The Satyr(s) - the divine half-man and half-goat creatures! - The Satyr(s) - the divine half-man and half-goat creatures! by Ancient Greece R 2,166 views 2 years ago 2 minutes, 28 seconds - The **Satyr**,(s) - the divine half-man and half-goat creatures! Like the video? Subscribe now: ...

Today, we will talk about the famous Satyr(s) - the divine half-man and half-goat creatures!

Satyrs have goat-like features such as hindquarters and horns and are often depicted playing flutes and holding cups of wine.

They epitomize the essence of having a carefree life as they make music and drink all they want.

Satyrs were male creatures who inhabited woodlands and forests in Greek mythology.

They often accompanied Dionysos, and were frequently depicted in art and myth

In addition, the satyrs as a group were passionately fond of females

The ancient Greeks saw the satyrs as having some rather distinct attributes.

Satyrs appear commonly with the legs of goats. In this respect they resemble the god Pan.

satyrs embody the wild, uninhibited forces of nature

In both mythology and art, satyrs are sometimes confused with Sileni.

They are however closely related to the satyr in appearance and mannerisms.

The two kinds of creatures were primarily distinguished in ancient Greece by their age

Silenus was a wise, elderly father figure character who according to legend tutored the god Dionysus.

Satyrs were called fauns in Roman mythology.

Nothing is without a cause – Aristotle, (384-322 BC)

Greek Mythology: Story of Satyr - Greek Mythology: Story of Satyr by Cayla Rose 10,363 views 6 years ago 2 minutes, 12 seconds - A **Satyr**, is a companion of the god of wine Dionysus. Greek Myths ...

A Satyr is one of Dionysus' male companions.

They have goat-like features and often permanent erection.

Early depictions show him with horse-like legs

The Romans have a similar concept to satyrs with goat-like features as well.

Half-man and half-goat
they roamed the woods and mountains.
Mature satyrs are often depicted in Roman art with goat's horns
while juveniles are often shown with bony nubs on their foreheads.
Attic painted vases depict mature satyrs as being strongly built with flat noses
large pointed ears, long curly hair, and full beards
with wreaths of vine or ivy circling their balding heads.
Satyr often carried the thyrsus
staff of giant fennel covered with ivy vines and leaves
and always topped with a pine cone.
They are lovers of wine and women
and often chase maenads
female followers of Dionysus.
In later art, they are shown dancing with nymphs.
they are often represented holding wine cups
and they appear often in the decorations on wine cups.

Dragon Chains

Dragon shifters, fake identities, and betrayal; secrets that will either turn two strangers into bitter enemies or forge a passionate, burning love with the strength to last an eternity... Sent halfway across the world in her identical twin sister's place to sign a contract with a reclusive billionaire, Katy Toure has no idea what she's walking into. Before she signs anything, however, she meets the most amazing, drop-dead gorgeous man of her dreams. Even if all she can have with him is one night, she can't resist the hunger in his eyes or the way he makes her body sing. Ryker Draquonir, king of the dragon shifters, takes one look at the woman sent to sign a contract with him, a contemporary marriage of convenience, and knows she is an impostor. Fate has stepped in after centuries on his own to give him his heart's desire; for the woman standing before him is his true mate. Ancient Draquonir law forbids Ryker from revealing the existence of dragons and other magical creatures to her before he has claimed her, so if he wants a chance at happily ever after, he will have to seduce her to get it; woo her as only a billionaire can. Dragons love to hunt, and he will do anything to capture his true mate's heart. *** If you love magic and paranormal romance in the style of Christine Feehan, J.R. Ward, Lara Adrian, S. E. Smith, Milly Taiden, Ruby Dixon, Kresley Cole and adventures like Supernatural, The Originals, The Order, or fire-breathing dragons, be sure to read international bestselling authors Becca Brayden and USAT Bestselling Author Grace Goodwin's new paranormal book series! Shifters, dragons, magic, and hot romance all in one place!

