Mouse Guard Roleplaying Game Box Set, 2nd Ed.

Finally back in print, this second edition of the Mouse Guard Roleplaying Game Box Set contains everything players need to know about the world of the Guard, including rules for forming patrols and leading missions into the beleaguered territories. This second edition of the Origins Award-winning game contains new art, additional Action, Weapon, and Condition cards, and a revised and updated rule book.

Mouse Guard: Legends of the Guard Vol. 1

Collects Mouse Guard: Legends of the Guard #1-4 plus Bonus Materials! Collects the first volume of Legends of the Guard, a new Mouse Guard anthology series featuring the work of artists and storytellers handpicked by series creator David Petersen. Bonus content includes an all-new Epilogue

illustrated by Joao Lemos (Avengers Fairy Tales), cover gallery, character lineup, floor plan of the June Alley Inn, and creator bios.

Mouse Guard: Coloring Book

Experience David Petersen's beloved comic series Mouse Guard with this lush coloring book. Featuring over 50 black and white illustrations showcasing the intricate detail of the environments, cities, and characters from across the Mouse Territories, readers of Mouse Guard and colorists alike can bring this world to life with the vivid colors of their imaginations. In Mouse Guard, mice struggle to live safely and prosper amongst harsh conditions and a host of predators. Thus the Mouse Guard was formed: more than just soldiers, they are guides for common mice looking to journey without confrontation from one village to another. They see to their duty with fearless dedication so that they may not simply exist, but truly live.

Mouse Guard

The mice Saxon and Kenzie find a new ally in a mouse named Celenawe, who claims to be the ancient hero of the mice, the Black Axe. Together they track the treacherous Axe army in the hope of retrieving his missing axe.

Mouse Guard - the Black Axe

"Set in 1115, wise oldfur and longtime Mouse Guard member Celanawe fulfills the promise he made to tell young Lieam of the day his paw first touched the legendary weapon, the Black Axe. The arrival of distant kin takes Celanawe on an adventure that will carry him across the sea to to uncharted waters and lands all while unraveling the legend of Farrer, the blacksmith who forged the mythic axe."--Publisher's description.

The Art of Mouse Guard 2005-2015

"In honor of the ten-year anniversary of the first issue, The Art of Mouse Guard 2005-2015 is a celebration of the world, characters, and artistic process of David Petersen's beloved series. For the first time ever, Petersen's process for creating the world of the Guard and bringing it to life in stunning illustration is documented in exquisite detail. With never-before-seen sketches, over 150 pages of full-color oversized artwork, and commentary from colleagues, collaborators, and Petersen himself, readers and fans get an unprecedented look behind-the-curtain at how their favorite characters and adventures were born"--Back cover.

Torchbearer

Based on the "Mouse Guard" comic book and graphic novel series, a guide to the roleplaying game offers comprehensive information on the world of the Guard and includes rules for forming patrols and heading up missions.

Mouse Guard Roleplaying Game

"All constructions and figures inspired by the world and characters of David Petersen's Mouse guard."--page [5].

Mouse Guard: Art Of Bricks

Little ones can learn their ABCs with this book set in Petersen's Mouse Guard world--a world populated by brave mice with a rich culture and stalwart friendships that's worth exploring one letter at a time. Full color. 8 x 8.

Mouse Guard Alphabet Book

Join the Mouse Guard and defend the Mouse Territories against predators and dangers, in this roleplaying game based on the acclaimed Mouse Guard comic book series! Players form their own Mouse Guard patrol and attempt to complete missions while the Game Master takes on the roles of the weather, animals, and the wilderness, all trying to thwart the fearless mice. Designed by Origins Award-winning game designer Luke Crane for beginners and veterans alike, the game comes complete with three sample patrols and three sample missions, so you and your friends can get started playing

right away. Includes art and extensive background material on the Mouse Territories specially prepared by Mouse Guard creator David Petersen, as well as character sheets and maps.

Mouse Guard Roleplaying Game

Wanderhome is a pastoral fantasy role-playing game about traveling animal-folk, the world they inhabit, and the way the seasons change. It is a game filled with grassy fields, mossy shrines, herds of chubby bumblebees, opossums in sundresses, salamanders with suspenders, starry night skies, and the most beautiful sunsets you can imagine.

