. Advanced skills include how to use support elements such as shoulder pads, under layers, and petticoats, and how to handle bias draping. The book culminates with a chapter on improvisational skills. Each skill and technique throughout the book is explained with step-by-step photographs and line drawings that bring the art of creating womenswear in three dimensions to life.

Honky Tonk Christmas

Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game—and lose. Checkmate.

The Widow Waltz

A light romantic comedy sure to leave you smiling... Elena Murphy is doing just fine—if you don't count her struggling art studio, her ex-boyfriend suing her, and accidentally tossing purple paint onto a man who just happened to be in the wrong place at the very worst time. And not just any man, but freaking royalty. The World's Most Eligible Bachelor, to be exact, with the paparazzi catching the whole embarrassing incident on camera. Could her life be any more of a dumpster fire? Yes it could. Now she's getting dragged online and her clients are disappearing faster than free drinks at happy hour. And just when she thinks things can't possibly get worse... His Royal Hotness decides the best way to fix this mess is to make her the envy of New York—by pretending to date. Because what's worse than a prince treating her like his very own Cinderella, including dreamy nights at the theater and a nearly X-rated pottery date? Reminding herself it's all fake. Each book in the Royally Engaged series is STANDALONE: * A Royal Disaster * Royal Trouble

Draping

Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to

please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish-whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

Debussy's music epitomizes the concept of Impressionism in music. One of the most famous pieces from Debussy's Preludes, Book 1, "The Girl with the Flaxen Hair" is a lyrical piece, awash with color and atmosphere. Drawing on the original autographed manuscript and first edition by Durand, all editorial details are contained in footnotes or parentheses."

La Fille Aux Cheveux de Lin (the Girl with the Flaxen Hair)

"A fascinating and genuinely accessible guide....Educating, enjoyable, and delightfully un-scary."—Classical Music What if Bach and Mozart heard richer, more dramatic chords than we hear in music today? What sonorities and moods have we lost in playing music in "equal temperament"—the equal division of the octave into twelve notes that has become our standard tuning method? Thanks to *How Equal Temperament Ruined Harmony*, "we may soon be able to hear for ourselves what Beethoven really meant when he called B minor 'black'" (Wall Street Journal). In this "comprehensive plea for more variety in tuning methods" (Kirkus Reviews), Ross W. Duffin presents "a serious and well-argued case" (Goldberg Magazine) that "should make any contemporary musician think differently about tuning" (Saturday Guardian). Some images in the ebook are not displayed owing to permissions issues.

The *Tree of Ecstasy and Unbearable Sadness* is a masterful allegorical tale for the 21st century, weaving together the worlds of literature, music and visual art in the poignant story of one boy's journey into mental illness. Audiences are offered a mesmerising visual and auditory tour de force about beauty and resilience, society and belief, that at its heart expresses hope for a greater understanding and embracing of difference. The narrative unfolds around the metaphor of a tree growing within the boy, whose flower is ecstasy and whose fruit is sadness. This luminous, multi-faceted work is inspired by the experiences of its award-winning creator, Matt Ottley, who has lived with bipolar disorder all his life and been hospitalised on numerous occasions in mental health facilities. Having personally experienced the prejudices and challenges that come from suffering a mental illness, Matt's aim is to offer a sensory insight through words, music and images into the experiences of those who suffer from such debilitating illnesses, particularly psychosis. At the heart of the work is a 50-minute orchestral composition by Matt Ottley, performed by the Brno Philharmonic Orchestra, the Czech Philharmonic Choir Brno, tenor Ben Reynolds and narrated by Tina Wilson. This book comes with a CD recording and download link of the musical work, which forms part of this multi-modal work.

The Tree of Ecstasy and Unbearable Sadness

From the first Police album, *Outlandos D'Amour*, through *Sacred Love*, here are the collected lyrics written by Sting, along with his commentary. "Publishing my lyrics separately from their musical accompaniment is something that I've studiously avoided until now. The two, lyrics and music, have always been mutually dependent, in much the same way as a mannequin and a set of clothes are dependent on each other; separate them, and what remains is a naked dummy and a pile of cloth. Nevertheless, the exercise has been an interesting one, seeing perhaps for the first time how successfully the lyrics survive on their own, and inviting the question as to whether song lyrics are in fact poetry or something else entirely. And while I've never seriously described myself as a poet, the book in your hands, devoid as it is of any musical notation, looks suspiciously like a book of poems. So it seems I am entering, with some trepidation, the unadorned realm of the poet. I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating. My wares have neither been sorted nor dressed in clothes that do not belong to them; indeed, they have been shorn of the very garments that gave them their shape in the first place. No doubt some of them will perish in the cold cruelty of this new environment, and yet others may prove more resilient and become perhaps more beautiful in their naked state. I can't predict the outcome, but I have taken this risk knowingly and, while no one in their right mind should ever attempt to set "The

Waste Land” to music, in the hopeful words of T. S. Eliot, These fragments I have shored against my ruins.” —Sting, from the Introduction

Liszt intended these highly challenging exercises to build greater performance skills in virtuoso pianists. The complete series consists of twelve volumes, each one dealing with a different pianistic problem. This edition has been compiled from the original set to present the exercises in a reasonable length without harming the essence and effectiveness of the original work.

The Best Hymns Ever

For over a century the Titanic disaster has fascinated the world's historians, writers, film makers and general public ever since she sank with the loss of over 1500 lives in April 1912. This copiously illustrated book considers much more than its title suggests, beginning with an overview of the White Star Line's fleet. Next, Titanic's construction, layout, opulent furnishings, passenger experiences and the central personalities are introduced. Important aspects of her maiden voyage are revisited; the first ice warnings, lookouts, striking the iceberg, sinking, partial lifeboat evacuation and the lessons learned from the Inquiries held in Britain and America. After touching on the 'Titanic's Curse', forewarnings, and myths of 1912, it moves to Dr Robert Ballard's dramatic discovery and exploration of her in 1985. This reawakened interest, and in 1997, James Cameron's film "Titanic" proved an outstanding success. RMS Olympic and HMHS Britannic are also reviewed together with the heroic rescue of stranded passengers from the hospital ship, Rohilla, which hit rocks in Whitby in October 1914 during a violent gale. The author has also written "Legacy of the Cunard Line" featuring the Lusitania, Mauretania, Aquitania, Queen Mary, Queen Elizabeth and QE2 with other famous sea disasters: Empress of Ireland, SS Normandie, SS Andrea Doria & the history of SS Great Britain.