Dragon Billionaire's Bargain

He's chased her for years. Now, she might just let him catch her. The only female on the Dragon's council and one of only a few female blacks in existence, Adra is used to being the odd one out. The one never picked for games as a kid. The unpopular one. So handsome playboy Nik Waldek's attention is unsettling. He's exactly the sort of man her mother warned her about. The slick charmer who would get her pregnant then leave her when he's had his fun. Conned into parading herself in front of his business associates for the weekend, Adra begins to see a different side to Nik. The problem is, how does she know if that's the real Nik or whether it's just an act to get her to let down her guard as she so desperately wants to... He's wanted her for years. But she won't give him the time of day... Nikolai Waldek has been in love with Adra since the first day he met her. Both black dragons and council members, they live together, train together and fight together... but she brushes off every advance he makes and try as he might, he can't get past the dragoness's iron-clad guard. So much so, he's beginning to think she's more ice-dragon than black dragon and is losing hope of the happily-ever-after he craves with her. In a last ditch attempt, he makes a gamble on a game of cards. His prize for winning? Her as his 'girlfriend' for the weekend. Once away from the court, can he finally make her see he's the perfect dragon for her?

Captured by the Billionaire

Revenge is sweeter in paradise. Billionaire Gabriel Vaughn had all but forgotten the past...until Debbie Harris arrived at his luxury resort. She'd walked away from him once, but now he wasn't letting her leave his island without exacting his own brand of revenge-- the ultimate seduction. Debbie realized Gabriel would only release her if she revealed the true reasons she'd left him years ago. But could she resist their heated attraction long enough to learn if Gabriel had a deeper motive for making her the billionaire's captive?

Capturing The Ceo's Guarded Heart / The Millionaire's Italian Invitation

She accepts his proposal to avoid scandal...

The Dragon's Heart

Lorna MacKenzie lost her mate nearly thirty years ago. Dedicating her life to her children, she brushed off the thought of ever finding love again. After all, Jamie MacKenzie had been her true mate. Who could ever replace him? Ross Anderson came to Lochguard to be near his daughter and fight his cancer. Over the last six months, he's become close to one particular dragonwoman. However, he doesn't want to pursue her as a dying man. But now that his cancer is gone, Ross is determined to win Lorna's heart. As the pair fight their growing attraction to one another, the only question is will Lorna open up to Ross or forever hold on to the memory of her first love?

The Billionaire Behind the Headlines

On a dangerous mission to rescue a young royal from a prison cell on an alien warship, Lumerian Knight Taeger Norasair never expects to find a beautiful human woman among the prisoners. Even more puzzling is her refusal to leave. Unwilling to leave Cassie behind, he throws her over his shoulder and makes a dash for freedom. He is an ancient. Nearly immortal. Sparks fly and passions rage. Her touch calls to him as no other, healing his wounded soul. She may deny it, but he knows one intense night together will never be enough. He will do whatever it takes to convince the stubborn woman she wants to be claimed. Forever. Savage. Alien. Beast. How dare the huge alien warrior scoop her up like a damsel in distress? Billionaire's 100 Wife-pursuing Ways

In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

For thirty years, Peter Singer's Practical Ethics has been the classic introduction to applied ethics. For this third edition, the author has revised and updated all the chapters and added a new chapter addressing climate change, one of the most important ethical challenges of our generation. Some of the questions discussed in this book concern our daily lives. Is it ethical to buy luxuries when others do not have enough to eat? Should we buy meat from intensively reared animals? Am I doing something wrong if my carbon footprint is above the global average? Other questions confront us as concerned citizens: equality and discrimination on the grounds of race or sex; abortion, the use of embryos for research and euthanasia; political violence and terrorism; and the preservation of our planet's environment. This book's lucid style and provocative arguments make it an ideal text for university courses and for anyone willing to think about how she or he ought to live.