Wanderhome

Every hero was once a child, listening to stories of the heroes who came before them. It is the same with the Mouse Guard. Six mouse fables are spun to a few familiar youngfurs, reminding us all to be brave, stay true to ourselves, and follow our hearts. Brand-new stories include "Service to Seyan," set in the land where Mouse warriors travel after death, and "Oh Day Away," a tale of the insect faeries of the Mouse world!

The Burning Wheel

In this collection of the first story arc of the popular webcomic Kill Six Billion Demons, sorority sister Allison Ruth must travel to Throne, the ancient city at the center of the multiverse, in an epic bid to save her boyfriend from the clutches of the seven evil kings that rule creation. Includes excerpts from in-universe religious texts, stories, and more

Mouse Guard: Baldwin the Brave and Other Tales

Mazes is a fresh take on the classic dungeon RPG. Choose a die, pick a class, and open the door to adventure. Mazes is elegant, simple, and fast, with rules designed to create fun, dangerous adventures. Characters are well defined, with edges that make them feel and play differently. The MC (the Maze Controller) has tools that make it easy to set up and run games without a lot of prep. Plus, there are plenty of published adventures for Mazes, and rules that make it easy to use any OSR compatible modules.

SHOTGUNS & SORCERY RPG.

A supplement for the Gold edition of the Burning Wheel Fantasy Roleplaying System

Kill Six Billion Demons Book 1

Nearly 200 stunningly realistic paintings and drawings bring the greatest fantasy epic of all time to life. Classical realism unites with contemporary storytelling as artist Donato Giancola explores the mythic grandeur and the iconic characters of J.R.R. Tolkien's The Lord of the Rings saga. Donato has made it his life's work to translate Tolkien's words into compelling visuals, with gorgeous oil paintings and drawings reminiscent of Rembrandt and Caravaggio. His interpretations of Middle-earth span his entire career, from private commissions to the 2001 edition of the graphic novel adaptation of The Hobbit, all collected in this massive compendium--a must-have for collectors of Tolkien and fantasy "What struck me about J.R.R. Tolkien's work was how he filled Middle-earth with a wealth of history," says Author Donato Giancola. "From the simple beginnings of Bilbo and the dwarves in The Hobbit, to the personal trials of Frodo and the Fellowship in The Lord of the Rings, to the epic tragedies in The Silmarillion, these tales are woven together by a grand fabric of unifying mythologies, bringing depth to the cultures and characters within." "Amazing work from an astounding talent." - George R.R. Martin

Mazes

Brush your fur and sharpen your eye teeth. War is coming. Welcome to the War of Ashes RPG: Fate of Agaptus! This "grimsical" minis-friendly tabletop RPG is based on the popular miniature game War of Ashes: Shieldwall. Head off to adventure in a world where the inhabitants might look cute and cuddly but often carry pointy objects with which they might just decide to stab you. Play as a determined Elvorix, a vengeful Vidaar, a militaristic Jaarl, or a ravenous Kuld. Stage Romanic-style battles and then celebrate your victory with a pint of kogg. Inside, you'll find everything you need to get started, including: Fate-style lightweight approaches combined with detailed (optional) minis-compatible combat to get the best of

both worlds. Character generation instructions and even sample characters to get you started on a romp across Agapta. A bestiary full of interesting creatures that you can tame, hunt, or light on fire. Plenty of settings and stories to fuel your campaigns.

Burning Wheel Codex

The basis for the new Amazon Prime Original Series! Perfect for fans of E.T. and Stranger Things—the first narrative artbook from acclaimed author and artist Simon Stålenhag about a fictionalized suburban town in the 1980s inhabited by fantastic machines and strange, imaginative beasts. In 1954, the Swedish government ordered the construction of the world's largest particle accelerator. The facility was complete in 1969, located deep below the pastoral countryside of Mäläröarna. The local population called this marvel of technology The Loop. These are its strange tales. From the same author who wrote the imaginative artbook *The Electric State*, this “haunting,” (The Verge) “sophisticated sci-fi” (The Nerdist) follows the bizarre stories from otherworldly creatures and is a page-turner you won't be able to put down.

Ultimate Toolbox

An epic fantasy standalone novel from the author of the stunning Wars of Light and Shadow series. When Princess Anja fails to appear at her betrothal banquet, the tiny, peaceful kingdom of Sessalie is plunged into intrigue.

