Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. The Golden Ass of Apuleius

Excerpt from The Golden Ass of Apuleius: Translated Out of Latin by William Adlington, Anno 1566, With an Introduction by Charles Whibley A barbarian born, a Greek by education, Apuleius only acquired the Latin tongue by painful effort. Now, a foreigner, not prejudiced by an inveterate habit of speech, seldom escapes a curiosity of phrase. Where the language is the same, whether written or spoken, art is wont to lapse into nature. But there was no reason why Apuleius, who could. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Golden Ass of Apuleius

Written towards the end of the second century AD, *The Golden Ass* tells the story of the many adventures of a young man whose fascination with witchcraft leads him to be transformed into a donkey. The bewitched Lucius passes from owner to owner - encountering a desperate gang of robbers and being forced to perform lewd 'human' tricks on stage - until the Goddess Isis finally breaks the spell and Lucius is initiated into her cult. Apuleius' enchanting story has inspired generations of writers such as Boccaccio, Shakespeare, Cervantes and Keats with its dazzling combination of allegory, satire, bawdiness and sheer exuberance, and remains the most continuously and accessibly amusing book to have survived from Classical antiquity.

Golden Ass of Apuleius

The Metamorphoses of Lucius Apuleius is the only complete Latin novel to have survived to this day. Lucius of Maudorus is insatiably curious about magic, but when he tries to magic himself into a bird, he transforms instead into a donkey. The story follows his literal and metaphorical journey, and was called by St Augustine *The Golden Ass*.

The golden ass of Apuleius translated out of Latin...

More than one hundred books have been written about T.E. Lawrence which explore the man and his deeds. Just about every aspect and the many incarnations of his life, his campaigns, the geo-politics of the Arab world, and the influence of the West in it, as Lawrence experienced them, have been examined. However, nobody has gone in search of the mind of the man himself – of his formation and his deep beliefs. Nobody has asked the question, What, really, is the source of the extraordinary power of this little man? – not only in terms of his incontestable qualities of leadership, but also in regard to the sheer range of his activities and accomplishments. Archaeologist, writer, guerilla warfare theorist and practitioner, diplomat, soldier and airman, Lawrence also possessed an unusual ability to cross boundaries of class, race, culture, and religion. On top of this, he demonstrated the ability to walk away from power and wealth and the accumulation of things – to change his name more than once; to begin again at the bottom of the heap in the RAF, and stay there, with only a few friends and books and a motorcycle. Lawrence – Warrior and Scholar is a quest. It examines how a slight Oxford academic combined two of the most challenging paths a man can choose. What drove and motivated this man? How was it that he could apparently out-shoot, out-ride, and out-starve the Bedouin? How is it that the US military, and others, are still studying his famous account of the Arab Revolt and his '27 Articles'? Drawing upon what Lawrence and those who knew him wrote, and did, and said, Bruce Leigh delves into Lawrence's personal philosophy and practices, examining and analyzing his library, and his close relationship to the world of classical scholarship and chivalry, emphasizing that Lawrence's views were not abstractions only, but intimately tied to his actions and deeds. Ultimately, the book argues that there is a message in Lawrence's writings and activities – one that is against the grain of the world of self-definition by consumption. As one of his friends wrote: 'The Man was great, the message is greater.'

The Metamorphosis of Apuleius

The Golden Ass is the only Ancient Roman novel in Latin to survive in its entirety. The protagonist of the novel is called Lucius, like the author. At the end of the novel, he is revealed to be from Madaurus, the hometown of Apuleius himself. The plot revolves around the protagonist's curiosity (*curiositas*) and insatiable desire to see and practice magic. While trying to perform a spell to transform into a bird, he is accidentally transformed into an ass. This leads to a long journey, literal and metaphorical, filled with in-set tales. He finally finds salvation through the intervention of the goddess Isis, whose cult he joins.

The Golden Asse

"The Golden Ass" or "The Metamorphoses" is the only Latin novel by Apuleius to survive in its entirety. Adapted from an earlier Greek story, "The Golden Ass" tells of the adventures of Lucius, a young man who is obsessed with magic. In attempting to perform a spell, Lucius inadvertently transforms himself into an ass. His long and arduous journey is ornately illustrated by Apuleius' witty, imaginative, and often explicit language, in a series of subplots that carry the reader through to Lucius' salvation by the goddess Isis. These include the stories of Cupid and Psyche, Aristomenes, Thelyphron and others. The novel reflects Apuleius' own fascination with magic and the occult, and although comical at times, contains very serious messages about impiety towards the gods, and the risks of tampering with the supernatural. Apuleius (c. 125-c. 180) was a student of Platonist philosophy and Latin prose writer.

Relihan uses alliteration and assonance, rhythm and rhyme, the occasional archaism, the rare neologism, and devices of punctuation and typography, to create a sparkling, luxurious, and readable translation that reproduces something of the linguistic and comic effects of the original Latin. The general Introduction is a masterpiece of clarity, orienting the reader in matters of authorship, narration, genre, religion, structure and style. A generous and browsable index, select bibliography, and maps are included.