King of Always

BLURB Desperately unemployed, Arianne, answers an ad that reads Woman Wanted. With miniscule hours and excellent pay, she accepts the position of courtesan to Derek, a handsomely dashing man, whom she finds out is a billionaire. Engaging in a game of cat and mouse, will they drive each other crazy...or will they fall in love first. EXCERPT Picking up the remote with one hand and the coffee mug with the other, she alternated between surfing channels and sipping wine. She stopped at two naked females passionately exploring each other's body. Blankly staring at the screen she finished the bottle of red wine, consumed her precooked, fast-frozen meal in a container and had changed to white wine, without noticing the difference. Tossing the empty dish onto the coffee table, the fork bounced off and landed on the newspaper. She bent down to pick it up. The ad she had read to Taylor caught her eye. "What the hell." She picked her laptop up off the coffee table, typed in the website then clicked on e-box twenty four. Hi. I'm Derek. I'm looking for a woman. I don't want a girlfriend or a lover. Just a mutually sexually satisfying companion. The work will be minimal and the pay will be excellent. If interested email me your name, an introduction - 100 words or less - and a photo to entice me to hire you. Arianne drank her wine and stared at the laptop screen for fifteen minutes while she had a mental debate. The "yes" voice in her head won out. The wine may have helped. She linked the digital camera to the computer then walked to her room and stripped. She stood in front of the small mirror and tried to choose her sexiest pose. Having chosen the conservative one of standing with her hands at her sides, legs spread apart; Arianne positioned herself in front of the camera and clicked the trigger. In a moment the picture appeared on the screen. Appraising her body, Arianne smiled - soft curves, ample breasts and a neatly trimmed puff of hair below her belly button. It was a sexy body, not ravishing like a movie star's, but it had enticed a few of the male gender. With some careful editing she deleted the background of the picture until all she had was a naked, headless picture of herself. She attached the photo to an email and began to type her message. My name is Arianne. I'm 25 and recently unemployed so I'm ready to explore any job opportunity. Especially one that will pay an excellent salary. I keep in shape. I like to party but I don't do drugs. I'm not a virgin, but I am clean—no STD's. I've never done anything like

this before. I don't jump into bed with every guy I meet. I'm just a regular girl pushed into a corner and is desperately looking for a way out. How much is "excellent pay"? She hit the send button. No turning back now. While online she did a daily depressing search of the job listings. As she was about to click off, she noticed her email icon was flashing. Hello Arianne. This is Derek. I am 28 and employed. I also like to keep in shape, but I enjoy a lazy day doing nothing but watching TV. There will be no drugs involved—only sex. I don't have the time or the patience for a relationship. Job description - service me at least once a week - say every Tuesday. I will supply an apartment for our meetings. I don't want to wine and dine you. There is no emotional involvement. Pay - how does \$8,000 a month - to start - sound? Reply. Derek. "Sounds pretty damn good!"

Andi knows the dragon shifter's secret and he's definitely far from pleased. After a night of monsters and madness, he takes her home in his fancy sports car and asks her for a date. Glory and Redemption: Book of the Archangel Michael

First came the genesis of creation, the birth of the angels, the building of Heaven. Then came the war that ripped Heaven in two and threatened all of creation. 333,333,333 angels were born. 111,111,111 fell. Now, Earth sits in endless war and conflict. All seems to be falling apart as a man seeks redemption in order to reunite with his family. The man is Cain Adamson, he who was damned by God with eternal youth. Cain has sought a way to be free of his curse since the dawn of humanity, while simultaneously pursued by the most powerful beings in creation. Desperate, Cain turns to his only friend: the Archangel Gabriel. With the help of the momentarily banished angel Gabriel and his contraband, the Book of Michael, Cain seeks the knowledge required to at long last receive redemption from God.

Chief Prince Archangel Michael of the Heavenly Wars

Buried in the inner workings of what seems to be peace, Prince Archangel Lucifer is brewing an evil plot to overthrow the Kingdom of God. Slowly and surely he builds his dark angelic army in the hopes of over throwing God's Kingdom. Now faced with the toughest challenge ever, the holy angelic army is forced to fight against those they once had called their 'brothers.' In the midst of up evil, Chief Prince Archangel Michael is commissioned by his lord to lead the First Heavenly War against Satan and his dark angelic army. As disheartening as their betrayal has been, an ancient prophecy had predicted the victor of the heavenly war of wars.

Angelic Redemption

Theo knew that redemption, the action of saving or being saved from error or evil, would lead him to a place unlike he had ever known. For that place to include someone to love was something he hadn't dared hope for. His path to redemption is suddenly no longer his own.