Middle-Earth: Journeys in Myth and Legend

They say there have been eight worlds before ours. Eight times the people of this Earth, over vast millennia, built their civilizations. They reached heights we cannot even imagine now: they spoke to the stars, reshaped the creatures of the world, and mastered form and essence. They built cities and machines that have since crumbled to dust, leaving only their vast outlines and barest remnants. This is the Ninth World. The people of the prior worlds are gonescattered, disappeared, or transcended. But their works remain, in the places and devices that still contain some germ of function. The ignorant call these magic, but the wise know that these are our legacy. They are our future. They are the... Two 416-page corebooks, two poster maps, a handsome and sturdy slipcase, a metal medallion, and additional play aids all for the price of the corebooks alone. All existing Numenera supplements remain compatible with these corebooks.

War of Ashes

Inspired by Robert W. Chambers' influential cycle of short stories, it pits the characters against the reality-altering horror of *The King in Yellow*. This suppressed play, once read, invites madness or a visit from its titular character, an alien ruler intent on invading and remolding our world into a colony of his planet, Carcosa. Four books, served up together in a beautiful slipcase and GM screen set, confront your players with an epic journey into reality horror: Belle Époque Paris, where a printed version of the dread play is first published. Players portray American art students in its absinthe-soaked world, navigating the Parisian demimonde and investigating mysteries involving gargoyles, vampires, and decadent alien royalty. The Wars, an alternate reality in which the players take on the role of soldiers bogged down in the great European conflict of 1947. While trying to stay alive on an eerie, shifting battlefield, they investigate supernatural mysteries generated by the occult machinations of the Yellow King and his rebellious daughters. Aftermath, set later in the same reality, in present day North America. A bloody insurrection has toppled a dictatorial regime loyal to Carcosa. Players become former partisans adjusting to ordinary life, trying to build a just society from the ashes of civil war. But not all of the monsters have been thoroughly banished--and like it or not, they're the ones with the skills to hunt them and finish them off.

Invisible Sun

Since its debut in 2005, *Mouse Guard* has become a New York Times bestseller, Eisner-Award winner, and an influential staple of comics and sequential art. In honor of the ten-year anniversary of the series' debut issue, *The Art of Mouse Guard* is a stunning celebration of the world, characters, and artistic process of David Petersen's beloved series. An unprecedented look behind the scenes at the history, process, and art of the beloved, Eisner-Award winning series *Mouse Guard*, this title is an in-depth look at the artistic and creative process behind the creation of the series and each volume of *Mouse Guard*.

Tales From the Loop

Dear reader, We welcome and encourage tourists of all kinds in Gwelf. The survival guide will tell you what to expect, what equipment to pack, who to trust and hire as a guide, and where to rest for the night in this magical land steeped in history and mystery. Tips and tricks on how to best enjoy your stay in the more populous areas and cities, together with crucial survival techniques for how to avoid or overcome haunts, ragteeth, mange, or raven machinations cannot be found in any other resource. As a bonus, you'll learn some Gwelf history and lore and get to know some of the locals and our culture. Indeed, so charming and wondrous is Gwelf that occasionally tourists decide to stay and become citizens, joining the ranks of the border patrol; settling in a town as a merchant, artist, or voyeur; or simply retiring to the country or farmlands. Tragically, there have been some that have stayed, but not by choice. We, the council, fear that this has cast a negative light on our beauteous realm. Rest assured that should you follow the precautions outlined in our guide, you will be quite safe, as it is the council's intention to provide this book as a resource so that future mishaps might be avoided . . .

To Ride Hell's Chasm

Numenera Discovery and Destiny Slipcase Set

Most people don't believe in monsters, but you know the truth. They're real, and it's your task to bring them down. This revised edition of Monster of the Week brings that adventure to life. Monster of the Week is a standalone action-horror RPG for 3-5 people. Hunt high school beasties à la Buffy the Vampire Slayer, travel the country to bring down unnatural creatures like the Winchester brothers of Supernatural, or head up the government investigation like Mulder and Scully. This book contains everything you need to tackle Bigfoot, collar a chupacabra, and drive away demons. In this revised edition, you'll find:

Cypher System Rulebook

Which of life's biggest lessons can be learned from the smallest amongst us? A young mouse learns that compassion and kindness are the great virtues in "The Owl when Caregiver." "Piper the Listener" finds a brave mouse venturing into wild country to learn the tongues of other beasts. And a grizzled old fur shares the lesson of putting a whisker out too far in "The Wild Wolf." Three poignant tales mark creator David Petersen's return to his beloved Eisner and Harvey Award-winning series in this self-contained special.