The Antiquary

The protagonist of the novel is called Lucius. At the end of the novel, he is revealed to be from Madaurus, the hometown of Apuleius himself. The plot revolves around the protagonist's curiosity (*curiositas*) and insatiable desire to see and practice magic. While trying to perform a spell to transform into a bird, he is accidentally transformed into an ass. This leads to a long journey, literal and metaphorical, filled with inset tales. He finally finds salvation through the intervention of the goddess Isis, whose cult he joins.

Folklore

The story of Lucius, a Roman-named Greek youth of means and prominent family whose curiosity about magic gets him changed into a donkey.

The Golden Ass

Translated from the Latin by the poet and author of *I, Claudius*, this ancient Roman novel follows the many adventures of a man who transforms into an ass. Driven by his all-consuming curiosity, a young man of good parentage named Lucius Apuleius takes a trip to Thessaly. Along the way, amidst a series of bizarre adventures, he inadvertently offends a priestess of the White Goddess, who promptly turns him into an ass. How Lucius responds to his new misfortune, and ultimately finds a way to become human again, makes for a funny and fascinating tale. The Metamorphosis of Apuleius, referred to by St. Augustine as *The Golden Ass*, is the oldest novel written in Latin to survive in its entirety. Originally written by Lucius of Patrae, this translation by Robert Graves highlights the ribald humor and vivid sense of adventure present in the original. Providing a rare window into the daily lives of regular people

in ancient Greece, Robert Graves's translation of this classic tale is at once hilarious, informative, and captivating.

When Love Came Calling

Rom coms, meet cutes, mystery men, courageous women, and the happy endings of today draw a direct line to the words between the covers of Emilie Loring's romance novels. With a career spanning 40 years, Emilie Baker Loring saw millions of her books sold during her lifetime. Happy Landings: Emilie Loring's Life, Writing and Wisdom shares this best-selling author's uplifting story for the first time. Loring's books brimmed with intricate plot twists, intense imagery, and page-turning excitement, setting her works apart from the drugstore novels of the early- to mid-20th century. Her oft-quoted phrases are part of the American lexicon. Her readership has continued long after her passing. Now with generations of readers, Loring's books have sold more than thirty-seven million copies in a dozen languages. And now Emilie's own compelling life story is finally told in full. With never-before-published photographs, privileged access to the Loring family archives, and twenty years of meticulous research, Patti Bender reveals a woman who lived as she wrote, with intelligence, humor, and wisdom. "After all, living is the greatest thing we'll ever do. Why not make an art of it?" (Emilie Loring) Emilie Loring lived through two World Wars, a pandemic, the Great Depression, and deep, personal loss with her optimism intact and thirty best-selling novels to show for it. This is a woman's story in swiftly changing times for women; a charming story with little-known anecdotes about prominent authors; and the story of a writer in the making, with advice and encouragement for aspiring authors. "I am personally grateful to Patti

for filling out a dim, long-ago picture of my grandmother. Her skillful, sensitive portrait brings Emilie alive for me and adds many new dimensions--hard working, organized, feminist--with an extraordinary sense of optimism, and faith that things would turn out all right." --Valentine Loring Titus, Emilie Loring's granddaughter

The Trail of Conflict

Noting down quotations that I liked has been a habit of mine since my university days. I kept writing whenever some quotation attracted my attention. During this long period, I also wrote some and later shortlisted what appealed most. Thus, this exercise continued at a slow pace as part of my hobby for leisure time. After retirement from service in the Indian Council of Agricultural Research, Govt. of India, I compiled them and had a relook. Some more quotations of lesser liking were screened out. These were then clubbed into relevant headings and sub-headings for quick searches. A desire to group all

of these together prompted me to get it published. Though the major part covers quotations in English, a small part collected from Hindi literature is also put under the same cover. Since it was a long period of leisure exercise, there might be some quotations where the name of the author is not shown. This might be due to the fact that the source from where I collected such references that might have not been there. I have also written quotations and notes. Profound quotations are motivational mantras that enlighten our minds and enthuse our hearts. They are packed with wisdom and experience of age. They are learning from what the world's wisest have said about a specific subject. I hope the readers will find it interesting and useful on one or more subjects covered in this publication.