The Encyclopedia of Angels

The Art of Angels

Your faith will be powerfully strengthened as you gain insight into the nature of angels and discover the purpose of their ministry. All the Angels in the Bible

Over 50 per cent of Americans and over one third of British people believe that we all have a guardian angel that protects us throughout our lives. More people believe in these divine bodyguards than in global warming. It is truly astonishing how many spiritually aware people have seen or sensed an angel's presence at a time of contemplation or hardship. Angels have been protecting us for centuries. This book explores the cultural origins of the heavenly messengers that guide and heal every one of us and reveals compelling real-life encounters with angels. The result is a fascinating insight into the world of angels and their everyday presence among us. Contents: Angels through the ages, angels

in Christianity, Judaism, Islam and Kabbalism. Angel links with black magic, occultism and ancient astrology. Paganism. Angel healers: what your angel can do for you. Angel encounters: real-life stories from people around the world.

Angels

Millionaire media mogul Raymond Neenan can't believe his ears--or his eyes. The seat next to him, empty for the whole flight, now barely contains a huge man who looks a lot like Chicago Bulls superstar Michael Jordan. In fact, the "man" is the Archangel Michael ("Not Mike, not Mikey, but Michael. you got a problem with that?"), and he's looking to make a deal for Neenan's immortal soul. Neenan isn't interested in his soul or anyone else's unless there is money in it, but a little well-timed turbulence that sends the plane hurtling earthward caused him to reconsider. If he doesn't believe in it, what could it hurt to sign? But for a man like Neenan, making amends is no easy task. Though he never knew it, he's damaged a lot of lives, including his own. He's hated or feared by his parents, his ex-wife, his children, and practically everyone he's ever met. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Contract with an Angel

A stirring account of how and why the first and most radiant archangel fell from grace and became the Devil. This is a story of angels and demons, love and hate, goodness and evil. An angelic tale of long, long ago that predates Creation and even the beginning of time. Religion has taught us that the archangels and angels are extremely wise and have faultless purity. However, this is not the author's controversial portrayal of them. These heavenly beings possess a child-like quality, they make mistakes and use poor judgment. Several also display a whole range of emotions and motivations, from being supremely good to unrighteously evil. Could it be their initial frailty was the opening gambit for the duality of the human race? This book is the first of The Angelic Chronicles trilogy. It is a blending of fantasy with esoteric teachings.

Samael's Fall

Can angels truly exist in the twenty-first century - a time when faith is challenged regularly? From Beliefnet, a multifaith website, comes this guide to angels that gives answers to specific questions: what angels can and cannot do; why they appear when they do; what their purpose and nature is; whether we have guardian angels; whether it is possible to call angels in prayer or in times of need. This includes stories of modern angelic encounters and offers a guide to getting in touch with your own guardian angel and using that positive energy in daily life.

The Angel Chronicles Books I-V The Guardian Angels by the Angel Auberon "The Angel Chronicles tells the romantic tale of the beginning of human life and of the angels' concern for human beings that resulted in their forming an assembly of Guardian Angels. If you believe in angels, all the better. But, even if you do not believe in angels, and see them only as a symbol of beauty and perfection, you will want to read this book. In the context of an enchanting story beautifully told you will find many insights into human psychology and the human spirit. This unusual and inspiring book is a must for everyone." Hemmings P.G. Micheline Renauld*** The Angel Chronicles Books I-V The Guardian Angels by the Angel Auberon *** Auberon's Words of Introduction At the very beginning God asked the Angel Auberon, the most noble of the Principalities, to chronicle the events of all time. Auberon did as he was asked. In the year 2001 Auberon requested permission to come to Earth to tell his story. Auberon came to us at The White Notebook (R) Library, entrusting us with the story he wished to give to those who lived on Earth. The story he left behind is one of love and of angel beneficence. It is entitled The Angel Chronicles. In his book, Auberon describes how the world was created, how human life on Earth began and how the angels forever found ways to make a meaningful contribution to human beings. We at The White Notebook felt that Auberon left us with not only his words but with