Root: the Roleplaying Game

Step out into a snowy Valentine's Day with Jasper the bunny as he searches the forest valley for a special gift for his loved one. In his picture-book debut, David Petersen, the Eisner Award-winning creator of Mouse Guard, tells a delightful tale that becomes the perfect way to say "I love you." Bring this sweet story home to your Valentine today.

We Are All Mad Here

Good Society is a tabletop roleplaying game where you create an Austen novel with your friends.

The Yellow King RPG (Four 6x9 Slipcase Set)

A Gothic Fantasy supplement for old-school fantasy role-playing games. This book contains house rules, random tables, new spells, new monsters, and a campaign setting for Gothic Fantasy adventures in the old-school fantasy RPG system of your choice.

Art of Mouse Guard

Torako has done many things to protect the valley that she calls home, but she's never looted a corpse before. So when the katana she steals off the still-cooling body of a bandit turns out to be possessed by a grumpy wolf kami, she can only assume it's because she's somehow angered the spirits. An impression that's only reinforced when she returns home to find her wife abducted and her daughter in hiding. But angry spirits or no, Torako isn't about to let bandits run off with the love of her life, even if it means taking their 3 year old on a rescue mission. In all Kaiyo's years as Captain of the Wind Serpent she has never once questioned her admiral's orders. So when she receives the command to abduct a civilian scribe with the help of fifteen felons, she registers her objections, but does as she is bid. Yet, as the mission unfolds, Kaiyo finds herself questioning everything from her loyalties to her convictions. As Torako and Kaiyo's fates cross like dueling blades, their persistence is matched only by their fury, until they uncover a series of truths they may never be ready to accept.

The Thread of Flame

Reproduction of the original: The Thread of Flame by Basil King

The Thread of Flame

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Thread of Flame - Primary Source Edition

Excerpt from The Thread of Flame Thout opening my eyes I guessed that it must be between five and six in the morning. I was snuggled into something narrow. On moving my knee abruptly it came into contact with an upright board. At the same time the end of my bed rose upward, so that my feet were higher than my head. Then the other end rose, and my head was higher than my feet. A slow, gentle roll threw my knee once more against the board, though another slow, gentle roll swung me back to my former position. Far away there was a rhythmic throbbing, like the beating of a pulse. I knew I was on shipboard, and for the moment it was all I knew. The Thread of Flame (Classic Reprint)

It's 1910, and thirteen-year-old Raisa has just traveled alone from a small Polish shtetl all the way to New York City. It's overwhelming, awe-inspiring, and even dangerous, especially when she discovers that her sister has disappeared and she must now fend for herself. She finds work in the Triangle Shirtwaist Factory sewing bodices on the popular shirtwaists. Raisa makes friends and even-dare she admit it?- falls in love. But then 1911 dawns, and one March day a spark ignites in the factory. One of the city's most harrowing tragedies unfolds, and Raisa's life is forever changed. . . . One hundred years after the Triangle Shirtwaist Factory Fire, this moving young adult novel gives life to the tragedy and hope of this transformative event in American history.