Michael Landon: The Career and Artistry of a Television Genius is a long overdue appreciation of Landon's work as an actor, writer and director across more than three decades of television history. Included are details of his numerous guest star appearances, his accomplishments as a director, as well as an examination of every episode he wrote for Bonanza, Little House on the Prairie and Highway to Heaven. Illustrated with publicity and production stills, and featuring a foreword written by his wife, Cindy Landon. "I am grateful that one of Michael's greatest admirers has devoted an entire book to a serious study of his productions, and I hope readers will appreciate David Greenland's efforts as much as I do." -- Cindy Landon "MICHAEL LANDON: THE CAREER AND ARTISTRY OF A TELEVISION GENIUS quickly covers Landon's early life and initial screen career before author David Greenland (respected author of BONANZA VIEWER'S GUIDE and GUNSMOKE CHRONICLES) launches into a lengthy and glowing dissertation of the 330 hours of TV programming Michael produced ("Bonanza", "Little House on the Prairie", "Highway to Heaven", TV movies). "With an IQ of 159 Landon was an authentic genius and he used that gift to make discoveries where no one else thought looking," writes Greenland. "Michael was concerned with making this world a better place and shared his vision with us for over three decades. Recognizing and celebrating the filmed legacy he left behind is the purpose of this book." Foreword by Cindy Landon. Well done, David." - Western Clippings

The Countess is delighted to have Anthea as her guest because otherwise her husband wishes her to leave for the country. How Anthea meets the handsome Duke of Axminster in her Godmother's house, how he appears bored and contemptuous with her when they dance at Almack's, how Anthea caricatures the Duke with far-reaching and dramatic results and how she learns never to laugh at love, is told in this 182nd book by Barbara Cartland.

Mary Lee The Red Cross Girl

We have been married for 50 years. The first 13 years were some good and a lot turbulent. (Unequally Yoked). The last 37 years have been wonderful (one in Jesus). God changed me into the wife I needed and then He changed I into the husband I needed. God is so good. In 2000 our pastor (Rev. Ray Emery) from Wichita KS stopped by our home in Dallas TX to visit. He said he had given out 50 copies of this book and had baptized 48 men as a direct result of their wives doing what this book says for them to do. The odds are in your favor. Trust God to do what He says he will do. Lord Jesus, Please help all who read this book to draw close to you and have a more intimate walk with you. Become their best friend. Please reward each wife who earnestly tries to do as you say by saving her husband. Please reward each husband who earnestly tries to do as you say by saving his wife. Thank you for being so kind and merciful. Amen

The Odes of Solomon

From New York Times bestselling author Lynn Kurland comes the reissue of four classic novellas . . . In *The Gift of Christmas Past*, a feline guardian angel leads his mistress back in time to a night long ago where she finds her own knight in shining armor. Next, a Scottish nobleman drifts off in a 13th-century dungeon only to awaken in a 20th-century Manhattan bridal salon-and the arms of a beautiful designer-in *And the Groom Wore Tulle*. Then, a lovely Tudor inn welcomes *The Three Wise Ghosts* who engage in some haunted matchmaking to bring together a free-wheeling American and a business-obsessed British executive. Finally, in *The Icing on the Cake*, opposites do indeed attract when a Manhattan writer warms the heart of a wilderness guide who's more interested in fending off grizzlies than she is in finding true love. "I dare you to read a Kurland story and not enjoy it." - *Heartland Critiques* - Edition Note: These novellas were originally released in the following anthology collections: *The Gift of Christmas Past* in *The Christmas Cat* *And the Groom Wore Tulle* in *Veils of Time* *The Three Wise Ghosts* in *Christmas Spirits* *The Icing on the Cake* in *Opposites Attract*

Quotes And Notes I Liked

"What am I going say? How do I do this?" I whispered. My shoulders went down. I looked at my blue dust-covered Bible; the pages were stuck to each other. My tears began to roll down once again. "I'm desperate for an answer, Lord, and I know You have it all. I need You, help me. Earlier, I heard about Your promises. And I know them to be true, because I have received them. I experienced Your promises, my family did, we felt them. You have filled me with so much joy even as I grieve. There is no doubt now that it was from You. But how? Why? Why me!" I started with my eyes closed. "Why would You give Your promises to me? To someone like me?" I honestly asked, face up, smiling. I am just expecting to receive an answer! I kept my eyes closed for a few more minutes. Then I opened my Bible.

MICHAEL LANDON: THE CAREER AND ARTISTRY OF A TELEVISION GENIUS

In a progressive and systematic approach to communication, and always through an interdisciplinary and cross-cultural perspective, this first volume presents culture as an intricate grid of sensible and intelligible sign systems in space and time, identifying the semiotic and interactive problems inherent in intercultural and subcultural communication according to verbal-nonverbal cultural fluency. The author lays out fascinating complexity of our direct and synesthesial sensory perception of people and artifactual and environmental elements; and its audible and visual manifestations through our speaking

face , to then acknowledge the triple reality of discourse as verbal language-paralanguage-kinesics , which is applied through two realistic models: (a)for a verbal-nonverbal comprehensive transcription of interactive speech, and (b)for the implementation of nonverbal communication in foreign-language teaching. The author presents his exhaustive model of nonverbal categories for a detailed analysis of normal or pathological behaviors in any interactive or noninteractive manifestation; and, based on all the previous material, his equally exhaustive structural model for the study of conversational encounters, which suggests many applications in different fields, such as the intercultural and multisystem communication situation developed in simultaneous or consecutive interpreting. 956 literary quotations from 103 authors and 194 works illustrate all the points discussed.