a greater respect for our potential as human beings, with intelligent optimism and, for many of us, a return to hopefulness. *** We have listed for you below the Table of Contents and synopsis related to Book I. In it would be a planet called Earth. God sent the angels out from their home in the beyondness for He had decided that the Earth would be sung into existence by them. The angels set to begin their work. Their finely feathered wings carried them in flight until they reached the center of the vast space of time. There they stopped. They breathed their beautiful breaths as they looked about and considered what they were to accomplish. The angels first sang into existence the planets and stars and the sun and the moon. They next sang their angel music until the Earth was made. All things upon the Earth the angels next sang into being, the mountains and rivers, and also the variety of creatures God wished to inhabit the Earth. In this way the entire physical world emanated from purely spiritual beings: God and His angel emissaries. The angels thought they might rest. But Michael the Archangel came to them in a dream to remind them that they were also to sing into life the most wondrous of all creatures, the human beings. The angels were astonished. Nonetheless, they sang the most beautiful of alleluias and human beings were brought into existence. When the angels saw the first human beings walk about the Earth, they fell in love. It was inevitable that the angels would fall in l

The Archangels is a thrilling theological fantasy that describes a diabolical plot to abduct and publicly execute Michael the Archangel. The purpose of the assassination conspiracy is to make a preemptive strike against the prince of the heavenly hosts and thwart the apocalyptic prophesy of the Battle of Armageddon. This narrates the devil's desperate attempt to avert his final confrontation with Michael, as foretold in the Book of Revelation.

The Archangels

Angel stories from the Bible — for kids Modern believers may be tempted to look upon angels as one of the more fanciful elements of Scripture, but this illuminating and entertaining collection of angel stories from the Bible shows that there are just too many angels for them to be metaphorical, allegorical, or unimportant. So that children will come to know and learn to revere angels, Marigold Hunt explains what angels are (and are not!) and gathers here in one volume most of the stories of angels in the Bible, including exciting tales of: The fallen angels, beginning with the devil himself, tempting Adam and Eve The angel who barred the gates of Eden so Adam and Eve could never enter again The angels who announced that Sara, Abraham's aged wife, would have a baby The angels who tried to save Lot from destruction with the city of Sodom The angel who stayed Abraham's hand as he was about to sacrifice his son Isaac The angels in Jacob's dream who climbed the stairway to Heaven The angels who saved Sidrach, Misach, and Abdenago from the fiery furnace The angel Raphael, who shielded Tobias from death, and protected his wife Sara The angels at the Ascension who chided the apostles for staring at the sky The angel Gabriel, who foretold the birth of Jesus and John the Baptist The choirs of angels who sang above Bethlehem when Jesus was born The angel who carried food to Daniel when he was imprisoned in the lion's den The angel who freed Peter from prison, and, of course: The countless angels who fill the marvelous pages of the Book of Revelation Children will be charmed by these exciting tales. A Book of Angels

Recently angels have made a remarkable comeback in the popular imagination; their real hey-day, however, was the Middle Ages. From the great shrines dedicated to Michael the Archangel at Mont-St-Michel and Monte Garano to the elaborate metaphysical speculations of the great thirteenth-century scholastics, angels dominated the physical, temporal, and intellectual landscape of the medieval West. This book offers a full-scale study of angels and angelology in the Middle Ages. Seeking to discover how and why angels became so important in medieval society, David Keck considers a wide range of fascinating questions such as: Why do angels appear on baptismal fonts? How and why did angels become normative for certain members of the church? How did they become a required course of study? Did popular beliefs about angels diverge from the angelologies of the theologians? Why did some heretics claim to derive their authority from heavenly spirits? Keck spreads his net wide in the attempt to catch traces of angels and angelic beliefs in as many portions of the medieval world as possible. Metaphysics and mystery plays, prayers and pilgrimages, Cathars and cathedrals—all these and many more disparate sources taken together reveal a society deeply engaged with angels on all its levels and in some unlikely ways.

Angels and Angelology in the Middle Ages

Beautiful and inspiring book about the angels, full of stories from the Saints. Gives their nature and role, the need for devotion to them and their relationship to the Blessed Virgin Mary. Many prayers to the angels. Written to be read daily during September, the month of the Angels.