Threads and Flames

Few realize that even at the present stage of civilization in this world, there are souls who, like the priests of the ancient temples, walk the earth and watch and guard the sacred fires that burn upon the altar of humanity. Purified ones they are, who have renounced the life of this sphere in order to guard and protect the Flame, that spiritual principle in man, now hidden beneath the ruins of his fallen temple. As we think of the nations that are past, of Greece and Rome and the grandeur that was Egypt's, we sigh as we recall the story of their fall; and we watch the nations of today, not knowing which will be the next to draw its shroud around itself and join that great ghostly file of peoples that are dead. But everywhere, even in the rise and fall of nations, we see through the haze of materiality, justice; everywhere we see reward, not of man but of the invincible One, the eternal Flame. A great hand reaches out from the unseen and regulates the affairs of man. It reaches out from that great spiritual Flame which nourishes all created things, the never dying fire that burns on the sacred altar of Cosmos—that great fire which is the spirit of God. If we turn again to the races now dead, we shall, if we look, find the cause of their destruction. The light had gone out. When the flame within the body is withdrawn, the body is dead. When the light was taken from the altar, the temple was no longer the dwelling place of a living God. Degeneracy, lust, and passion, hates and fears, crept into the souls of Greece and Rome, and Black Magic overshadowed Egypt; the light upon the altar grew weaker and weaker. The priests lost the Word, the name of the Flame. Little by little the Flame flickered out, and as the last spark grew cold, a mighty nation died, buried beneath the dead ashes of its own spiritual fire. But the Flame did not die. Like spirit of which it is the essence, it cannot die, because it is life, and life cannot cease to be. In some wilderness of land or sea it rested once again, and there rose a mighty nation around that flame. So history goes on through the ages. As long as a people are true to the Flame, it remains, but when they cease to nourish it with their lives, it goes on to other lands and other worlds. In the pages that follow we will try to show this great thread, the spiritual thread, the thread of living fire that winds in and out through all religions and binds them together with a mutual ideal and mutual needs. In the story of the Grail and the Legends of King Arthur we find that thread wound around the Table of the King and the Temple of Mount Salvart. This same thread of life that passes through the roses of the Rosicrucians, winds among the pedals of the Lotus, and among the temple pillars of Luxor. THERE IS BUT ONE RELIGION IN ALL THE WORLD, and that is the worship of God, the spiritual Flame of the universe. We are the Flame-Born Sons of God, thrown out as sparks from the wheels of the infinite. Around this Flame we have built forms which have hidden our light, but as students we are increasing this light by love and service, until it shall again proclaim us Suns of the Eternal. Within us burns that Flame, and before Its altar the lower man must bow, a faithful servant of the Higher. When he serves the Flame he grows, and the light grows until he takes his place with the true Initiates of the universe, those who have given all to the Infinite, in the name of the Flame within. Let us find this Flame and also serve it, realizing that it is in all created things, that all are one because all are part of that eternal Flame, the fire of spirit, the life and power of the universe. Upon the altar of this Flame, to the true creator of this book, the writer offers it, and dedicates it to the one Fire which blazes forth from God, and is now hidden within each living thing.

The Initiates of the Flame

Clear light of Bliss is a unique and highly acclaimed explanation of the advanced practices of Vajrayana Buddhism - the supreme path to enlightenment taught by Buddha. The book provides a detailed and practical explanation of the completion stage practices of Tantric Mahamudra, from the initial meditation on our subtle body, through the stages of inner fire meditation and the four joys, to the final attainment. Geshe kelsang also gives extraordinarily clear explanations of the nature of the mind, how to develop meditative concentration, and how to meditate on emptiness, the ultimate nature of reality. This book will be an invaluable guide to those travelling the Tantric swift path to full enlightenment.

This standard specifies the terms and definitions, model compilation method, classification and basic parameters, requirements, test methods, inspection rules, marking, packing, transportation and stor-

age, and requirements for qualification certificate and the compilation of instructions of flame arresters for petroleum gas pipeline systems. This standard is applicable to the dry flame arresters (hereinafter referred to as "flame arrester") mounted in petroleum gas pipeline systems, but it may also be adopted as a reference to other flame arresters.

The Vehement Flame

Few words entice and incite like the word witchery. Thousands of self-identified witches, pagans, and magical practitioners embrace the word, but seldom go beyond the practice of the well-accepted and learned forms of "traditional" witchcraft to explore the path of old-witchery. Orion Foxwood invites readers to walk on the path of old-style witchery, a nature-based practice that is as old as the swamps and as wild as the woods. For the first time, Foxwood reveals some of his own deeply personal rituals and spells directly from his own grimoire of witchery; he highlights the differences (and similarities) between Wicca, "traditional" witchcraft, and old style witchery. By weaving his own path to witchery throughout the book, he gives readers examples of how to identify the way toward this path. There is a revolution among the Pagan and Witchcraft communities, a movement away from prescribed ritual and neopagan practices and a reaching back toward what Foxwood says is in the heart of any true witch: a thundering call deep within their very blood to become a healer, a reckoner, a protector of magical arts, and a guardian of the wild woods.

The Black Brotherhood is a secret society of Sages and Adepts that exists from the dawn of the world, and that has been pushing forward many ancient civilizations and cultures like Lemuria and Atlantis; Sumeria, Ancient China, and Egypt; Aztecs and Mayans. While other teachings spread like the branches of the tree and stray ever further, the Teachings of the Black Brotherhood remain hidden as stable and black as the soil itself. It preserves the Ancient Wisdom hidden and untainted. The Teachings of the Black Brotherhood are always passed on as a tradition by word of mouth from Master to a Disciple from Ancient Times. For the first time, a big part of the tradition and the teachings of the Black Brotherhood from various Eras were gathered in writing and organized in a unified system, the first of its kind. The realization of the Book was the last will of my Master, and it became my Mission. The door has been opened. We are already among you... Moriel Yamanu