St. Michael and the Angels

Angels are part of God's ingenious provision for us, wonderful gifts he has given to protect, inspire, and lead us safely home to him. Because God cares for us and because the angels are his servants, we can claim them as our powerful friends. Thinking of angels can ease our sorrows, strengthen our faith, and lighten our hearts. Yet we often neglect the angels by failing to recognize their importance in Scripture and by ignoring the traces of their presence in our lives. *An Angel a Day* offers sixty brief meditations on angelic encounters in both Scripture and in the lives of ordinary men and women. Anything but tame, the angels show us what it means to worship God with true passion. They pull off stunning rescues, engage in spiritual battles, carry the dying to paradise, execute judgement against evil, convey messages from heaven to earth, and watch over us day and night. Far from distracting us from God, the angels can act as a window to him, offering a glimpse of his power, his goodness, and his loving intentions toward us. Here is a book to rekindle your hope and increase your desire to know the One to whom the angels bow their heads.

Angel Chasers

This book, first published in 1997, examines the influence of angelology on the christology of the Apocalypse of John. In the Apocalypse, Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE. Dr Carrell asks what significance this has for the christology of the Apocalypse. He concludes that by portraying Jesus in such a way that he has the form and function of an angel, and yet is also divine, the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible, glorious form to his Church.

An Angel a Day

Everyone has an angel story, or so it seems, but the Catholic Church has some pretty spectacular ones, especially those that are found in the lives and legends of the saints. Starting in earliest Christian times with Gregory the Great and finishing in the 20th century with one of the Church's newest saints, Padre Pio, *Partners in Holiness* tells the stories of nine men and women who grew in virtue and holiness with the assistance of their angels. Sometimes the help was sublime; sometimes it was stunning. St. John Bosco's assumed the form of a large dog and protected him on numerous occasions from bloodthirsty assailants. St. Frances of Rome's helped her to read at night by the light of his hair. St. Lydwine's "flew" her to faraway places in the heavens and on earth. And St. Gemma Galgani's graced her with constant visible companionship for most of her short life. Written in a manner friendly to all age groups, these accounts recreate the times and settings in which they occurred. But always at their core is the message that the friendship of an angel is not just for a canonized saint, but is a gift to each of us, saint or sinner. Woven throughout the book are teachings and anecdotes about the angels from a Catholic

perspective. For anyone interested in angelology, hagiography, history, theology, or just an inspiring read, *Partners in Holiness* satisfies on many levels.

Jesus and the Angels

Gustav Davidson's classic text, *A dictionary of Angels: Including the Fallen Angels*, is the result of sixteen years of research in Talmudic, gnostic, cabalistic, apocalyptic, patristic, and legendary texts. The classic reference work on angels is beautifully illustrated and its reissue coincides with the resurgence of belief in angels in America. This well researched and exquisitely illustrated dictionary is a wonderful collectable for all those who believe in angels, miracles, lore, and faith.

The *Angel Chronicles* is a five volume series containing the fictional stories related to the most fascinating areas of Creation; the actions, adventures, and suspense of the Heavenly Angels. Pravuil is the archangel entrusted by God to record all heavenly events and deeds since the beginning of Creation. Pravuil narrates the series from a firsthand account as an eyewitness and a holy servant and historian. The *Angel Chronicles* concludes with Volume 5: *Salvation - The Final Battle*. Revelation is upon us as Christ's prophesized return to Earth to reclaim his Kingdom and the souls of Man from Lucifer is fulfilled. The mighty Angel Army is called upon once more for a final battle against the Fallen Angels and their greatly strengthened Dark Army. At stake, Man's salvation and his destiny to ascend into Heaven so that he may know everlasting life in the Holy Father's kingdom. Lucifer plans to wage a battle like none ever witnessed in the history of Creation as his final act of defiance and to avoid serving his 1,000 years sentence in Tartarus.

Book of Angels, A

Explores the extensive landscape of angels in medieval Christian devotion and retrieves a very rich vein in the Christian spiritual tradition.

The Angel Chronicles

The archangel Michael is missing. His brother Gabriel enlists BA, the Bad Angel, to find him. BA is told if he completes the mission, he'd no longer have to guard Purgatory, which was his punishment for committing centuries of mistakes. Michael's blood is being used in a drug by a powerful being, known as the Peddler that makes humans homicidal. The purpose of the drug is to wipeout humanity. Because the Peddler is using vampires and rogue demons to do his bidding, Jericho Caine, the vampire slayer, Father Tom Padilla, the demon hunter, and Alexander Merryweather, The Grand Librarian and wizard, also join the fray. The drug also draws the attention of the demon lord Hangoctuforre, who wants to conquer the Earth for himself. He raises his pupil, Damian Red, a sorcerer, and also aligns himself with a fallen angel to stop the Peddler and find the Book of the Dead. Secrets are revealed from BA's past that complicate his mission and threaten to endanger his redemption. He must decide if he and his ally's efforts are enough to stop the Peddler, or if he has to call on his frenemy, the Hangman, for help. The *Bad Angel: Redemption* is the last novella in the in Stage II of the Hangman Universe (HMU). Stage III and the novel, *The Hangman Returns*, will pick up almost immediately following the novella.

Angels Among Us Magabook

Angelic Spirituality

Here is a book that was neither written by a human nor dictated by the Holy Spirit to a human. It is the perspective of an angel, a disinterested third party who is neither human nor divine. Augie is a working angel who, like most angels, troubleshoots and serves God as a messenger, guardian, avenger, chaperone—you name it, Augie has done it. For reasons unknown, Augie's superiors select him to write a book, giving him no reason and no guidelines. Augie figures it must be to help humans understand the spirit world a little better. It was strange that Augie was selected because he takes a rather dim view of the human species. He feels that the sacrifice of Jesus to purchase mankind was like a human who spent a fortune to buy the Brooklyn Bridge. Being a good angel, however, he takes to his task willingly and digs into his case files—reports that all angels must submit following encounters with humans. He includes an after-action summary as a sort of debrief in which he records the important details that he feels humans are too ignorant to see on their own. The result is this book. Since heaven submitted it for publication, I guess they think Augie did an okay job.

The Bad Angel

The Existence, Nature, and Ministry of the Holy Angels Briefly Considered as an Important Branch of the Christian Religion, Etc

It sounded like he said, "I am Gabriel" ... the light flipped on and I saw what seemed to be two of the largest men I had ever seen. Strong currents of radiation pulsated from them. I started to fall, but was steadied by the strong hand one of these seven-foot-plus-beings. It sounded like he said, "I am Gabriel"

The Encyclopedia of Angels

The Archangel Michael is just one of the seven Archangels. In the Old Testament, Michael appears to Daniel three times. The Archangel Michael plays an important role in both Jewish and Christian tradition. In Judaism, he is revered as the advocate for the nation of Israel. He fights with the fallen angel Samael, the accuser of the nation of Israel. He is thought to be the one who appeared to Moses in the burning bush and who fights with the followers of Satan for the soul of Moses. There are two prayers in the Jewish liturgy to Michael to intercede on behalf of the Jewish people. Prayers to St. Michael have a particularly calming effect.

Case Files of an Angel

Using four models from Jewish and Greco-Roman traditions, this book offers a synthetic view of how early Christian Christologies developed during the churches' first 100 years.

What is an Angel?

Since humanity needs to embrace the fundamental truth that God has created angels to guide us on earth, to keep order in the universe, and to continually Glorify Him in Heaven, our knowledge of this can be a moral compass for the essential growth of future generations. Based on Biblical accuracy and the Catechetical truth of the universality of angels and how they interacted with humans, this book capitalizes on the light and hope society longs for during this modern era. Imagine a training camp whereas according to the Divine Governance of the Summa (106) the superior angels enlighten or illuminate the inferior angels. The story of this creation is told through the eyes of Archangel Uriel, who is referenced in the apocryphal texts of the Bible and revered in early and modern Eastern Catholicism. Archangel Uriel takes the reader on this journey through creation and explains the missions of the angelic choirs as they pertain to the universe and mankind. He also inspires us with an insight that can only be perceived without the boundaries of space or time."Heaven's Angels" will awaken awareness that angels were created as God's messengers and our guardians, and we are never alone. Putting these words to Dona's artwork will "bring the angels to life" in the mind of the reader. The images are not meant to accurately depict the angels, but rather to assist the imagination, since God will allow the angels to take a form that is befitting according to the eye of the beholder.
